“The actions and events taking place at the Capitol are disgusting, unacceptable and reprehensible. We are a country that prides itself on the peaceful transfer of power. The words and actions by President Trump have continued to inappropriately sow unfounded doubts in the election. The Republican Party is bigger than just one person. Let me be clear – as Chairwoman of the Onondaga County Republican Party I condemn and denounce the words and actions of those who have attacked our Capitol. The Onondaga County Republican Party does not support, at any time, violence, vandalism or threatening the safety of our elected officials and vehemently rebukes what is taking place in D.C. right now.”
