RE: Official Uniform Transition Reminder
2026–2027 School Year

Dear St. Peter & St. Paul Catholic School Families,

This letter serves as an official reminder regarding the school uniform transition that began this academic year.

Prior to the start of the 2025–2026 school year, families were informed that our school uniform was being updated, including the adoption of a new school logo and revised uniform requirements. Families were given one full school year, 2025–2026, to transition to the updated uniform.

Please note the following:

- The 2025–2026 school year is the final transition year.
- Beginning in the 2026 - 2027 school year, all students will be required to wear only the updated uniform with the new school logo.
- Uniform items with the previous logo or that do not meet the updated requirements will be considered out of compliance starting in 2026–2027.

This transition timeline was intentionally established to allow families time to plan while ensuring a consistent, unified, and professional appearance across our student body. As families prepare for future uniform purchases, please do so with the 2026–2027 requirement in mind.

Additional reminders will be shared as we approach the next school year. Thank you for your continued cooperation and partnership as we work together to uphold school expectations and foster a strong sense of community and school pride.

Sincerely,

Mrs. Diana Armenta
Principal
