VEGAS News!

Day 2: Adventures, Discovery and Unforgettable Moments!

Day two of our **ACES VIP** experience delivered a full spectrum of excitement, exploration, and unforgettable moments! From adrenaline-pumping excursions to relaxing escapes, there was truly something for everyone.

Y'all set off in all directions—some dared to kick up desert dust on the rugged ATV adventure, while others hit top speeds behind the wheel of exotic cars during the thrilling Speed Vegas driving experience. For those drawn to awe-inspiring sights, the Black Canyon River Float and the behind-the-scenes Hoover Dam Power Plant Tour delivered natural beauty and engineering marvels.

History buffs and curious minds uncovered the fascinating (and slightly infamous) side of the city with a visit to The Mob Museum—complete with gangster tales and moonshine tasting—while others took on the Las Vegas City Tour and Scavenger Hunt, discovering hidden gems and iconic landmarks along the way.

And of course, many of you chose to indulge in some well-earned relaxation, soaking up serenity at the luxurious Wynn Spa or lounging poolside in style.

Whatever adventure you chose, we're confident it left a lasting impression. Our expert planning team worked hard behind the scenes to ensure every detail was designed to delight and inspire – just for you!

Lights, Energy, ACES and

Area15

Night 2: Into the Asylum!

The Asylum Arcade was open and ready for an evening filled with neon colors, games, music, great food, and an evening full of surprises!

Just a quick shuttle from the Wynn to AREA15, and we were transported to an out-of-this-world destination.

Kicking things off with Cosmo Girl handing out glow gear and then everyone playing arcade games, and enjoying the appetizers, it was time to get the party started!

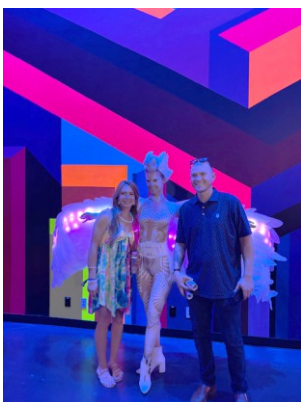

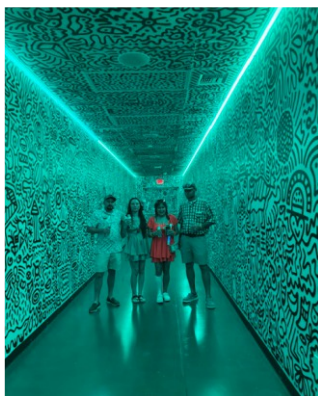

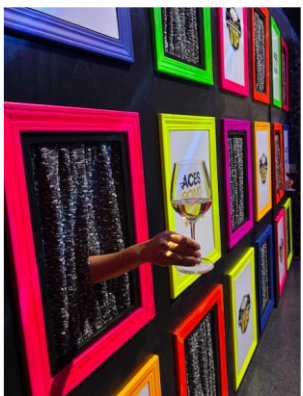

Greeted by a fantastic zebra on stilts and a beautiful white bird with open wings, our performers posed for countless photos and even brought their energy to the dance floor!

Walking down the black-and-white corridor created by Las Vegas artist Pretty Done, we entered the Portal, where helping hands welcomed us with red and white wine, and the buffet was brimming with delicious fare. Adventurous guests made a beeline for the neon oxygen bar, cotton candy and candy bar, and even the robot-drawn mini portraits.

The Raiders House Band struck up an irresistible beat (what a horn section!), and the walls came alive as we recognized our Diamond Sponsors, **Siemens** and **Legrand**, and highlighted our extraordinary ACES Team Members and **VIP** Customers!

With signature alien cocktails in hand, glowing gear, and flashing light sticks lighting up the room, we danced the night away with line dancing, sing-alongs, and more!

Thank you to everyone who brought your energy and excitement to another unforgettable night. Your enthusiasm is what makes these moments so special, and we can't wait to see you again tomorrow for even more incredible memories!
