CITY LINK

BUS STOPS

The City Link buses will stop at designated bus stops only if passengers are waiting at the stops. It is recommended you arrive at the bus stop 10 minutes early to ensure you do not miss the bus. Buses will not come back for you. Times may vary due to traffic.

Pull the Stop Cord one block before you want to de-board. Buses may deviate to another designated stop on their route for drop offs if the driver deems the schedule will allow it, and only if the driver deems safe to do so. Passengers may hail a bus en-route by standing on the right side of the street and raising a hand. Buses will only stop where deemed safe (no inter-sections, four lane streets or highways).

TRANSFERS

Upon request, the driver will issue a transfer ticket that allows a direct transfer to another City Link Route. The transfer is free, but must be used within the hour. It may not be used to reach a second destination or as a return ticket on the route from which it was issued.
