

It Is the End of the World

Witness 2

My friend sent me these photos from Nigeria today, and he gave me permission to use them:

He told me that in prayer, God told him that these events were the "shaking of the Earth" and more is to come - but not just for Nigeria.

In the western world, particularly America, many people, even so-called "Christians", are [so in love with themselves](#) and their own comfort, that they are failing to see the signs of the end times bombarding the world. They sit on their thrones, often their recliners, as they stare at their screens in their perfectly climate-controlled homes. They don't know what a little hunger feels like, and the second they feel pain, they pop a pill.

While they may have been given blessings by God, such as security, comfort, and money, they have not thanked God or listened to His commands. They have not served God for many years, though they do go to church. They have forgotten the one true God, but instead they worship the gods on television and their many screens. They worship the money in their bank accounts and the materials in their home. They spend their time thinking about mowing their lawn, gossiping about family members and friends, and eating to their heart's content. This is all while their children are being raised by their phones and YouTube celebrities, and God is no longer included in any conversation.

Perhaps I sound bitter or judgmental, but please remember, there is something called [righteous judgment](#). Furthermore, I am not claiming I am without sin, and I am writing this post for me as much as I am for anybody else. In the past few months, I have been working on cleansing my heart of any darkness.

What I am finding, however, is that when I go into Christian forums and proclaim that it is the end times and we are in Revelation, people simply reply something along the lines of, "It isn't that bad yet! I haven't been affected! Not until..."

This egocentric view is what is going to condemn many. They have completely ignored the severe consequences of COVID, and many, many, completely bowed down to the system these past few years (and we can go back to 9/11 or even further here). As people were arguing about masks, the white horse of Revelation conquered the entire world with its crown (corona). While people were bowing down to their masters and taking experimental vaccines, others were [losing their jobs](#), their businesses, and many, their sanity. Anxiety and depression, as well as suicide, drastically [increased during this "pandemic"](#), and many are still suffering the psychological consequences.

What people are not understanding is that tribulation isn't all physical. Much of the Bible is about [spiritual warfare](#), yet Christians haven't read those dusty old Bibles in a while, so they are still waiting for the tribulation to begin, as their neighbors and friends lose their work, their lives, and their minds. Churches closed down, yet very few Christians spoke out, bowing down completely to the authority of the government, not Christ. How many people were left to suffer without the church during that time? As we have learned, [online interactions cannot replace face-to-face interactions](#). Yet, so many Christians cowered in fear ([a tool of Satan and enemy of our faith](#)) and succumbed to the conquest without any question.

So, for those who still believe the tribulation hasn't begun yet... you are:

- 1) Ignoring the [psychological suffering](#) occurring around the world, specifically due to their pre-planned "pandemic" - far greater than ever seen in the past. To be clear, I am not noting the pandemic as the only cause of this suffering, but it is what the "elite" are using to conquer the world. Just to note, [global suicide](#) is the highest it has ever been.
- 2) Not reading your Bible.
- 3) Ignoring the signs all around you.

Just because the "big nuclear event/happening" hasn't happened yet, doesn't mean we aren't in great tribulation. Right now, I'd argue that we are in stages of desensitization, psychological suffering, and psychological conquest. Famine, war, and other physical events are coming, however, so this post is a warning to get your house together (physically, spiritually, and mentally) now!

Current Signs of the End Times

For the purpose of this post, I want to focus on current prophecy being fulfilled. Here are some major events many Christians are ignoring:

- 1.) [Lovers of themselves](#): This is the psychological component of tribulation that many are ignoring. Every part of this chapter is relevant:

But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God - having a form of godliness but denying its power. Have nothing to do with such people.

They are the kind who worm their way into homes and gain control over gullible women, who are loaded down with sins and are swayed by all kinds of evil desires, always learning but never able to come to a knowledge of the truth. Just as Jannes and Jambres opposed Moses, so also these teachers oppose the truth. They are men of depraved minds, who, as far as the faith is concerned, are rejected. But they will not get very far because, as in the case of those men, their folly will be clear to everyone.

Do you know anyone who is truly content right now? Probably very few people. Are you? While I have the joy that the holy spirit provides, I can feel the darkness and misery surrounding me daily.

2.) [Euphrates Drying Up](#): "The sixth angel poured out his bowl on the great river Euphrates, and its water was dried up to prepare the way for the kings from the East."

