WELCOME TO ST. PETER AND ST. PAUL CATHOLIC SCHOOL

Dear Parents,

We extend a warm welcome to all the families who have chosen our school as the place to have their child educated. As their child's primary teacher, we look to parents to communicate their needs to us. We are here to support you, not replace or correct your influence. This Parent/Student Handbook reflects the policies of St. Peter and St. Paul Catholic School for this school year. Please read this handbook carefully and sign the attached agreement, returning it to the school office. May God bless and guide us both in our awesome task of educating our youth.

~ St. Peter and St. Paul Catholic School Staff

SCHOOL PHILOSOPHY

St. Peter and St. Paul Catholic School is an educational ministry of St. Peter and St. Paul Parish. Clergy, school administration, faculty, and staff work in cooperation with parents to impact students with the message of hope. Our school strives to help young students develop a lifelong desire for learning and a sincere love for God. Smaller class sizes allow teachers to develop high academic standards while meeting the needs of each student.

We provide students with frequent opportunities to share in the sacraments and traditions of the Catholic Church. Parent involvement is required to ensure student success, family faith development, and the essential connection between school and home. Our students are the future leaders of the Church and society. To prepare them for this responsibility, we challenge students to develop a life of prayer and become effective communicators with strong academic skills.

MISSION OF THE SCHOOL

The purpose of St. Peter and St. Paul Catholic School is to provide a faith-based educational environment for all students. Teachers act as facilitators to motivate students to take responsibility for their actions, their goals, and their lives. Together with parents, we strive to generate an enthusiasm for learning that promotes spiritual, social-emotional, intellectual, and physical growth that will prepare students for their future in our Catholic Church and our society.

HISTORY OF THE SCHOOL

The idea of a Catholic preschool in the Alta Loma area began in 1983 with the vision of Father Charles O'Connor, then-pastor of St. Peter and St. Paul Catholic Church. By the fall of 1984, the new parochial preschool opened its doors to parish families and the local community with the help of seed money from parishioners, the local Knights of Columbus, and St. Peter and St. Paul Parish Bridge Club. A kindergarten class – complete with 20 students – was added the following year, and the education program was officially renamed St. Peter and St. Paul Catholic School in 1985.

From the start, St. Peter and St. Paul Catholic School was designed to be a place where students' education and religious upbringing would thrive together. The school founding director, Mrs. Joanne Martin, established a teaching philosophy centered on hands-on, developmental learning, and a faith-based curriculum. The school continues to embrace this philosophy of learning today.

Our school has achieved several milestones since its inception. The preschool received its initial accreditation with the National Association for the Education of Young Children in 1991. In August 2010, a first-grade class was incorporated into the school, thanks to the support and vision of former pastor Father Patrick Kirsch. As we begin this school year, we have expanded our footprint to include our first 8th grade and graduating Class of 2020.

In May 2012, St. Peter and St. Paul Catholic School was recognized as a Full Candidate for Western Catholic Educational Association (W.C.E.A.) Accreditation. Our school is in good standing with WCEA/WASC accrediting agencies and received full accreditation in February of 2021.

Students and school staff also give their attention toward being active in the community and in philanthropic efforts that benefit young children and their families. These activities may include a 100 Mile Club Kickoff, Mary's Mercy Center donations, Thanksgiving can food drive and other community events as determined by Administration.

In recent years, the school has also expanded to include before and after-school care for their students. Today, St. Peter and St. Paul Catholic School lists twelve classroom teachers, five instructional aides, three co-curricular teachers (Spanish, P.E., and S.T.E.M), four support staff and Administrators, and a custodian, as its faculty and staff.

Thanks to the generosity of many parishioners, donors, sponsors, graduates, and families, St. Peter and St. Paul Catholic School continues to thrive and grow. Administrators and staff look forward to a bright future in which area families can receive a high-quality Catholic education.

ADMISSION

All new incoming students are admitted as follows:

Priority I - Students whose families are registered and active parishioners of St. Peter and St. Paul Parish, who attend Mass regularly, with forms and fees submitted by the required dates.

Priority II - Transferring Catholic school students whose families register in the parish and become active.

Priority III - Other students who, by their behavior and attitude, demonstrate an acceptance of the philosophy of St. Peter and St. Paul Catholic School.

All NEW students are admitted on academic and conduct probation so that our school can determine whether the school is able to meet the needs of your child. The school may require testing of all new students. Returning students are always given a priority registration period for each new school year.

EMERGENCY INFORMATION

Emergency forms are sent home in each registration packet or at the beginning of the school year. These must be completed and returned immediately. All students must have an emergency form on file in the office throughout the school year. Two persons should be named to be contacted in the event of an emergency if the parents cannot be reached. In case of illness or accident, the school will call the home telephone first. Please remember to sign your card and PLEASE NOTIFY OUR OFFICE OF ANY CHANGE OF INFORMATION, AS IT OCCURS, FOR BOTH WORK AND HOME!

FINANCIAL POLICIES

Registration, tuition, and extended care fees are stated in the School's *Financial Agreement*. Tuition is due on the first day of each month and becomes delinquent after the 10th; delinquent accounts are charged a \$30.00 late fee.

Families are charged \$25.00 for submitting non-sufficient funds check (N.S.F.). Cash must be remitted from that point forward; this includes checks written for tuition, fundraisers, and/or scrip purchases.

A late pick-up fee of \$1.00 per minute is charged when a student is picked up beyond the hours stated on the family's *Financial Agreement* or at the close of Afternoon Extended Care.

