The Catholic Church Is an Impotent Performative Theology That Has Done Tremendous Damage to the Church of Christ, along with the Mormons and Jehovah's Witnesses

The other day, I was in one of those old Spanish mission cathedrals, and the bouncers at the front told us we couldn't go in because they were in the middle of a service. Now, this is because the Catholic church is a **performative religion** that has rotted from the inside out, corrupted by those within power many centuries ago.

As far as I can tell, the Vatican is a state-sponsored child sex trafficking ring. The damage they have done to the mission of Christ with their overt corruption and perverse actions could never be overstated. They are a force for evil and have been a haven of demons and vipers for a long time.

Speaking of Vipers, have you ever seen the inside of the Vatican?

Look Familiar?

**Now the serpent was more crafty than any of the wild animals the LORD God had made. He said to the woman, “Did God really say, ‘You must not eat from any tree in the garden?’”
Genesis 3: 1**

The statue at the Vatican behind the Pope sitting on his throne is a miscarriage of beauty and a demonic abomination that no person in their right mind would ever commission:

Their obsession, and indeed, even worship of Mary is completely ridiculous and unfounded in any Biblical principles whatsoever.

Jesus' Mother and Brothers

While Jesus was still talking to the crowd, his mother and brothers stood outside, wanting to speak to him. Someone told him, "Your mother and brothers are standing outside, wanting to speak to you."

He replied to him, "Who is my mother, and who are my brothers?" Pointing to his disciples, he said, "**Here are my mother and my brothers. For whoever does the will of my Father in heaven is my brother and sister and mother.**"

Matthew 12: 46-50

It's clear from this passage that venerating Jesus' mother on a deistic level as the Marian Catholic cult does goes strictly against his teachings, and the whole idea is quite simply absurd from a Christian perspective. Indeed, when you look into it more closely, you will find that Catholic Marian worship is simply a resurrection of Venus worship, and other paganistic Goddess cults like that of Aphrodite.

Ever heard of the Rosary? Did you know that the rose is [explicitly linked to the cult of worship surrounding the deity Venus?](#)

Venus was the Roman Goddess of love, sex, and fertility, and her symbol was the rose.

That being said, I do think the [Miracle of the Sun](#) and the Secrets of Fatima are veridical events.

The Miracle of the Sun also known as the Miracle of Fátima, is a series of events reported to have occurred miraculously on 13 October 1917, attended by a large crowd who had gathered in [Fátima, Portugal](#), in response to a prophecy made by three shepherd children, [Lúcia Santos](#) and [Francisco and Jacinta Marto](#). The prophecy was that the [Virgin Mary](#) (referred to as [Our Lady of Fátima](#)), would appear and perform miracles on that date. Newspapers published testimony from witnesses who said that they had seen extraordinary solar activity, such as the Sun appearing to "dance" or zig-zag in the sky, careen towards the Earth, or emit multicolored light and radiant colors. According to these reports, the event lasted approximately ten minutes.

Estimates of the crowd on that day vary from 30,000 to 100,000, and it was certified by bishops, the papal legate (representative of the pope), priests, a cardinal, the pope himself, along with thousands of people, among them professional scientists and researchers.

Wikipedia describes the event as follows:

Descriptions of the events reported at Fátima were collected by Father John De Marchi, an Italian Catholic priest and researcher. De Marchi spent seven years in Fátima, from 1943 to 1950, conducting research and interviewing the principals at length.^[24] In *The Immaculate Heart* (1952), De Marchi reported that, "[t]heir ranks (those present on 13 October) included believers and non-believers, pious old ladies and scoffing young men. Hundreds, from these mixed categories, have given formal testimony. Reports do vary; impressions are in minor details confused, but none to our knowledge has directly denied the visible prodigy of the sun."^[25]

De Marchi authored several books on the subject, such as *The True Story of Fátima*. They include a number of witness descriptions.