[Here is a video of this prophecy in action](#)

3.) [Great Falling Away: The decline of Christianity](#) is happening now.

The Great Apostasy

Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come. Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition.

4) [The Fig Tree Prophecy](#): "Now learn a parable of the fig tree; When his branch is yet tender, and puts forth leaves, ye know that summer is nigh. So likewise ye, when ye shall see all these things, know that it is near, even at the doors. Verily I say unto you, this generation shall not pass, till all these things be fulfilled."

[You can read more about this prophecy here](#), but to make it simple, here is an excerpt:

- Biblical lifespan of man: 80 years (with years of labor and sorrow)
 - Israel rebirth: May 14th 1948
 - The year for 1948 generation to be over (1948 + 80 years): 2028
 - Latest year for Jesus Christ return: 2028
 - Latest year for rapture and the beginning of the great tribulation: 2021
 - Note: I believe it started in 2020 - 2021.
 - **Jesus is coming!**
-

5.) [Biblical Headlines and Scoffers](#):

Above all, you must understand that in the last days scoffers will come, scoffing and following their own evil desires. They will say, "Where is this 'coming' he promised? Ever since our ancestors died, everything goes on as it has since the beginning of creation." But they deliberately forget that long ago by God's word the heavens came into being and the earth was formed out of water and by water. By these waters also the world of that time was deluged and destroyed. By the same word the present heavens and earth are reserved for fire, being kept for the day of judgment and destruction of the ungodly.

But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day. The Lord is not slow in keeping his promise, as some understand slowness. Instead he is patient with you, not wanting anyone to perish, but everyone to come to repentance.

But the day of the Lord will come like a thief. The heavens will disappear with a roar; the elements will be destroyed by fire, and the earth and everything done in it will be laid bare.

The headlines are all around us, but people still scoff. There are [locust swarms of biblical proportions striking Egypt](#). There are [climate disasters of biblical proportions](#) around the entire world. [Rain of biblical proportions is not a hyperbole](#). And [famines of biblical proportions](#) are coming.

We could obviously keep going, but I wanted to show that major prophecies are happening now. For more information on this, Witness 1 wrote further on Biblical end times prophecy being fulfilled in the present day, providing many more examples, in *The More Rational Worldview: Coincidence or Conspiracy?*

The point I am trying to make with this post is that not all tribulation will be immense physical suffering. Much of it will be psychological and spiritual, as we saw with COVID. Of course, that doesn't mean physical suffering isn't coming, as noted with the [flooding happening in Nigeria](#) earlier, and many other places around the world.

WAKE UP, SLEEPING CHRISTIANS!

It is time to wake up from your slumber ([Isaiah 52:1](#)):
Awake, awake, Clothe yourself in your strength, O Zion...

Stop waiting for things to get worse. Stop waiting for a "big event." It is all happening now, and it is time to get your house in order - no more waiting. Jesus is returning soon, as you can read about in my dreams in various other writings on this site. I have also had two dreams that I have not shared. One was where I was taken to a quarantine camp because I had not taken the mark, and another was about a massive EMP coming.

Quarantine Camp Dream

In this dream, I was in a facility with others who had not taken the mark. I found a friend in the camp, and we tried looking for a place to escape. There was no way, except jumping to our deaths from a very tall building (30+ stories?). Around me, everyone was getting excited to leave and just take "the mark", but I knew I could not take it or I would lose my soul.

In this dream, they had brought in someone I loved very much to "bribe" me to take it, and though my heart was broken, I knew I couldn't do it. I knew my fate. The dream ended.

EMP Dream

In this dream, I was trying to warn others about an upcoming EMP. Everyone was distracted, and no one was listening to me. My nurse friend invited some clowns over, and she was taking selfies with them (the symbolism here is obvious, I think).

I ran out of the house, and I called people, trying to warn them. One of my friends told me he had to work tomorrow, and I said he wasn't going to be able to work, but he wouldn't listen to me. I felt like I was literally in a "clown world" and everyone was completely distracted.

Conclusion

This is the time to repent and get ready. Many of my dreams are telling me to stop being distracted by things of this world, and I believe that message is for anyone reading this now. This is the end times, and it is time to get our [white garments](#) ready.

May God bless anyone reading.
