

2020-2021 KDX DANCE COMPANY

Our goal, as an exclusive, year round dance company, is to provide a smaller, safer, more structured environment, for each of our dancers. By limiting the amount of students accepted into our program, we hope to gain a more personal relationship with you and your dancer.

We will be providing all of the tools necessary, for parents and students to stay informed, track your progress, video links for additional assistance, and virtual terminology lessons, contests, etc . Myself, along with the entire KDX Staff, are ready to take your dancer to the next level.

****NEW** All tuition accounts must be paid through (ACH) Bank Draft You can pay on the 1st of the month, the 15th of the month, or split your payments on the 1st and the 15th.**

There is a \$30 registration fee for all new dancers, due at the time of registration.

The following page has all of the information about classes we require, and monthly tuition prices. If you are interested in registering, please let us know and we will send you our upcoming office hours.

After registering, you will receive all of the information on when/where to order your required dance wear and dance shoes.