- "The sun, at one moment surrounded with scarlet flame, at another aureoled in yellow and deep purple, seemed to be in an exceedingly swift and whirling movement, at times appearing to be loosened from the sky and to be approaching the earth, strongly radiating heat." — Dr. Domingos Pinto Coelho, writing for the Catholic newspaper *Ordem*.^[26]
 - "... The silver sun, enveloped in the same gauzy grey light, was seen to whirl and turn in the circle of broken clouds ... The light turned a beautiful blue, as if it had come through the stained-glass windows of a cathedral, and spread itself over the people who knelt with outstretched hands ... people wept and prayed with uncovered heads, in the presence of a miracle they had awaited. The seconds seemed like hours, so vivid were they." — Reporter for the Lisbon newspaper *O Dia*.^[25]
 - "The sun's disc did not remain immobile. This was not the sparkling of a heavenly body, for it spun round on itself in a mad whirl when suddenly a clamor was heard from all the people. The sun, whirling, seemed to loosen itself from the firmament and advance threateningly upon the earth as if to crush us with its huge fiery weight. The sensation during those moments was terrible." — De Marchi attributes this description to Dr. Almeida Garrett, Professor of Natural Sciences at Coimbra University.^[27] Theologian Father [Stanley L. Jaki](#) wrote that it was actually given by Dr. José Almeida Garrett, a young lawyer, and is often mistakenly attributed to his father, a [professor](#) of [natural sciences](#) at the [University of Coimbra](#),^[16] named Dr. Gonçalo de Almeida Garrett.^[28]

Now, this is a very strange event, made even stranger by the fact that it was prophesied by three shepherd children who claimed to have had a prophetic Marian vision. In this vision, they were told three secrets, the third of which has never been fully revealed by the Vatican, though they may claim otherwise. This all took place a little over a hundred years ago, in 1917, just after the false flag sinking of the Lusitania, which would usher humanity into the Three World War conspiracy that we are currently in.

The main point you can take away from the [two publicly revealed secrets](#) is that they warned of Russia spreading her errors across the world if she was not consecrated to the Church. Russia was not consecrated, and suffered devastating effects from atheistic revolutions that *very same year* that left her population decimated and cities reduced to ruin, along with most of the rest of Europe.

The effects of World War I also saw massive geopolitical shifts like the Balfour Declaration, [negotiated by the Rothchild family](#), which led directly to the fulfillment of Biblical prophecy in 1948 with the creation of the State of Israel, placing the world firmly at the beginning stages of Christian eschatology. Indeed, the world did not heed the warning of Fatima, and we will soon see the conclusion of this story. Russia, especially today, is exceeding even beyond the wildest expectations in spreading her errors around the world, as we draw nearer to World War III every day.

The existence of this conspiracy that controls every facet of our existence is manifest, obvious, and has been in existence for at least a century. In that time, the world has seen unprecedented changes and we are currently hurtling at lightspeed towards World War III, another false-flag like 9/11, and the real beginning of the end.

Today, American agents [showed up in Milan, and “arrested” the son of a Russian governor](#). Now this is just ridiculous - we can't just go around like some kind of global vigilantes in sovereign countries abducting foreign nationals. I believe this is called "poking the bear". Really, starting to carry out paramilitary kidnapping operations on the children of powerful Russians in other countries like Italy is such a spectacularly bad idea that it could only be the product of the usual suspects - the Synagogue of Satan.

Yesterday, the media could be found [enthusiastically wagging the dog like usual](#), parroting Pentagon scripts about Iranians who are now fighting with Russia in Crimea.

Washington — The White House said Thursday that the U.S. has evidence that Iranian troops are "directly engaged on the ground" in Crimea supporting [Russian drone attacks](#) on Ukraine's infrastructure and civilian population.

If you don't see where this is going, you haven't been paying attention at all for the last hundred years or so. A new false flag will happen soon, and we will be inexorably drawn into a horrifically destructive conflict that will cause the utter collapse of society as we know it.

From the ashes, the Luciferian Synagogue of Satan and their minions in the government, Freemasons, and other various sycophantic groups plan to resurrect an impermeable biosecurity state - **vaccine required, of course**. Of course, we know from Revelation that this plan will not come to fruition, but will end in Judgment Day, where each gets a fair recompense for his thoughts, beliefs, and actions.

The plot thickens. Today, the president of Ukraine accused Russia of [plotting to blow up a dam](#) that is three kilometers wide and would flood several villages and up to hundreds of thousands of people.

Interestingly, Zelensky accused Putin of planning a [“false flag” style event](#).

President Volodymyr Zelensky of Ukraine has warned that Russia was preparing a **“false flag”** operation to blow up a large hydroelectric dam in the south of the country, potentially flooding 80 towns, villages and cities, including the strategically important city of Kherson.

Now, who’s false flagging who? The people who did 9/11, or the guy who [blew up a bunch of apartments and blamed it on the Chechens to get into power](#)? **Oh wait, they’re all in on it together - and we get the short end of the stick every time.**

More than two decades ago, a series of deadly apartment bombings, purportedly by separatists, drew Russian troops into war. Then-Prime Minister Vladimir Putin’s popularity surged [in the wake of his response](#) to the terrorist attacks. He soon became Russia’s president.

