**A Video Webinar**  
**"How to Use the Free Electronic Version of**  
**The Numbers: One Approach Spreadsheet"**

**It's out!**

After much development,  
*The Numbers: One Approach Spreadsheet* (electronic version)  
is now available **online!!!**

Available for download or online use in two popular software versions, these spreadsheets are based on the original Conference-approved booklet designed to provide specific assistance to DA members seeking ideas about how to set up financial records.

We understand that not all DA members may have a working knowledge of spreadsheet software. While DA does not offer formal support for the use of the spreadsheets, this year's 2024-25 WSC Tech Committee is hosting a fellowship-wide webinar on how to use Numbers: One Approach in your spending plan on