FOREIGN EXCHANGE STUDENTS

Our school does accept, based on space availability, students from other countries in foreign exchange programs. The hosting agency must complete an I-20 packet of forms, pay an International Registration Fee along with the usual Registration Fee, and complete all other forms and paperwork required for registration into our school. Additional information may be obtained by contacting the school principal.

HEALTH SCREENING INFORMATION

Health Forms must be completed for every child. These forms are distributed to new students as part of the registration process. If necessary, updated health forms are due prior to the first day of school.

California Law requires each kindergarten student and any new student to have a California immunization record on file. Failure to provide the requested verification of immunization will result in suspension from school.

Prior to acceptance into the Kindergarten or First Grade, each child must have a Report of Diagnostic Examination and School Certificate on file, Form PM 171 A, documenting that the appropriate health screenings were completed during the prior 18 months. Forms are available in the school office.

INSURANCE INFORMATION

The Diocese of San Bernardino requires student insurance for all students. A fee for insurance is included in the initial registration fee. If a student is injured, please request an insurance form from the school office within five days. Injuries received during school-supervised activities, as well as an hour before and an hour after school or while going to and from school, are covered within the limits of the policy. THE SCHOOL INSURANCE PROGRAM IS A SECONDARY CARRIER.

LEARNING DISABILITIES

Students with learning disabilities may be accepted to our school based on the nature and extent of the disability. Students are recommended to the local school district for testing, and then a determination is made by the Principal and teacher as to whether or not our school can meet the student's needs.

NON-DISCRIMINATION POLICY

St. Peter and St. Paul Catholic School admits students of any sex, race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of this school. St. Peter and St. Paul Catholic School does not discriminate based on sex, race, color, national or ethnic origin in the administration of its educational policies, admission policies, financial assistance, and athletic and other administered programs.

Priority will be given to students as listed in the "ADMISSION PRIORITIES" paragraph from above. The administration of St. Peter and St. Paul Catholic School does, however, reserve the right to refuse registration or

re-registration. Where it is evident that parents do not support the school's administration and/or academic, religious, and diocesan policies, the administration reserves the right to terminate a student's attendance.

PARENTAL AGREEMENT

Registration at St. Peter and St. Paul Catholic School indicates a willingness on the part of the parents to actively support the philosophy, goals, and programs of the school. Parents may be asked to withdraw their child from school if they fail to fulfill their responsibilities.

REGISTRATION OF CONTINUING STUDENTS

The re-registration of continuing students takes place annually. In order to re-register for the next school year, the following conditions must be met: 1. Tuition and Fees paid current to date; 2. Family Participation Program and Tuition Support Options met; 3. The child's academic and behavior reports are acceptable; 4. Registration fee paid.

TRANSFER STUDENTS

Students seeking mid-year admission to St. Peter and St. Paul Catholic School should be capable of taking full advantage of the program. Therefore, a student's reasons for wishing to transfer are worthy of consideration and will be asked in an interview with the school principal. New students will be admitted on a probationary basis for whatever length of time deemed necessary and consistent with G.P.A. standards. During this period, the student must give evidence of successful progress both in schoolwork and general behavior.

TRANSFER ON GROUNDS OF PARENTAL BEHAVIOR

The education of a student is a partnership between parents and the school. The administration reserves the right to require the withdrawal of a student if it is determined that the partnership is irretrievably broken. This may occur when parents have been consistently uncooperative with school personnel, policies, regulations, programs or have interfered in matters of school administration or discipline. Parents have the right to appeal, as stated on page 28, *Resolution of Conflict*.

WITHDRAWAL POLICY

Withdrawal from St. Peter and St. Paul Catholic School becomes OFFICIAL when the parent or guardian sign a withdrawal form provided by the office. If the student is leaving in the middle of a trimester, the teachers and staff will summarize the student's progress and enter information into the student's permanent file for forwarding to the next school. Refunds are NOT granted for Fees, as indicated on the school's *Financial Agreement*. Unused tuition may be refunded once the family has left the school and all other accounts have been satisfactorily settled. Parents should make their refund request in writing.

SCHOOL OPERATION POLICIES

ATTENDANCE

Regular school attendance is an important part of our program. Please schedule all vacations and pleasure trips during school vacation periods and NOT during school days.

ABSENCE FROM SCHOOL

Parents are asked to cooperate in minimizing absences. However, please do not send your child to school if they have exhibited any of the following symptoms; pink eye, head lice, fever or feeling feverish, chills, diarrhea, vomiting, sore throat, and cold symptoms, within 24 hours. If a child is going to be absent for any reason, the

parent or guardian is to email the school at attendance@stpeterstpaulschool.com or call the school prior to 7:30 a.m. to report their absence from school. Please do not message the teacher on Band.

If your child is absent for three (3) or more days, a note from a doctor may be required.

TARDY / LATE ARRIVAL FOR SCHOOL

It is important for your child to be in class and on time for us to give your child every opportunity to be successful. When a student enters the classroom after instruction has begun, the continuity of the lesson is disturbed, along with the educational process of the other students. A child who is late does not receive credit for work that is missed.

When your child arrives after the morning assembly, **DO NOT** drop him/her off in the classroom. Parents must come to the office with their child to get a Tardy Slip. Students are allowed (3) tardies per trimester. A \$5.00 fee will be charged for each excessive tardy after the 3rd tardy.

A student is considered tardy if they arrive between 8:01am – 9:30am

Students arriving between 9:31am and 12:00pm will be marked with a Morning (AM) Absence

Students leaving between 12:01pm – 2:15pm will be marked with an Afternoon (PM) Absence

On minimum days, a child must be present at least two hours to be considered for a full day present.

An absence is considered a full day absence if the child does not attend school or leaves before 9:30am.

