December 2014

Merry Christmas to our treasured supporters and faithful prayer warriors; I pray this letter finds you in good health and enjoying each new day the Lord bestows upon us.

Pat & I want to take this time to thank you for being such an intricate part of our lives in either financial or prayerful support of our lives. It is definitely a team effort, and in 1997 to the present, no one let go of the rope of support! The Lord is definitely up to something good and Pat & I would like to recap what the Lord has done in CDG and in our lives this year.

*In January 2014 we were blessed by a surprise visit from Mike & Rachel Rogers who brought joy and encouragement to us and the people we serve. Also, Nato, a young man

Marriage Seminar. Through a long complicated ordeal in Acayucan, Mexico, Pat & I were offered an awesome opportunity to officiate a Mexican wedding ceremony together. After wards the groom shared that it was his heart's desire since he was a little boy to have Americans officiate his wedding! Which in remote areas of Mexico is not a common occurrence! But God heard his desire and used us to fulfill it!

*March We attended a Missions Conference in Houston and received orders from God to pack up

and return to the states. When God told us to "Go Ye..." to Mexico back in 1997 He miraculously handled all the details of the move in 5 short weeks. This time He orchestrated the move in 2 short weeks. Upon our return to the States we have received quite a few prophecies confirming God says it is our season of rest before His next assignment.

From March to the present we continue to seek God and trust Him to help us to adapt to living and working during this time of transition in our lives.

*July Pat & Jeff Fredericks of Washington, Indiana drove to the border, transferred their cargo into a national van driven by friend and pastor Manuel and they continued onto CDG where they blessed the ministry in with clothes, bibles, and sound equipment.

*October, Troy & Shirley Thomas of Vidalia, Louisiana accompanied Pat to San Andres Tuxlta for *Revive 2014* where they witnessed many miracles.

*November we held our annual fundraiser in Husser, LA where it was another huge success and all the proceeds went to CDG to help pay the rent for 2015 of the building CDG hopes to one day purchase the building they currently rent downtown Centro, Mexico.

*December Now we are in the last month of this incredible year of transition and we look forward to what the Lord has in store for us in 2015. In these days of being still; we will enjoy where we are and our time with family.

Pat is planning a few short term mission trips to SAT this coming year. If you are interested in joining him please contact us as the details unfold.
