GOD'S GLORY FILLED THE TEMPLE

.Pat, Jeff Frederick of Washington, Indiana and Pastor/Missionary Manuel Gonzales from Reynosa, MX, were on a mission to deliver supplies and goods to the humble people of San Andres Tuxtla. Among the items they transported were medical supplies, Bibles, books, a drum set, speakers, amps, shoes and clothing. Their purpose in going was to edify the body of believers; items transported were just lagniappe. They held meetings every night and went on house visits during the day which comprised their whirlwind 10 day trip, most of which was spent in travel. To our delight, the church is found to be healthy, the leaders well equipped and strong, and is growing both spiritually and in numbers.

HOT DIGGITY DOG

Mexican Missionary Manuel graciously offered to drive Pat & Jeff down to SAT. They met at his house in Reynosa, MX and transferred the cargo from one van to the other before making the long hot trek to SAT. Upon their return, Manuel accompanied Jeff back to Indiana where the Lord supplied his need of a good used light pickup truck.

JEHOVA JIRAH
FAITHFUL TO PROVIDE

Pat & Jeff both concurred that they found CDG well grounded and God's hands were upon them. Maya Sosa is doing an excellent job as office administrator as well as the principal pastor of Casa de Gloria. It is her desire to keep the vision for the church alive. She needed a man to come alongside and work beside her in ministry. Her husband is not as of this writing available and to ask another male leader in the church might open doors of conflict in marriages and such. The Lord had the perfect person in mind! Maya's brother Toño and his wife, Cleme, longtime personal & dear friends of ours felt the Lord's promptings to leave their church to come work in CDG. And as of June 2014, that is what they did and feel "like a fish in water" says Maya. They are a huge attribute to the ministry

and church. They are mature christians who have a heart to evangelize their people and see their city set on fire & changed for God. They are enrolled in the Discipleship classes and will soon enroll in Bible School. They are part of the Praise and Worship team and Toño accompanies his sister when ministering to families. He is also fulfilling Pat's old role of transporting people to church and conferences. He loves to be used by God. Cleme is often

found in the office assisting Maya with the clothing ministry, organizing the office, or whatever is needed at the moment. The happy couple are treasured instruments God to equip CDG for the near future. God is faithful to supply all our needs according to His riches & glory!

HOSPITAL

Among some of the proud recipients of the medical supplies were the local Civil Hospital which serves the indigent, Dr. San Martin, a prominent Cardiologist who has his own practice, and a prominent Veterinarian Dr. Luis Gaitan.

EXTREME PASSION YOUTH CONFERENCE

Several youth and leaders attended the annual youth conference in the neighboring town of Acayucan and received anointed teachings and a new spring in their steps!

CDG recently had another successful bazaar which generated some extra funds for the building program. We have not lost sight of the vision to own the rental facility downtown that we currently use on Sunday mornings. The owner of the Hall personally told us he and his wife would love for us [Casa de Gloria] to buy it and will not sell to anyone else unless we tell them we are no longer interested. We praise God for His favor and His grace in this matter. The owners have watched us from afar since our arrival in San Andres and because this particular property has sentimental value to them, they want the new owners to use it to benefit the community. So CDG in Mexico continues to raise money to add to the funds as well as CDG, Inc stateside, as we hold our annual garage sale fundraiser on November 1, 2014 in Husser, LA. where all proceeds go to Missions.

You are invited to come join the fun! There are lots of areas to serve: Set up and take down tables 5:30 am & 2:30 pm, provide morning coffee & donuts or lunch, assist with sales and displaying of objects. Come for a few hours or stay all day! But plan to come and good time!