In the many years since 1999, allegations have lingered that the attacks on Russian civilians were actually a **“false flag”** carried out by forces loyal to Putin, blamed on Chechen militants to ensure his grip on power. For many in the Russian opposition, the apartment bombings were to Putin’s Russia what the Reichstag fire was for Nazi Germany.

Putin’s false flag apartment bombings bear the clear signature of the Synagogue of Satan’s classic style of deceptive and highly destructive false flags against their own citizens. The crazy thing is that up until recently, the general public was completely unaware of the concept of "false flags" and would angrily deny that such a thing could ever be true, even though there are so many documented examples of them and it's really such a logical, powerful, and obvious idea. This shows their complete lack of understanding on human nature, geopolitical functions, and real-world power plays.

Let's take a look at one of Daniel's prophecies, the [Little Horn Prophecy](#). Daniel outlines a complex series of visions involving various "beasts" which can be seen to accurately represent the kingdoms of the Earth that came after his time, itself a remarkable prophetic feat. These beasts, the same as mentioned in the imagery of Daniel's interpretation of Nebuchadnezzar's dream of the statue, are as follows: the Babylonian-Chaldean empire, the Medo-Persian Empire, the Greek Empire, and the Roman Empire. This is already a highly complex, historically accurate, and verifiable prophecy; however, we can find many more layers within these prophecies.

One example of this is a sub-prophecy of a "Little Horn", generally recognized as representing the Holy Roman Empire. Some of the evidence of this is that in the sequence of events of the "Little Horn's" victory as described is congruent with the victory of the Holy Roman Empire over the other three "horns", which can be seen as the three Goth tribes that dominated Rome in the fifth century, the Heruli, the Vandals, and the Ostrogoths.

Historical records reveal the papacy officially began its reign in 538 A.D. upon Emperor Justinian's decree. In *History of the Christian Church Vol. 3*, we read, "Vigilius...ascended the papal chair (538 A.D.) under the military protection of Belisarius." We read in *Ministry Magazine*, "In 538 A. D., the pope and the church were liberated, and reunited to the imperial state as one 'little horn.'"

Furthermore, this study from the *International Journal of Humanities and Social Science*, titled, *538 A.D. and the Transition from Pagan Roman Empire to Holy Roman Empire*, confirms 538 A.D. as the date of the creation of the Holy Roman Empire and the Roman Catholic Church.

The Roman Catholic Church is, and was, a corrupt and compromised institution, responsible for many heresies and abominations in its time. Some examples of this are when at the Council of Toulouse in 1229 A.D., papal church leaders ruled: "We prohibit laymen possessing copies of the Old and New Testament ... We forbid them most severely to have the above books in the popular vernacular...The lords of the districts shall carefully seek out the heretics in dwellings, hovels, and forests, and even their underground retreats shall be entirely wiped out." In addition, in 1763, Lucius Ferraris stated, "The pope is of so great dignity and so exalted that he is not a mere man...he is as it were God on earth, sole sovereign of the faithful of Christ, chief of kings, having plenitude of power.

Thus, the prophecy is that this "Little Horn", the Holy Roman Empire, would rule over God's people and commit many blasphemies, such as the above, for "a time, times and half a time", when it would then suffer a grievous wound. In Biblical prophecy, a time is equal to a year, a times is equal to two years, and half a time is equal to half of a year. As usual, each day represents a prophetic year, and each year is 360 days. Thus, we must multiply 3.5 by 360, which gives us 1260 years.

If we look forward in the historical record by 1260 years from the year 538 B.C., we end up in 1798 A.D., when a French general under Napoleon imprisoned the pope, the head of the Catholic Church- an integral part of the "little horn". According to the *World History Project*, "General Berthier marched to Rome, entered it unopposed on 10 February, 1798, and, proclaiming a Roman Republic, demanded of the Pope the renunciation of his temporal authority. Upon his refusal he was taken prisoner." This constitutes the prophetic fulfillment of Daniel's "Little Horn" prophecy."

The Catholic church is an abomination, and no sane person should support them. Christian churches are hardly better these days, as they have also become impotent, weak, and performative. Too many churches easily bowed down to Nebuchadnezzar's statue and closed their doors at the slightest hint of pressure from the government when the state-sponsored false flag event of "Covid" was used to strip people of their [rights, freedoms, and bodily autonomy over a virus with a 1% mortality rate](#). The Covid false flag also ushered in a biosecurity state, enforced through doctors, mandates, and willing citizens, that has now witnessed the implementation of the Mark of the Beast - an injectable type of gene therapy.

