7000 BIBLE TOTEN KIDS!

Waking up in the wee early hours on Christmas morning filled with excitement and expectation is a common practice in the states among children. But Casa de Gloria's youth

Youth leader Julie shown in the middle of the kids from C de G.

were filled with excitement and expectation of a different sort. They were heading to the annual Youth Explosion Conference in

Mexico City, where more than 7,000 youth met to worship. And going from a warm tropical climate of SAT to a colder climate was an added treat. One young man from

the Waterfall church was so hungry for the things of God, he cried out to Him with expectation to receive. It was then that he began to receive visions and words of prophecy for those around him. Even today he continues to receive a fresh prophetic word of God for others. At 18, he is currently

STARRY NIGHT VISITS

The Kingdom Conquerors visit the local Civil Hospital in town once a week. We bring drink and food to the families of patients who sleep for days at a time outside under the stars, rain or shine, while waiting for their loved one's discharge, relocation or wellness. It is amazing to see so many with blankets and bags of personal items huddled in masses on the sidewalk under the tiny eaves of the hospital building. One couple sought us out

using the directions from a tract they had received the night before. They were desperate for financial help. The 78 year old mother was hospitalized for a broken leg 4 days earlier. The Hospital never tended to her because the family couldn't afford the operation and now they needed money to pay for her 4 day stay. God networked people together who were able to assist them with this problem. What a great opportunity

it is to pray for families, encourage them in the faith and lead them to the Lord, our hope in Glory.

NEW LOCATION DONATED

There was a knock on the door one morning from a small real estate agent in town who heard from a relative that we were looking to purchase a place of our own. Under God's conviction of never have given his tithe, he decided to tithe to us one of his lots in a rural residential area outside the city limits. As a church, we purchased the adjoining lot

to double our lot size to 14 X 22 mts with the hopes of safeguarding our new investment. We feel sure God is up to something when He speaks to total strangers who wish to tithe

a parcel of land to Casa de Gloria when their *own* children attend another church! We feel this is an investment to hold onto for future use, because there are no Christian churches in this community. We

made an appointment to see the Mayor about a local building we had been eyeing to use for Sunday morning Celebration service.

To our sur-

prise, the property we were interested in is her personal building. So without hesitation, she said since it wasn't being used on Sundays, she had no problem loaning it to us for a

season until we find something of our own. Now we are able to raise up flags and streamers, Pat can dance without hitting his head, and new families are beginning to attend our more spacious services. God gave one lady who re-

cently moved to Tecolapan, a dream about where she was to attend church. Through some investigating, she found us just as she had envisioned Casa de Gloria in her dream. As she and her family walked in she was surprised to

discover that Pat and Karen were the pastors in her dream. Excitement is in the air and Casa de Gloria is preparing for the multitude as proclaimed by several prophecies.

TAKING IT TO THE STREETS

We loaded up with sandwiches, coffee, and tracts and headed to the streets of San Andres in search of the alcoholic groups who congregate on Saturday mornings all throughout town. Everywhere we went we were accepted and respected by these men on the street. Many have lost families due to their alcoholic vice. One man died from long term alcohol use, a few days after our visit. A handful have graced our

doors in Casa de Gloria, while others refuse to believe they have a problem. This year we are taking them to the throne room in prayer by

name; and calling for their salvation, health and the restoration of their families. We aim to see long lasting fruit this year from the Street Ministry. We want to see these men and their families serving the Lord and proclaiming His goodness to others!

FAMILIES ADOPTED LOCALLY AND ABROAD

Casa de Gloria is sowing seed into local and foreign soil this year. We are supporting a persecuted family in the 10/40 Window. And on a local level, we have chosen to adopt the family of Manuel. This family of 10 lives minutes from downtown San Andres Tuxtla.

Manuel, his mother and his siblings. Shown with their US supplied shoebox gifts.

They have no electricity or running water in their home. Manuel has lived his whole life in his bed in his

dirt floor wood frame home. He loves to read, listen to music and the news on his radio powered by a car battery. We hope, as a church, to visit them periodically throughout the year providing them with food, toiletries and bible studies. When we found out that he didn't own any Christian music; we made up a small CD album of a variety of music from the lending library for his listening pleasure.

SISTERS NEED ASSISTANCE

We have known Leidy and Ruth for many years now. When Ruth was born, she came to stay with us for a few days while a Cleft Palette Health clinic was in town. Pat had the honor of naming infant Ruth at this time. Their story is heart wrenching. They were born to a

blind mother and an illiterate fisherman father. Leidy, age 10, has an enlarged heart and is in need of an operation ASAP. Her activities are kept to a minimal. She is her mother's eyes and has helped to raise her little sister. Ruth had to pass many opportunities to have corrective surgery due to her sickly nature. She has been in and out of hospitals for numerous reasons since her birth. The day this picture was taken we had given her a ride home from a 15 day stay in the Civil hospital for a strangely enlarged and swollen leg. Two years ago, she had her first surgery to close the gap in her lip and nose. She was turned down from en-

tering Kindergarten because she isn't able to speak. The odds always seem to be against her; including the fact that the doctors don't show up for her appointments or operations. Any extra money their father makes always seems to go towards medicine and hospital bills for Ruth. If you would like to help with their medical expenses and surgeries; just note "SISTERS" in the memo section of your check. Great Children's Church project!

Leidy and her sister Ruth attend children's Mini health clinic program in La Barra.

Leidy hardly complains of the constant pain in her chest which protrudes due to her enlarged heart.

MENTORING THE YOUTH

We were delighted to host our very first event in the new Hall downtown. Bob Lane of Troy, Illinois was our honored guest speaker this month, along with his pastor Dr. Patti Amsden. The Lord has drawn Bob's heart to the youth in San Andres Tuxtla. He has a Father's heart for the younger generation and ministers challenging messages for the youth to take a stand for Jesus

and accept the responsibility to rescue and discipline their own generation. Bob spends the entire day mentoring several young men from various churches showing them the Love of

a Father that most lack. These young men are being encouraged by Bob's unconditional love for them. We are amazed at how God fills in areas of our lives and ministry where gaps were beginning to form. Thank you Lord for equipping us and networking us with others to fulfill the mission you have set before us. Thank you Bob for caring enough to come!

INTERNATIONAL WOMEN'S MENTORING EXCHANGE IN SAN ANDRES TUXTLA & VERACRUZ, MEXICO

On Feb. 7th-9th, Karen brought three of the women leaders from Casa de Gloria to rest under the teachings of Marilyn Hickey and her team at the *International Women's Mentoring Clinic & Citywide Healing Crusade*

Julie translating for Dr. Amsden of Illinois.

in Veracruz, where God's love, comfort, and peace flowed binding wounds of verbal, mental and physical abuse. Then on Feb. 28th Dr. Patti Amsden of Son Life Church in Collinsville, IL came and ministered to the women in San Andres Tuxtla. We had such a won-

derful turnout. The hall was filled with over 120 women comprised of 8 churches. Dr. Patti pastors with her husband, in addition to her role as mother of 5, and grandmother of 8; she is a Seminary teacher, Dr. of theology, prophet, and author of various books to name a few of her titles and callings. We were truly touched by her prophetic & informative teaching. Thank you Dr. Patti for making a difference in SAT.