When the student returns to school, he/she must bring a note from the parent/legal guardian to the school office. The note must be written by the parent/legal guardian for the school to consider the absence verified and excused. The note should have the date, student's name, the reason for absence, dates of absence, and parent/legal guardian signature. If a student is absent 15 or more days during a trimester, no report card grades will be issued for that grading period.

The school reserves the right to withhold grades or issue incomplete marks due to frequent absences from a particular subject, class period, or specific day of the week.

Regular and punctual attendance is essential for academic success and full credit in all subjects. Exceptions can only be made by the School Principal.

Makeup Classwork & Homework: No work is given in advance; makeup work does not satisfy what is missed during regular classroom instruction. Students have the same number of days as they were absent to make up the work once they return. Makeup work may only be requested after the second day of absence due to illness. Makeup work can be picked up in the office after 2:00 p.m.

ACCIDENT REPORTS

Accident Reports are prepared for any accident occurring during the course of a child's school day. INJURIES ABOVE THE SHOULDER WILL BE REPORTED TO THE PARENT BY A TELEPHONE CALL. If the parent cannot be notified, persons listed on the Emergency Medical Form will be advised. The parent receives their copy once the administration has reviewed and signed the report.

APPOINTMENTS / EARLY DISMISSAL

Early dismissal for medical or dental appointments is granted when the parent or guardian makes a request. Students are not released after 2:15 p.m. or while at an assembly. Please make every effort to pick up your student prior to this time. A note should be sent in the morning and presented to the classroom teacher. Parents must report to the school office before proceeding to their child's classroom. If someone other than the parent/guardian is picking up the child, he/she must present a signed note from the parent/guardian before the child is released.

ILLNESS

While students may experience absences due to valid reasons, elective absences (e.g family vacations) are highly discouraged and must be kept to a minimum.

Parents are reminded that children must be kept at home when they are sick. The student must be free from a fever of 100° F or higher and/or vomiting, cough, sore throat, head, or muscle aches for 24 hours without the use of medication before returning to school. Students are not permitted to stay indoors during the morning or lunch recess because they do not feel well

BIRTHDAY OBSERVANCES AND OTHER CELEBRATIONS

Students may come to school in free dress (per Non-Uniform Dress Code) on their birthday or half-birthday when birthdays land during summer months); birthday celebrations are held the last 15 minutes of the day and delivered to the school office no later than 2:00. Birthday treats must be coordinated with the classroom teacher and should be limited to one food item plus a drink. Goody bags, balloons, flowers, and other party favors are **not permitted** and will not be distributed to students. Party invitations for birthdays or slumber parties must be sent via U.S. mail unless an invitation is being given to every student in the class. Students may not exchange individual gifts at school. Valentines distributed in class should include a Valentine for each student in the class.

8TH GRADUATION AND/OR PROMOTIONS & CELEBRATIONS

To ensure a respectful, reverent, orderly and unified graduation/promotion ceremony that honors the achievements of all students, the following policies will be strictly enforced.

PROHIBITED ITEMS AND ACTIVITIES

The following **will not be permitted** during the graduation ceremony in the church or on school campus during the event:

- Leis (floral, candy, or money)
- sashes, stoles or custom adornments
- Cords (not officially issued by the school)
- Balloons or balloon bouquets
- Pops (e.g., confetti or noise-making items)
- Fat heads or oversized cutouts

- Flags, signs, or banners
- Face cutouts or cardboard masks
- Any other non-approved props or accessories

DRESS CODE & APPEARANCE

Graduates are expected to maintain a neat, modest, and uniform appearance in their school-issued graduation attire. No modifications or additions may be made to the gown unless approved by the administration.

Approval of Special Activities or Tributes

Any requests for tributes, performances, or additional graduation-related activities must be **submitted in writing and approved by the office at least two weeks prior** to the ceremony date. No exceptions will be made on the day of the event.

PURPOSE OF THESE GUIDELINES

These guidelines are in place to:

- Preserve the dignity and unity of the graduation ceremony
- Ensure fairness and consistency for all students
- Maintain a safe and distraction-free environment for all attendees

We appreciate your understanding and cooperation in helping us celebrate our 8th graders with the respect and honor they deserve.

For any questions or clarification, please contact the school office directly.

CHILD ABUSE REPORTING

Section 11166 of the Penal Code requires any childcare custodian or school employee who has knowledge of, or observes a child in his/her professional capacity or within the scope of his/her employment, whom he/she knows or reasonably suspects has been the victim of child abuse, to report the known or suspected instance of child abuse to a child protective agency as soon as is practically possible by telephone, and to prepare and send a written report thereof within 36 hours, concerning the incident.

ANY SCHOOL EMPLOYEE WHO SUSPECTS THAT A STUDENT'S PHYSICAL, MENTAL, OR SEXUAL HEALTH OR WELFARE IS BEING ADVERSELY AFFECTED BY ABUSE SHALL REPORT TO THE CHILD PROTECTIVE SERVICES OR THE LOCAL LAW ENFORCEMENT AGENCY.

It is not the responsibility of the school employee to prove that the student has been abused or neglected. Neither shall the school employee contact the student's family to determine the cause of the suspected abuse or neglect. Failure to report to the proper authorities may result in a misdemeanor charge punishable by fine or imprisonment (California Penal Code).

CHECK-IN / OUT OR APPOINTMENT POLICY

Parents are required to check children in or out of school through the school office. The office will notify the teacher to release the child to the parent. Early dismissal for medical or dental appointments is granted when the request is made by parents. Parents are urged to keep these requests to a minimum. The child is considered absent unless a signed note from the doctor's office, indicating the date and time the child was seen, is returned to the school.

