## What is Wind Turbine Syndrome?

**Need a crash course on WTS?** If you've got only 10 minutes and you want to know what all this "Wind Turbine Syndrome" stuff is about—read "[Inconvenient Truths](#)," by Pierpont. Short and to the point. (Click [here](#) for Pierpont's curriculum vitae.)

If you've got another 20 minutes to spare, read "[Wind Turbine Syndrome: A Twenty-Minute Crash Course](#)."

If you want the latest clinical thinking on WTS, read "[Wind Turbine Syndrome and the Brain](#)," likewise by Pierpont.

If you want more detail, but in plain English, read "[Your Guide to WTS](#)."

If you're interested only in the noise and vibration from turbines, read "[How Loud Is Too Loud](#)," by Kamperman & James, two distinguished noise engineers.

If you want to read more, scroll down the page and start reading by topic—whatever topic interests you.
