**OBEYING THE GRAN
 COMMISSION**

We had a wonderful day on Feb 16 baptizing 11 new members of CDG as Mat. 28:19 instructs. This baptism was different than all the others due to a new hunger in the people to know more of God. God is bringing new people to CDG Centro each Sunday and they are excited about getting involved in our activities and courses we offer such as Discipleship and Foundation Classes as well as our Video Bible School. Some who were baptized were also baptized in the Holy Spirit. Most everyone we talked with afterwards expressed a freedom and peace that overcame them when they came out of the water. Raul's brother Ivan and his wife, Linda, were baptized together. [Photo bottom right] Linda was sick and in a lot of pain for months. They sent for us to come pray for her. We led them in the prayer of salvation and that's when things began to change in their lives. She was healed and they found a new found joy, peace & hunger for the things of God. They enrolled in the Foundations and Discipleship classes and are present every time the doors of CDG are open!

CDG hosted a 5 session Marriage Seminar sponsored by The International School of Ministry ISOM. As you can see on their faces it proved very beneficial to help improve their marriages.

opportunity to share a few minutes on a local Christian radio station in Nato's home town in Acayucan where the station owner is his personal friend.

Nato encourages the teens to seek God will all their heart and to make good decisions and the group continues to increase in size. It's up to 26 now.

A YOUNG TIMOTHY

Nathaniel Padua (Nato) is a young man who grew up in a Christian home 1 ½ hours south of us in Acayucan, Veracruz. At the age of 5 he realized God gave him the gift of playing the drums and for the next 16 years he has ministered in Praise and Worship in his home church. He studied music in college and now at the age of 24 he felt led of the Lord to offer his services in CDG for a trial of 3 months ministering to the youth and worship team. He has encountered the battle for his generation head on and is making ground by adding to the participants in Mission 3:16 (youth group) each week by visiting the teens in their homes who no longer attended, praying for them individually as well as corporately, and organizing fun group activities such as an exciting game of soccer. He offers free music classes to anyone interested in worshipping with the Praise & Worship team in hopes to raise up new worshippers in CDG. He is also in training to translate and teaches songs in a local Pre-school two days a week. He has a pastor's heart and God is giving him an opportunity to train in ministry in CDG!

Nato gives an encouraging message in Los Pinos.

FRIENDS VISIT

We felt so loved by a recent visit by Mike and Rachel Rogers from Amite, LA. God spoke to their hearts to come here to love on us and it was just what the Dr. ordered! We went on a few house visits in some remote areas.

We also were privileged to meet a gifted and talented Christian ventriloquist from Latin America named Coco y Su Pandilla who has performed in Las Vegas as well as now in San Andres!

Thank you Lord for a time of refreshing with friends and family!

MAKING DISCIPLES

The four people in these two pictures depict the achievements of their hunger to learn more of God and are shown receiving their Certificates of Completion of a 16 week Discipleship Course.