PLEASE NOTE: Students are NOT released after 2:15 pm, while at an assembly or during any school activity. Exceptions can be made for an emergency.

CLASSROOM / SCHOOL VISITS

Requests to visit classrooms must be scheduled through the school office. These visits require coordination with the classroom teacher and must be scheduled in advance. Persons, agencies, or organizations desiring to contact individual students during the school day are to receive permission from the principal.

PLEASE NOTE: Upon arriving on visitation day, please come to the office to receive a nametag. ALL visitors **MUST** have appropriate clearances in advance and wear a nametag while on school property. St. Peter and St. Paul Catholic School is a closed campus. Once a student arrives at school, he/she must stay at school until a parent or other designated responsible person picks him/her up. This pertains to all after school and extra-curricular activities, as well as those students who are registered in the extended care program. Students are never to leave campus unless properly signed out and accompanied by a parent or other authorized individual. Students may not communicate, visit, or in any way interact with any adults (other than school parents or legal guardians), or students from other schools, who are near or around school grounds.

CONDUCT

Respect for the dignity of all and courtesy should be shown at all times. We expect students and parents to conduct themselves properly and courteously when attending assemblies, games, social, and other gatherings.

A student is a St. Peter and St. Paul Catholic School student at all times. A student who engages in misconduct, whether inside or outside of school, that is detrimental to the school's reputation may be disciplined by the school administration.

CONFIDENTIALITY

When acting as a school representative, any teacher, staff member, or volunteer is expected to keep all information strictly confidential. Breach of this policy is a serious matter. Teachers may keep confidences unless health, life, or safety is in jeopardy. This also applies to journal writing and conversations. Staff members will report such confidences to the school administration.

COUNSELING OPPORTUNITIES

Our school does not provide counseling services. However, if it becomes necessary for one of our students to speak to one of the parish priests, they may do so once parental permission has been given. Parents should contact the school principal for more information.

CRISIS PLAN

Depending on the type of crisis, parents can expect to be notified of any situation that takes place at school that can be considered a danger or crisis. There are three separate buildings on our campus, and students will be moved to the safest building, depending on the crisis. Emergency dismissal notification will take place through our school BAND app, and students will be released to parents or their designees as indicated on the school's emergency form.

CUSTODY SITUATIONS

Parents are required to provide our school with accurate custodial information for each student's file. Non-custodial parents do have rights as our school abides by the provisions of the Buckley Amendment concerning parental rights. Our school will provide the non-custodial parent with access to academic records and other information regarding their child. If there is a court order specifying that there is to be no information given, it is

the custodial parent's responsibility to provide our school with a court-certified copy of the court order. A non-custodial parent/guardian may not use the school for the exercise of visitation rights.

CARE OF SCHOOL PROPERTY

Students are expected to respect all school property. The cost of damage done to school property by students using the school facilities is to be assumed in whole or in part by the parents of the student(s) responsible for the destruction. The amount is determined by the principal.

Students are expected to keep ALL BOOKS covered neatly; students may be fined for uncovered books. Graffiti is not allowed on covers. Students are responsible for the set of textbooks assigned to them. The school will not assume liability for the damage or loss of items that are not allowed at school, for example, makeup, jewelry, toys, and electronic equipment or games. The school is not responsible for damage done by another student to sports equipment, eyeglasses, book bags, clothing, etc.

SCHOOL BOOK POLICY

Students may check out books from the school or classroom library with teacher permission. Books are loaned for two weeks and can be renewed. Books should be returned on time and in good condition.

Students must handle all books with care and keep them in a safe, dry place. Damaged or lost books will result in a replacement fee. Library privileges may be suspended until books are returned and/or fees are paid. Report minor damage immediately for possible repair. Contact the teacher with any book return concerns.

DROP OFF AND PICK UP PROCEDURES FOR K-8TH GRADE

In order to ensure safety for students and their families, parents are REQUIRED to follow these rules:

1. Student drop-off is on the blacktop each morning starting at 7:45; during inclement weather, students are to go directly to their classroom.
2. All students must be picked up via the designated pick-up line. The student should enter/exit from the passenger side of the car.
3. Pedestrians **should not** cross through the moving car line, but are allowed to cross by the mail box.

7. The afternoon dismissal car line cannot begin forming until 2:15pm or 12pm on minimum days.

EXTENDED CARE INFORMATION

Students enrolled in St. Peter and St. Paul Catholic School may be allowed to participate in the afternoon Extended Care Program. The fees for the Extended Care Program are listed in the *Financial Agreement* and available in the school office. However, the following policies apply:

Billing for the Extended Care Program will be separate from tuition billing.

Students who arrive on campus prior to 7:45am (Preschool prior to 8:30) or remain on campus beyond 3:00 pm on regular days and 12:45 pm on minimum days, who are not engaged in a school-sponsored activity, are considered Extended Care Program participants. These students must report to the Extended Care staff. Parents are billed for the time spent in Extended Care.

If students are on school grounds after leaving an extra-curricular activity, they must go to the Extended Care Program and sign in. Students may NOT wait for a ride unsupervised.

Parents must sign their child into and out of extended care each day or assume responsibility for the time indicated by the staff.

The Extended Care Program follows the yearly calendar and is available on minimum days or as indicated on the school calendar. Student must provide their own after school snack. Preschool, Elementary and Middle School extended care is available until 6:00 pm.

All students are expected to be cooperative with the Extended Care Staff. The standards established at school regarding citizenship and behavior will be followed in the Extended Care Program. Failure to follow such standards may result in a denial of service.

No student may be left unsupervised on the school grounds before or after school hours. Parents volunteering or working in or around the school after hours are responsible for monitoring their children.

