

## **A special *Thank you* from owners Charlie, Bea and Mason.**

2024 marks our 42<sup>nd</sup> year in business and it is with mixed emotions that we announce our retirement from the tour and travel business at the end of this year. We have truly enjoyed our more than four decades of traveling the world with our loyal and longstanding clients. Through the years, the memories of the places we have visited and the many people we have traveled with are truly priceless to us!

We have also enjoyed being a successful small business in our community and we thank our staff both past and present for their contribution to our success and growth. We would also like to thank our trusted motorcoach drivers who have safely driven us many thousands miles. Behind the scenes of any tour, or cruise, there can be hundreds of people who contribute to the enjoyment a group of 40-50 travelers experience on a trip. We have been extremely fortunate to have had the opportunity to work with many of the top professionals in the tour and travel industry. Over the years they have assisted us in achieving our goal of making the travel dreams of our clients come true.

We wish to thank our families and friends who have traveled on many trips, stuffed many newsletter envelopes, volunteered as tour escorts and supported us countless ways.

We sincerely thank our travelers past and present who without your support and loyalty, there would be no C and Bea Tours. Your support, encouragement and “word of mouth” promotion of C and Bea Tours has never gone unnoticed and we cannot thank you enough for the trust you put in us!

Here is what is next for us.

Mason will continue to serve the residents of Haddon Township, NJ as Senior Services Coordinator, a position he acquired during Covid. He will also spend more time with his wife Tracey and daughters, Madison (23) and Nora (19).

Bea and Charlie will be enjoying their full time retirement between Woodstown and Bradenton, Florida, after working and traveling together for 70 years. They also look forward to spending more time with family and friends.