My advice - read your Bible, don't add anything to it or take anything away, and place your full trust in the blood of Jesus Christ. Seek Him, and you will be found.

Don't even get me started on Mormons or Jehovah's Witnesses. Catholics - I think, for the most part, will still be saved despite the grave error of their ways, because they do openly proclaim Jesus as Lord. Besides, I am not the judge - only God is.

Now this whole Mormon thing is the most ridiculous thing I've ever heard of. Joseph Smith was a [known conman](#) who most likely bribed some people into starting a fake religion with him. He was [arrested 42 times](#), mostly for various types of fraud, and was "subjected to 30 criminal actions in his life". His gamble played out well, as the Mormon church functions successfully as a mafia, controlling and dictating the financial future of over 15 million people.

His story is ludicrous nonsense. How any rational person could fall for this farce of a theology is beyond my understanding.

[The Golden Plates:](#)

According to [Latter Day Saint](#) belief, the golden plates (also called the gold plates or in some 19th-century literature, the golden bible)^[1] are the source from which [Joseph Smith](#) translated the [Book of Mormon](#), a sacred text of the faith.^[2]

Smith said that he found the plates on September 22, 1823, on [a hill](#) near his home in [Manchester, New York](#), after the [angel Moroni](#) directed him to a buried stone box. He said that the angel prevented him from taking the plates but instructed him to return to the same location in a year. He returned to that site every year, but it was not until September 1827 that he recovered the plates on his fourth annual attempt to retrieve them. He returned home with a heavy object wrapped in a [frock](#), which he then put in a box. He allowed others to heft the box but said that **the angel had forbidden him to show the plates to anyone until they had been translated from their original "[reformed Egyptian](#)" language.**

Smith dictated the text of the plates while a scribe wrote down the words which would later become the Book of Mormon. **Eyewitnesses to the process said Smith translated the plates, not by looking directly at them, but by looking through a transparent [seer stone](#) in the bottom of his hat.**[\[5\]](#)

Smith published the first edition of the translation in March 1830 as the Book of Mormon, with a print run of 5,000 copies at a production cost of \$3,000 (or 60 cents per book). Smith eventually obtained testimonies from 11 men who said that they had seen the plates, known as the [Book of Mormon witnesses](#).[\[6\]](#)[\[7\]](#) **After the translation was complete, Smith said that he returned the plates to the angel Moroni; thus they could never be examined.** Latter Day Saints believe the account of the golden plates as a matter of faith, while critics often assert that either Smith manufactured them himself[\[8\]](#) or that the Book of Mormon witnesses based their testimony on visions rather than physical experience.

So you're telling me that nobody else saw the "Golden plates", "reformed Egyptian" isn't even a real language, and he used a literal hat trick and "seer stone" to come up with his "Book of Mormon". Give me a break.

Jehovah's Witnesses commit several serious blasphemies and, arguably, blasphemy of the Holy Spirit in many of their beliefs, since they [deny the divinity of Christ](#). Here's a neat link with [10 anti-Biblical Jehova's Witness beliefs](#) that contradict the Bible and the Word of God.

Be not fooled by these wolves in sheep's clothing. Stick to you, your Bible, Jesus Christ, and God, and you'll be ok. And like I said - don't take anything out of the Bible and don't add anything in. If you're making up your own wild exegesis of the Bible, you're doing it wrong.

Rant #2.) Apocrypha is Not a Valid Source for Biblical Arguments

I've noticed a recent trend of people citing Apocryphal books and disingenuously not pointing out that they're doing so. Those who are unfamiliar with the Bible might not be able to recognize Apocryphal books like Thomas or Esdras. This leads them on the incorrect path, and potentially to destruction.

Christians need to avoid straying outside of the Bible the way it is. There are 66 books for a reason (see *In Defense of the Apostle Paul* for more), and the text of the Bible **as it is** contains what could essentially be called **literary sacred geometry** in the form of Equidistant Letter Spacing codes that prove supernatural authorship of the Bible. These codes necessitate divine intervention, and are impossible to have been faked, especially given that they came together over about 1600 years.

Don't add or take away from the Bible. Remember Jesus' words in Revelation:

And if anyone takes words away from this scroll of prophecy, God will take away from that person any share in the tree of life and in the Holy City, which are described in this scroll.

This could easily be extended as a mandate towards the Bible as a whole. Don't risk it.