There is no registration fee to join the Extended Care Program. Parents are billed at an hourly rate of \$8.00 per hour; this is included in the following month's tuition statement. Parents must send a written note or call the school office (909-987-7908) when someone other than a parent will be picking up a student from Extended Care. Parents should contact Extended Care staff via BAND Chat if they are going to be late.

There is a \$1.00 per minute late fee imposed for picking up your child after 6:00 pm.

EMERGENCY PROCEDURES – FIRE, EARTHQUAKE, LOCK-DOWN

The school maintains detailed emergency procedures. Each classroom has a copy of these procedures; teachers and staff receive annual training concerning all emergency procedures for our school. Periodic drills and inspections are conducted to ensure the safety of all students. Details of these policies can be secured from the school office. Early dismissal may take place in the same manner as on other days. In certain cases, parents are called to pick-up their child early from school.

Students will be kept together until they are released to an authorized person. If it becomes necessary to leave the church grounds, a sign will be posted informing parents of the location of the students. When a prolonged loss of electrical power is experienced, the school will close. Parents or a local emergency contact person will be notified.

The school maintains a nutritional food supply for 48 hours. This food is kept with the school's other disaster preparedness supplies. At the conclusion of each school year, these nutritional foods are donated to a local food bank.

Staff members are trained in first aid and C.P.R. procedures as outlined Medic First Aid. In the event of a serious injury, 9-1-1 will be called, and parents notified immediately thereafter. If the parent cannot be reached, the

student's physician will be contacted. If the injury warrants treatment, but not the urgency of a call to 9-1-1, and parents cannot be reached, a person listed on the Emergency Medical form will be notified to act on your behalf.

FAMILY PARTICIPATION PROGRAM (F.P.P.)

Each family is responsible for volunteering twenty (20) hours of their time and talent throughout the school year. These hours can be accumulated by volunteering in a variety of ways. Families who fail to submit their F.P.P. records or fall short of their volunteer hours will be assessed a fee according to the Family Participation Policy that can be found on page 4 of the *Financial Agreement*.

Your commitment is vital to the success of our events. Please note: committing to and failing to work a shift at a major school event may result in a "No Show" fee as specified on page 4 of the *Financial Agreement*.

FACULTY MEETINGS / MINIMUM DAY / IN-SERVICE

Faculty In-Service Meetings are scheduled once each month for the purpose of professional growth, implementation of policies and facility regulations, and improvement of the instructional program. These afterschool meetings are held on minimum days. On those days, the school office may be closed or will close at 12:30 pm.

Throughout the school year, the staff is required to attend both local and diocesan in-service meetings. These in-service meetings, as well as the school schedule for those days, are published in the yearly calendar, the school website, and the weekly emails.

VOLUNTEER CLEARANCE

ALL persons who plan to volunteer at school or around students MUST complete Safe Environment training through Catholic Mutual Group (CMG) and have background clearance through the Diocese of San Bernardino. In addition, preschool volunteers MUST have a valid live scan fingerprint clearance and meet additional licensing requirements. LiveScan fingerprints MUST be completed, at the parent's expense, prior to volunteering at school. NO EXCEPTIONS!

Lunches and recess snacks must contain nutritious items, such as a protein, fresh fruit, vegetables, or healthy snack item. No hot or spicy chips allowed (e.g. Hot Cheetos or Taquis).

In the event a student fails to bring lunch to school, parents will be contacted. If parents are unable to be reached or unable to provide a lunch before 10:30am, students will be offered a snack lunch; a \$5.00 lunch replacement fee will be added to the family billing statement.

To minimize classroom interruptions, any forgotten article brought to school during class time must be left in the office, NOT THE CLASSROOM. The student may come to the office at recess or lunch to pick up their belongings.

The activities of the Parent Engagement Committee must be consistent with the policies, goals, and objectives of the school and parish.

SCHOOL ADVISORY BOARD

The School Advisory Board of St. Peter and St. Paul Catholic School meets monthly. The role of this board is to be an advisory committee to the school administration. It assists with long-range planning, policy formation, school development, and program review. On occasion, it may be necessary for this board to meet in executive sessions to discuss confidential matters.

SCHOOL WEBSITE

Our school maintains a website: www.stpeterstpaulschool.com to provide students and parents with timely, up-to-date information about our school.

SCRIP

Our school participates in a SCRIP program that gives parents the opportunity to reduce the cost of tuition. Parents who do not wish to participate may pay the difference in a slightly higher tuition rate. Current offerings and other program details may be obtained in the school office. To maintain our tax-exempt status, scrip can only be sold by parent volunteers during the pre-determined schedule.

INCLEMENT WEATHER & AIR QUALITY ALERT

The following criteria are used for the basis of alerts and program modifications:

Inclement weather

Certain temperature thresholds and weather conditions are recognized as hazardous for school activities. When the heat index reaches 95°F or higher, recess, physical education, and sports will be limited, with frequent breaks and water access. Dismissal procedures may also be modified. Outdoor activities will be restricted when temperatures fall below 40°F or when it's rain. Outdoor activities will be restricted when the Air Quality Index (AQI) level is at or above 101. All inclement weather modification is at the discretion of the principal.

STUDENT RECORDS

If a student transfers from St. Peter and St. Paul Catholic school to another private or public school, student records will be sent to the requesting school. Transcripts will be mailed directly to the new school, never given to students or parents for delivery. The student's parent/s or legal guardian/s have the right to inspect a student's records in the presence of the Principal or his/her delegate. Student records include the scholastic record, some directory information, the student's permanent health record, academic records, behavioral records, special education records if applicable, birth certificates and sacramental certificates. There is a \$15.00 per document fee for other documents such as copies of report cards, birth certificates, sacrament certificates and standardized assessments.

