

The background of the entire page is a repeating geometric pattern of interlocking diamond shapes. Each diamond is formed by a different style or material of picture frame. The materials include various shades of wood (light oak, dark brown, black), metal (gold, silver), and textured finishes like a reddish-brown patina. The frames are arranged in a way that creates a sense of depth and movement across the page.

NURRE CAXTON

For over a century, Nurre Caxton has provided the highest quality and most unique mouldings for the custom picture framing industry.

From the clean sophistication of assortments like Hygge, Metropolitan and Woodworks, to the hand-finished artisanal elegance of collections like Treviso, Palladio and Castile, Nurre Caxton offers timeless mouldings that enhance all styles of art and décor.

To make specifying Nurre Caxton even easier, in this new catalogue we have grouped our assortments into 4 design categories, to help lead you to the perfect aesthetic for your customer's framing and home décor style.

Please scan the QR code below to order any corner samples you are missing, locate your nearest distributors and access the latest information on all Nurre Caxton products.

NURRE CAXTON

Why choose Nurre Caxton?

Over 100 years of expertise in wood moulding design and manufacturing have defined the unique personality and value of the Nurre Caxton line.

We proudly offer you:

- Collections that celebrate the organic beauty of real wood - never composites, never plastics
- European craftsmanship, using old-world artisan techniques married with advanced modern processes
- Thoughtful designs with the right balance of classic styles and modern innovations
- Concise and curated assortments that make designing easy
- Unparalleled quality control for reliable consistency and customer satisfaction, time after time
- Competitive pricing to ensure your profitable success
- Availability that fit your needs – order from your preferred distributor or directly from Crescent Brands

As a member of the Crescent Brands family, Nurre Caxton remains committed to providing wood moulding products that elevate and enhance the art of custom picture framing and we thank you for your loyalty and partnership.

Sharing in the Legacy

1800s

The Henry Nurre Mirror and Moulding Company founded in Cincinnati, Ohio.

1970s

Caxton Moulding founded in Pompano Beach, Florida by Tony and Frankie Carlone.

1986

The Henry Nurre Co and Caxton Moulding join to form Nurre Caxton - The company becomes renowned for imported Italian mouldings and American Hardwoods milled and finished in its Erlanger, Kentucky facility.
