## CDG GROWS IN OUR ABSENCE

It has been hard not having all the answers to all your questions as to how long we will be on furlough or when we will go back. God has suddenly done so many changes this year in our lives; March- He suddenly sent us up to the border to convert paperwork on our van, July- We had 15 days to drive our American vehicles out of Mexico, August- Lightning struck my Dad's barn and suddenly some of the items we had collected to bring to CDG in Mexico and all of our personal belongings were lost. But through it all and in our absence in Mexico, CDG has united, took ownership of the church, possessed it as their own making use of all its resources such as clothing ministry and course studies and have embraced new members! CDG is flourishing without us! This year in particular God has sent amazing teams of laborers into SAT to equip the saints for harvest time! We have never experienced so many groups in one year! All throughout the year, each team focused on teaching CDG's leaders and we are seeing so much maturity and fruit as an accumulation of God's Word going forth and doing the work of the ministry.

## CDG BEST EVER ANNUAL FUNDRAISER

We collected "ones man's junk" and turned it into another "man's treasure" at our annual CDG stateside fundraiser where all proceeds go to missions in Mexico. We drove 3 trucks & 1 van with trailers full of garage sale items and were met at 5:20 am with people ready to help unload and set up tables! It was a glorious site to behold! We continued throughout the day unpacking boxes onto tables until it was time to pick up. We would like to personally thank each individual who donated money, items, food, drink and their time along with the following churches: House on the Rock, First Baptist, New Life Fellowship, all of Amite; Grace Harbor Family Church, Shepherd's Care Ministries, Covington, and the Mission Church, Hammond. It is a blessing to see the body of Christ work together for the Glory of God. Thank you everyone!!

## + LIVES TOUCHED

Last year a woman lost a substantial amount of money near our garage sale site. She approached us wanting to purchase an item and casually mentioned she lost her money. To our surprise, one of the ladies we were chatting with had found it and was asking God how she could return it to the rightful owner when up walks the owner of the money at just the right time. See how God orchestrated that? Well, this year, that same lady returned and testified that her daughter had lost all hope in Christians and was tired of being hurt by them but that small gesture of honesty restored her faith in God's love for her and His provision over her that she has been in church ever since!

Teens to Kindergarteners were rewarded with Book Bags filled with school supplies after completing a 2 month long Bible course. Each book bag has a scripture imprinted on it so they can bring the Word into their homes and classrooms.

## FREE CLOTHES

## BACK TO SCHOOL BOOK BAG GIVEAWAY

Some of the children of CDG Centro who were excited to receive these book bags filled with school supplies for successfully completed this summer's Bible School program.

## CLOTHING MINISTRY FLOURISES

In our absence, CDG's clothing ministry blessed many families with clothes and shoes for this coming school year and cooler weather that will set in by the end of the month. Many from the villages came to receive a blessing of new clothes and prayers. When asked where they got such pretty clothes, they have been heard to reply, "Casa de Gloria's Boutique". We have many clothes packed and stored that are waiting to be brought to Mexico. We ask that if you make plans to come our way, please consider bringing some of the clothes we have in storage as our mode of transportation is now flying too and limits the amount of things we can bring in at a time. So due to the amount of clothing and shoes we have packed and stored ready to transport; we regret to announce that we are **NOT** receiving any clothes or shoes at this time for Mexico until further notice.

## SMALL GROUPS ON THE RISE

House visits and small group Bible studies are effective in mentoring and to disciple believers, especially those who cannot afford to pay the public transportation to get to church.

**2Co 3:17**; "Now the Lord is the Spirit: and where the Spirit of the Lord is, *there* is liberty."

The 16 Journeymen and 4 teachers in La Barra with a new found freedom in Christ

After an intense examination of the heart, a list is composed and nailed to the cross confirming Christ died for our sins.

"He that have ears to hear, let him hear."  
*Mat 11:15*. Below: Mealtime is fellowship time in any language!

**DUE TO RECENT CHANGES IN OUR MEXICAN STATUS, WE WILL NOT BE RECEIVING ANY MORE CLOTHES FOR THE CLOTHING MINISTRY UNTIL FURTHER NOTICE.**

## FREEDOM WEEKEND IN LA BARRA

Deisy and Maya from CDG Centro taught alongside Pastor Reyes and Ivan in La Barra to 16 God seeking journeymen on a *Journey to Freedom*. They were met with many obstacles at first like the laptop, projector, and speakers didn't work but they refused to be defeated by these challenges. The majority of their testimonies were that God revealed sin in their hearts and they repented. One young lady went into the weekend battling oppression & anxiety and left feeling peace, healed, strong and free again! She testified of a knowing and realization of God's love for her and it is her desire to serve God with all her heart like never before. Another was convicted of being rebellious and ugly toward Pastor Reyes and the church and as God convicted her of this sin, she repented and asked for forgiveness. She sincerely feels now that God has anointed her Pastor and church and placed it in that fishing community for a distinct purpose to set others free. Many are experiencing inner healings and a new found freedom through these *Journey to Freedom* classes as each participant allows Jesus to expose the sin in their souls; which are the mind, will and emotions.

## SUAMY WALKS AGAIN!

Suamy, a young single mother, was afflicted with a mysterious paralyzing disease in 2010 that was painful to the touch and so agonizing that she wanted to take her life. Now three years later, after much prayer, she is living a pain free life, teaching the Word of God, graduating in December from the International School of Ministry and walking on her own without the help of a walker! God is so good!

**WARREN WARRIORS PRAYER REQUESTS**

We are excited to announce that for the first time since the ministry began, God has met all of our needs and we have no requests at this time

Except to continue to pray for us.

**SPECIAL THANKS** to Mike and Cassie Kaplan for donating baseball equipment which when the opportunity arises, we will bring down to SAT. But as with everything we receive, we try to be a good steward making sure each item gets to the right person or organization if we cannot use it. Thus is the case with some softballs that were recently donated by the Kaplans. We passed the softballs onto a private Catholic School in Hammond who needed them for the girls' softball team. Thank you everyone, especially the Kaplan family of Luling, LA. for your generous donations.