TELEPHONE USAGE

Cellular phones and other mobile devices such as smartwatches, tablets, and other electronic communication devices are not to be used during school hours, including during off-campus outings. Cell phones and other electronic communication devices must be kept stored in the student's backpack with the power turned "off" (not vibrate or silent mode) during school hours. Disturbances caused by cell phone usage will be grounds for confiscating the cell phone and the potential loss of privilege for the remainder of the school year. St. Peter and St. Paul Catholic School will not be responsible for loss, theft, or damage to cell phones or any electronic devices, even after confiscation. In the case of an emergency, a student will be allowed to call their parent/guardian from the office telephone.

VOLUNTEER / VISITORS

All volunteers/visitors must sign in with the office when on campus. A visitor/volunteer badge must be worn while on campus during school hours. Volunteers should refrain from using their cell phones. Taking photos or videos of students is not permitted.

RELIGIOUS EDUCATION AND POLICIES

ALTAR SERVER MINISTRY

Catholic students who have received their First Holy Communion may be eligible to participate in the altar server ministry. Orientation and training sessions will take place outside of school hours, and a parent or guardian must attend the orientation with their child. Details about orientation dates will be shared directly with those parents.

Altar server formation and practice will be held twice a week on Mondays and Wednesdays after school, and ongoing attendance is required. Once trained, altar servers will be scheduled to serve at Thursday school Masses, First Friday parish Masses, and at Sunday School or parish liturgies as needed. Details will be shared directly with those students and parents.

CHOIR

Students in grades 3rd – 8th grade may join the school choir. Once in the choir, it is expected that students attend scheduled rehearsals and Sunday Masses. The choir learns music to sing at Masses, assemblies, and other special occasions. Student solos or duets are based on ability, attendance and behavior.

DAILY PRAYER ASSEMBLIES

Our school begins each day in prayer as a whole school community. Prayer Assemblies are conducted with the student body each morning and are considered part of the curriculum. Parents are welcome to attend morning assembly at 8am in the designated parent area.

School families may request mass intentions for their loved ones in need of prayer.

MASS AND LITURGIES

School liturgies are an important part of developing a Christian school spirit. Students will participate in School Masses weekly on Thursday and various other liturgical experiences throughout the school year. Students are expected to dress and conduct themselves in a manner consistent with the high standards found in a Catholic school. Parents are invited and encouraged to attend all school Masses and prayer services. Exceptions for Mass and prayer service attendance are not made for students of other faiths.

PRAYER OBSERVANCE

As a Catholic School, a great emphasis is placed on providing religious education for all students. To that end, we ask God to bless our work, and we recognize the importance of both formal and informal prayer.

On a regular basis, the following prayers will be said:

- | | | |
|--------------------------|------------------------|--------------------|
| a. The Sign of the Cross | d. Glory Be | g. Apostle's Creed |
| b. The Lord's Prayer | e. Prayer before Meals | h. Class Prayers |

2ND GRADE SACRAMENTAL POLICY

St. Peter and St. Paul Catholic School follows the guidelines outlined in the Diocesan policy of Sacramental formation and reception. Catholic students enrolled in the 2nd grade must have previously received their sacrament of Baptism and a minimum of a previous, consecutive two years of faith formation. 2nd grade students who have met the requirements and are eligible, will be prepared for and receive the Sacraments of Reconciliation and Holy Communion. Catholic students who are older than 2nd grade may receive preparation for sacramental reception (R.C.I.A. for children) through the parish. Please check with the parish office for more details.

Mandatory student and parent retreats are planned in collaboration with the classroom teacher and/or parish ministry. The purpose of these retreats is to provide students with an opportunity to focus on their relationship with God, explore ways to live out their faith and build community and enhance First Holy Communion preparations.

WEEKLY MASS / WORSHIP

As a Catholic school, we recognize that there is no greater opportunity for parent-directed religious education than being present for Sunday Liturgical Celebrations. As a parish school, it is understood that weekly Mass attendance provides a tremendous opportunity for community building in a Christ-centered environment. It is, therefore, very important that families attend Mass on a regular basis.

DISCIPLINE / ANTI-BULLYING

All students, faculty, staff, and parents have a right to a safe and healthy school environment. Everyone must promote mutual respect, tolerance, and acceptance for all persons.

St. Peter and St. Paul Catholic School will not tolerate behavior that infringes on the safety of any student, parent, faculty, or staff. No person shall intimidate or harass another individual through words or actions. Such behavior includes but is not limited to direct physical contact, such as biting, hitting, shoving, verbal assaults such as teasing or name-calling, and social isolation or manipulation.

Students, faculty, staff, and/or parents are expected to immediately report incidents of bullying to the Principal or designee. Staff is expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying will be promptly investigated. This policy applies to students, faculty and staff, and parents on school campus, while traveling to and from school-sponsored activities, and during school-sponsored activities off-site.

Parents will be notified in the event their child has engaged in any bullying incident as described above. Consequences for this behavior may be subject to family counseling and disciplinary action that may exclude the student from school for a period of time to be determined by the administration.

A full description of all policies relating to maintaining and sustaining a safe environment for students, faculty, staff, and parents can be found in the Diocese of San Bernardino's Policy Handbook, sections 4161, 5156, and 6313.

Other inappropriate behaviors or conduct unbecoming a student in a Catholic school and constituting a major infraction may warrant disciplinary actions on the part of the school as detailed on the Approved List of Disciplinary Measures and Sanctions on page 18.

