

Cancellation Policy

In order to better serve all of our valued patients and to ensure the smooth running of our clinic, we implement a charge for missed appointments.

Appointments must be cancelled or rescheduled at least 24 hours in advance.

Missed appointments or cancellations made with less than 24 hours' notice will incur a charge of 100% of the appointment fee.

This policy allows us to better manage our schedule and provide timely services to all our patients. We understand that sometimes unforeseen circumstances arise, and we will consider exceptions on a case-by-case basis.
