Location : Ruigoord: Amsterdam:

Quote: From Simion Blom

“I am honoured to do the opening of this special exhibition.
It is special because it is located at Ruigoord. One of the cultural pearls we have in our City.
With this exhibition, the Renowned Margin Art & Media bring some of the best artists to Amsterdam/ Ruigoord.
The teaser clip appeals to my imagination and I am more then ready to be amazed by the exhibition. “
