Building Generations Committed to Christ!

ALCOHOLIC OUTREACH:

On a recent visit to Acayucan we were interrupted by a yell from a man working in a drainage ditch in the street in front of the house where we visited. He yelled, "Patricio!" We turned and look and were happy to find a man we only knew briefly, Angel. We had the privilege of taking him and a few others to a Drug and Alcohol Rehabilitation Center in Chiapas some 5 years ago and bringing him back sober. We were pleased to see and know he is still clean, has since married and holds a regular job. Thank you Lord for allowing us to see the work you continue to do in others. We just want to be used by God to reach and teach others of His love and mercy. Lord Jesus, continue to do a mighty work in Angel and the others.

JULIE'S TRANSLATING!

Julie, our spiritual daughter and secretary of Casa de Gloria, is always ready with a smile to stretch her faith when we ask her to step out of her comfort zone. For a couple of months now, Pat has been preaching in English in order to give Julie the in-house experience of translating. We want to prepare her to translate for future visiting ministries. She has even followed Pat to La Barra to share the gospel. Julie is doing a wonderful job and we are so proud of her willingness and eagerness to please the Lord. We know God has a special plan and purpose for Julie in His Kingdom. We are blessed He has allowed us the opportunity to know and to work with her. We now have the first! and only Bi-lingual church in San Andres.

BAPTISM:

Pat was asked to help a local Pastor baptize his "sheep" this month. Pat felt honored as he drove a bus load of Pastor Alejandro Gloria's church to La Barra for their first baptism ceremony. Pat and Alejandro, together, teamed up to baptize 3 new converts. Psalms 133:1, "How good and pleasant it is for brothers to live in unity and harmony." This is part of the fruit of the Pastor's unity alliance; working together to further the Kingdom of God without a competitive or jealous spirit. It is wonderful to be apart of assisting other churches with the same vision
