Coffee Time

When the day's work is over, and the firewood has begun—the friendly discussion, the welcome warmth, and coffee fragrances of good hot coffee show the hunters in their way. And because Maxwell House is America's favorite, coffee time is Maxwell House time wherever you go. Painted by James Chappin.

Because that "Good to the Last Drop" flavor adds so much real enjoyment to our daily living, Maxwell House is America's favorite, of all brands of coffee, at ANY price! North, South, East, or West, Maxwell House is truly part of the American Scene.

Throughout this nation of coffee lovers— **MORE PEOPLE BUY AND ENJOY MAXWELL HOUSE THAN ANY OTHER BRAND OF COFFEE!**

© 1942 BY ... MAXWELL HOUSE COFFEE TIME ... Drawing George Bell and Edwin Allen, NYC, America's favorite.
