

IGNITE TOOL: Student-Led Community STEAM

Project Ideas

When students take action in their schools and neighborhoods, they spark real change. Community projects help young advocates turn ideas into impact.

Project Ideas

- School Beautification Project
- STEAM Saturday
- Student Tech Help Desk
- Kindness Rock Garden
- Water Bottle Reduction Challenge
- School Mural or Inspiration Wall
- Maker Faire Showcase
- Peer STEM Tutoring
- Community Clean-Up Day
- Little Free Library Build

Project Planning Template

Project Name:

What problem does this address?

Who benefits?
