Transportation eligibility is determined by the transportation zone in which you live. The county is divided into three transportation zones: violet, blue and green. Magnet schools are assigned a zone to serve with transportation. Some programs provide county-wide transportation, meaning that regardless of your zone, you would receive transportation. For more information please contact Charlotte-Mecklenburg School Transportation Services at [\(980\) 343-6715](tel:9803436715).