It's also a dishonest and disingenuous way to find sources that support controversial viewpoints, such as this verse from the apocryphal Gospel of Thomas in which Jesus appears to advocate violence:

Jesus said, "Blessed is the man who recognizes [which] district the brigands are going to enter, so as to arise, gather (the forces of) his domain, and arm himself before they enter."

Teaching this as Christian Canon leads people down a dangerous and destructive path and is intentionally deceptive. The church needs to avoid starting to commonly cite Apocrypha, although just as the Catholic Church retains some value, there is some valuable material within them and they are well worth reading.

Rant #3.) The Most Shameful, Cowardly, and Brainwashed Generations in History

The anthem of the baby boomers, and indeed all generations after them, should be *I'm Only Sleeping*, written by John Lennon:

When I wake up early in the morning
Lift my head, I'm still yawning
When I'm in the middle of a dream
Stay in bed, float up stream (float up stream)
Please, don't wake me
No, don't shake me
Leave me where I am
I'm only sleeping
Everybody seems to think I'm lazy
I don't mind, I think they're crazy
Runnin' everywhere at such a speed
'Til they find there's no need (there's no need)
Please, don't spoil my day
I'm miles away
And after all
I'm only sleeping

Time to wake up from your slumber! Under your nose, an insidious and malevolent conspiracy spearheaded by the Synagogue of Satan, an international organized crime syndicate responsible for 9/11 and almost every other major atrocity of the 20th century, has placed the world in a stranglehold. Political, economic, and social reins are being pulled so tightly that they will snap.

To close, here's another fun excerpt from [Silent Weapons for a Quiet War](#):

Preface

Conspiracy theories are nothing new to history. Plots to "kill Caesar" and overthrow Rome abounded, for instance. However, it is seldom that concrete clues to such plots come to light, and are generally known.

Silent Weapons for Quiet Wars, An Introduction Programming Manual was uncovered quite by accident on July 7, 1986 when an employee of Boeing Aircraft Co. purchased a surplus IBM copier for scrap parts at a sale, and discovered inside details of a plan, hatched in the embryonic days of the "Cold War" which called for control of the masses through manipulation of industry, peoples' pastimes, education and political leanings.

It called for a quiet revolution, putting brother against brother, and diverting the public's attention from what is really going on.

The document you are about to read is real. It is reprinted in its virgin form, with diagrams, as a touch of reality.

Economic Shock Testing

In recent times, the application of Operations Research to the study of the public economy has been obvious for anyone who understands the principles of shock Testing.

In the shock testing of an aircraft airframe, the recoil impulse of firing a gun mounted on that airframe causes shock waves in that structure which tell aviation engineers the conditions under which some parts of the airplane or the whole airplane or its wings will start to vibrate or flutter like a guitar string, a flute reed, or a tuning fork, and disintegrate or fall apart in flight.

Economic engineers achieve the same result in studying the behavior of the economy and the consumer public by carefully selecting a staple commodity such as beef, coffee, gasoline, or sugar, and then causing a sudden change or shock in its price or availability, thus kicking everybody's budget and buying habits out of Shape. They then observe the shock waves which result by monitoring the changes in advertising, prices, and sales of that and other commodities.

The objective of such studies is to acquire the know-how to set the public economy into a predictable state of motion or change, even a controlled self-destructive state of motion which will convince the public that certain "expert" people should take control of the money system and reestablish security (rather than liberty and justice) for all. When the subject citizens are rendered unable to control their financial affairs, they, of course, become totally enslaved, a source of cheap labor.

This plan is well underway. Take heed and surrender your life to Christ, as the time of this world is drawing to a close. By the way, [there's no rapture coming to save you.](#)

However, we can take heart. God has created an amazing, mind-blowingly intricate and cool plan here, and we are watching it finally come to fruition. Like Paul says, rejoice, always rejoice. There's no one that is more worthy of love and worship than the Creator God as shown to us through the Bible, and his son Jesus Christ, who suffered and died for us on the cross.

Death has been conquered, and it holds no fear for us. The Bible holds the ontological and epistemological high ground over atheists or any other religion, and what it says is the best news ever told to mankind.

God had high hopes when he sent his son, even though he knew what would happen.

“Glory to God in the highest, And on earth peace, goodwill toward men!”

Now, who's fault is this mess around us: God's or Satan's? It's a trick question, it's plain and simple our own fault. As far as we know, every murder, every rape, every torture, all the horrific acts we see around us on a mass scale every day, were committed exclusively by human hands.

These people are sleepwalking into a trap from which there is no way out.