Discipline in a Catholic School is an aspect of moral guidance and not punishment. It is a means of training a child to assume more responsibility for his/her conduct. The purpose of discipline is to provide a climate in classrooms and playgrounds that is conducive to learning and to educate students to appreciate the rights of others. Finally, discipline helps build a sense of community. Discipline is a process of developing responsibility and self-control. In order to guarantee that each child has an excellent learning climate, the following Discipline Plan is in effect at St. Peter and St. Paul Catholic School:

Conduct unbecoming a student in a Catholic school includes, but is not limited to, the statements given below. Because it is impossible to foresee all problems, which could arise, this handbook empowers the faculty and administration to take disciplinary action for any behavior (within or outside of the school community), which violates the spirit, philosophy and code of conduct of the school, even though not specified, including the following:

- Lack of respect to teachers, staff, volunteer adults on campus (e.g., refusing to accept correction, showing negative attitude, open and persistent defiance of authority)

PERFORMANCE IMPROVEMENT PLAN

A student is placed on a performance improvement plan for low academic grades or conduct. The plan will continue for a set period of time up to the end of the school year. At the end of that time, the Principal/Teacher will evaluate the grades and conduct of the student to determine additional course of action up to and including request to withdraw from school or expulsion. Students may be denied extracurricular activity participation while on a plan.

SUSPENSION

A student may be suspended for serious misconduct, on or off campus, during school related activities

(Including inappropriate electronic communication). A student may also be suspended for continued misconduct while on a performance improvement plan. All classwork must be completed during the time of Suspension.

Official suspension may assume various forms:

1. Class Suspension: The student may not attend a particular class activity and during that class time will be required to report to a designated area for supervision. This student may lose the right to participate in school activities on or off campus for a specified length of time.
2. In-School Suspension: In severe cases, the student will serve an in-school suspension and be assigned academic work to make up the loss of class time. This student loses the right to participate in any school activity on or off campus for a specified length of time based on the offense.

7. The Principal maintains dated documentation of the facts, the parent conferences, and keeps the suspension notification.

EXPULSION

A student may be expelled from school for misconduct of a very serious nature calling for immediate dismissal without suspension, or for repetition of conduct for which the student has been suspended more than once. Expulsion is a permanent termination of a student's enrollment.

- Hazing and harassment

The following guidelines for student expulsion will be followed:

- The final decision to expel a student rest with the Principal with the knowledge and consent of the Pastor
- A conference with the parents, student, teacher, and the Principal shall be arranged. Where applicable, the Pastor is notified of the conference and given the opportunity to attend
- The notice of expulsion must be written and must be signed by the parent(s), student, and Principal (the principal's signature is all that is required)
- The principal maintains dated documentation of the facts, the parent conferences, and keeps the signed expulsion notification

The procedure for appeal and review of disciplinary action rests with the Principal and then the Pastor. The Superintendent of Schools may be consulted regarding due process and must be requested in writing. After investigation of the procedures followed in the action, the superintendent will determine whether the school's action is in accordance with applicable Diocesan policies and that due process was followed.

NOTE: A different procedure will be enacted for all children in grades TK - 5 because of the age level of the student. Depending upon the seriousness of the action, or the type and frequency of such action, one of the following steps will be taken:

- The teacher and the student will have a conference and an appropriate consequence will be issued. The Principal will be notified of the situation.
- Principal and classroom teacher will outline the action plan to take during a conference with all parties involved.

Expulsion may be the result, subject to the decision of the Pastor and the Principal, if the situation cannot be resolved or the parent is not cooperative.

HARASSMENT

St. Peter and St. Paul Catholic School affirms the Christian dignity of every person. Harassment is unacceptable conduct that is severe, pervasive and deliberate. School harassment occurs when an individual is subjected to treatment in a school related environment or situation (including electronically or telephonically) which is hostile, offensive or intimidating, most often because of an individual's race, creed, color, national origin, gender, or physical ability. Harassment of any person by any student, parent or staff member is prohibited and will not be tolerated. All demeaning behavior is prohibited. It is the policy of St. Peter and St. Paul Catholic School and the Diocese to provide an educational environment in which all students are treated with respect and dignity.

SEXUAL HARASSMENT

Sexual Harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of sexual nature. Example of sexual harassment directed towards a student under conditions such as the following:

- Verbal Harassment: Sexually demeaning comments, sexual statements, questions, slurs, jokes, anecdotes, or epithets, delivered face to face or telephonically;
- Written Harassment: Suggestive or obscene letters, notes, emails, texts or invitations;
- Physical Harassment: Unkind, immoral and/or unlawful physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating movements.
- Visual Harassment: Leering, gesture, display of sexually suggestive objects or pictures, cartoons or

Student to Student Sexual Harassment

This policy prohibits student to student sexual harassment whenever it is related to school activity or attendance and occurs at any time including, but not limited to, any of the following:

- While on school grounds,
- During lunch period whether on or off school grounds,
- During, while going to, or coming from, a school sponsored activity,
- Off school grounds while engaged in school related activity or in cyberspace while discussing/referring to school related persons or events.

Any student who engages in the sexual harassment of another student is subject to disciplinary action up to and including verbal and/or written warnings and reprimands, counseling, suspension, and expulsion. Any substantial conduct outside the school environment come to the attention of the school, this too may serve as grounds for disciplinary actions if it in any way is related to or affects those involved with St. Peter and St. Paul Catholic School.

Violence – Threatened and Acted

All threats of violence will be taken seriously and will be handled on a case by case basis. Assault, battery, or any threat of force or violence directed toward other students, school personnel, or other persons on school property, or during school related activities, or on cyberspace while discussing school related persons or events will be addressed. Threats and fear of force also constitute harassment and may be handled under that policy (see above) and may include actions up to and including expulsion.

