

## From the Editor...

This is my third edition of the Highwood Breeze since taking on the role of editor, and I am thoroughly enjoying it! One aspect I like most is the fact that I've had the chance to meet so many more people from the community. There are a lot of enthusiastic people on the Board and within the community as a whole. If you have an interest in what's happening in Highwood or have something to bring to the Board, I invite you to join us at our meetings: 7:30 PM at the Community Center, the 2<sup>nd</sup> Tuesday of each month. They're always informative and fun.

Here's a brief look at what's coming up this month and beyond:

- We will likely be changing the date for the 50<sup>th</sup> Anniversary Party/celebration of Alberta's Centennial. I have changed the date in the ad so that it reads "TBA." As soon as we finalize the date, I will print it in the Breeze.
- Community Membership has doubled! Great work, Terry and all of the volunteers!
- We are looking for "original" residents of Highwood! If you are or know of someone who lived here when Highwood was "born," please contact us/have them contact us. We would like to highlight our original residents at the anniversary celebration as well as in future Breeze editions.
- **June 11<sup>th</sup>: June Community Fair.** We will be having an event similar to what took place last year. More details will be in the May Breeze.
- Pool info will be in the May Breeze as well.

I attended the Death by Chocolate, put on by the Highwood Community Kindergarten on March 19<sup>th</sup>. Thanks to everyone who came, brought chocolate treats and supported the silent auction.

Also, a **HUGE thank you to UCT, who presented the Highwood Community Kindergarten with a cash donation at our last community meeting.**

Finally, regarding advertising! Please check the ads in the newsletter and support our local businesses. I have had queries regarding sizes and prices of ads: the price list on the previous page is a guideline. If you would like an ad that is larger or smaller than the sizes listed, I can adjust the prices accordingly. Garage sale season is coming up! If you'd like to advertise your garage sale I can do smaller ads (similar to the size you would see in the regular newspapers).

Happy Spring,

*Lorna Stuber*
