

# WSU Stadium WARRIOR WALKWAY

## PAVE THE WAY

Show your Warrior pride with a personalized brick in our new stadium. Warrior alumni, fans, and friends can help renovate the stadium by purchasing a part of it. In recognition of a gift, the university will engrave a message on a brick in the stadium's new entrance. These bricks will be a permanent feature in our Warrior Walkway, through which all athletes, fans, and guests will enter the stadium.

A personalized inscription is a great way to recognize and honor WSU alumni, Warrior fans, and family.

Bricks can be further customized with the Warrior Athletics logo, class years, special dates, quotes, or the names of a business or organization.

### WSU STADIUM

We've outgrown our home in the existing 1930s structure.

The renovation will maximize existing space, improve seating, concessions, restrooms, locker rooms, score board, and entry points into the stadium. A new, state-of-the-art athletic facility will serve the university, the city of Winona, and beyond. All brick sale proceeds will support stadium renovations.

#### FUTURE LOCATION OF THE WARRIOR WALKWAY
