We're off to a *Winning Start*

What a Kickoff... and exciting start to our ACES adventure in Las Vegas! We were absolutely thrilled to welcome you to the **ACES VIP** Hospitality Center—our hub for fun, connection, and a little bit of Vegas magic.

We hope you enjoyed the refreshments and snapping selfies with Elvis while catching up with friends and business associates. It was great to see so many of you diving into the casino workshops—whether it was learning the ropes of blackjack, testing your luck at craps, or calculating the odds at the roulette wheel. The instructors said you were one of the most enthusiastic groups they've ever worked with and truly enjoyed sharing their tips and expertise.

And hey—if those new skills lead to a big win on the casino floor, we expect to hear all about it!

Many of you turned in your earned chips for prize tickets and placed them into the boxes of your choice. Good luck in Thursday night's drawing at AREA15—*fingers crossed that Lady Luck is on your side!*

To help capture the spirit of this unforgettable trip, we've taken plenty of photos, and they'll be shared in the Whova app, along with schedule updates and other important info throughout the event. Don't forget to check them out—and we'd love to see yours, too!

Post and share your favorite moments, questions, comments, and kind words on the app and on your personal social media using **#ACESgoingplaces** so we can all enjoy the memories together.

And the best part... we're just getting started!

For assistance, the **ACES VIP** Hospitality Center is open each day throughout the trip.

- Thursday: 7:00 AM – 4:00 PM
- Friday: 7:00 AM – 4:00 PM
- Saturday: 5:00 AM – 1:00 PM

With VIP Adventures beginning today, we encourage you to check your tickets for times, dress/shoes and ID requirements.

An evening of *Intrigue*

Vegas magic unleashed...

Our first night in Las Vegas truly set the stage for an unforgettable **ACES VIP** experience! It was clear everyone had an amazing time at Intrigue—one of the city's most exclusive venues, tucked inside our host hotel, the luxurious Wynn.

From the moment you stepped in, the atmosphere was electric... music, lights, and excitement in the air! The dramatic, water fountain in the center created a dazzling backdrop to highlight ACES and give you an idea of the fun to come.

A delicious spread was shared by all—from fresh paella and tacos to perfectly roasted vegetables, tender beef and truffle mash potatoes. There was something for every palate, and plenty to go around. And who could resist the multi-tiered chocolate fountain with all of the delicious fruits, rice crispy cakes and even bacon to smother! The signature tropical cocktail, was a crowd favorite that added the perfect touch of flair to the evening.

Our entertainment was next-level, from elegant showgirls and jaw-dropping contortionist's to a master close-up magician who wowed us with sleight-of-hand illusions. The aura readers were a unique highlight, giving guests personalized insights, and the glam station was a hit with lashes, shimmer, and sparkles galore! And over at the cigar bar, our torcedor showed off her incredible skills in hand-rolling cigars, much to our delight.

We especially loved seeing so many of you take to the dance floor, where the music and mood kept the party alive well into the night. Your energy was contagious, and it was clear, *ACES VIPs really know how to celebrate!*

This memorable evening set the tone for the amazing adventures still to come. Thank you again for being part of our **ACES VIP** celebration. We are honored to host you, grateful for your partnership, and excited for everything ahead.
