

Eden Campground Layout

RV Sites

- 32 campsites are indicated by number on the map above.
- Sites are for campers or RV's, neither car nor tent camping are allowed.
- All sites have 30/50 amp electric and water, some are on septic. Lots on septic are indicated in red.
- Not all sites are level nor will all sites accommodate larger units, management can clarify at time of reservation if a particular site will fit your needs.
- Lot 2 is pictured.