GRADING POLICIES

At St. Peter and St. Paul, we believe that grading should reflect a student's overall growth and performance. Teachers consider multiple factors when determining grades, including classwork, homework, assessments, participation, and, when relevant, special projects. Our goal is to provide an honest, well-rounded picture of each child's progress.

If you have questions about your child's grades or classroom behavior, we ask that you first reach out directly to the teacher. As the primary educator in the classroom, the teacher is best equipped to provide insight and context. Should further clarification be needed, the Principal is available to support as a second point of contact.

In the primary grades (K-2), report cards focus on developmental progress and skill acquisition. Beginning in 3rd grade, students receive traditional letter grades. Report cards are distributed three times a year, and mid-trimester progress reports may also be sent home to help families stay informed.

We trust our faculty's professional judgment and ask that families approach conversations about grading with openness and respect. The Principal may review cases as needed and holds final authority in rare situations where a resolution cannot be reached through discussion with the teacher.

GRADELINK

The school uses a web-based grade and assignment reporting system – Gradelink. Parents or students can access the "Gradelink" network 24 hours a day/7 days a week. The webpage is www.gradelink.com. The "Gradelink" site provides information on children's grades, conduct, and current assignment status. We strongly urge parents to visit the website weekly or set up instructions for automatic email contact if a student's grades drop in a subject area. Information is now available on Gradelink in both English and Spanish.

Families whose accounts are not current may be denied access to their children's grades and locked out until payments are current, or arrangements have been made with the Principal.

HOMEWORK

Homework at St. Peter and St. Paul is designed to reinforce concepts already taught in class. It serves as independent practice, giving students the opportunity to review, apply, and deepen their understanding of familiar material. Homework is not meant to introduce new content but to strengthen skills through consistent effort and reflection.

We believe that completing homework builds important habits like independence, time management, and personal responsibility. While some assignments may be collected and reviewed, not all homework is formally graded. Teachers use their professional judgment to determine when and how homework is assessed.

In addition to daily practice, students may also be assigned long-term projects such as science reports, saint presentations, or research assignments. These projects help students develop planning and organization skills while encouraging creativity and deeper engagement with the material. Teachers will provide rubrics or clear grading expectations for long-term projects to help students understand how their work will be evaluated.

At times, homework may include classwork that wasn't finished during the day. In all cases, the goal is to support each student's learning and growth beyond the classroom. Time Allotments: The amount of time students spend doing homework will vary depending upon the grade and students' ability to perform tasks and comprehend the material. Generally, you should see no more than the following times per evening: K-2nd grade: 30-40 minutes, 3rd-5th Grade: 40-60 minutes and 6th-8th Grade: 60-90 minutes

*****Makeup Classwork & Homework: No work is given in advance; makeup work does not satisfy what is missed during regular classroom instruction. Students have the same number of days as they were absent to make up the work once they return. Makeup work may only be requested after the second day of absence due to illness. Makeup work can be picked up in the office after 2:00 p.m.*****

LATE WORK POLICY

To encourage responsibility and timely submission of assignments, the following late work guidelines will be in place:

On Time: Assignments turned in on the due date can receive full credit (100%).

One Day Late: Maximum score possible is **90%**.

Two Days Late: Maximum score possible is **80%**.

More Than Two Days Late: Work will **not** be accepted, and a score of zero will be recorded.

Exceptions:

Extensions may be granted in cases of excused absences, illness, or emergencies, in accordance with school policy and with **prior** communication from parents.

Teachers reserve the right to adjust deadlines for long-term projects or special circumstances.

This policy applies to all graded assignments unless otherwise specified by the teacher.

HONOR ROLL

After each grading period (trimester), students will have their grades converted to Grade Point Averages. Names of recipients are posted, and the Honor Roll is as follows:

K-2nd Grade Tiny But Mighty Achievement

The Primary Tiny But Mighty Achievement Award is earned by achieving a grade of 90% or above in ELA, Math, Religion and Conduct.

Students in K-2 may not earn the Tiny but Mighty Award with a "S" or "NI," in any academic area.

3rd-8th Grade Honor Roll

- Principal's Honor Roll 4.0 and above
- High Honors 3.80 – 3.99 averages

- Honors 3.50 – 3.79 averages
- ***Students in K-8 may not be on the Honor Roll with a “C,” “D” or “F” in any academic area or Conduct/Citizenship area.***

President's Education Awards Program (P.E.A.P.)

The President's Education Awards Program (PEAP) honors graduating elementary and middle school students for their achievement and hard work. The program provides individual recognition from the President and the U.S. Secretary of Education to those students whose outstanding efforts have enabled them to meet challenging standards of excellence. St. Peter and St. Paul Catholic School students are recognized based on the following criteria (Category A and 1 or 2 of Category B): *(No grade of “D” or “F” in any academic area or conduct)*

- Grade Point Average:** Students are to earn a grade point average of 90 on a 100 point scale (an A on a letter scale or a 3.5 on a 4.0 scale). When computing grade point averages at the respective award level, only the years at that level are to be included through the spring semester of the exiting grade. (Elementary Award: Grades 4-5 cumulative; Middle School Award: Grades 6-8 cumulative).

- (1) Recommendations from a Teacher Plus One Other Staff Member:**

One recommendation is to reflect outstanding achievements in English, mathematics, science, history, geography, art, foreign language, and any other courses that reflect a school's core curriculum. This judgment is to be supported by tangible evidence that is comprised of either results on teacher-made tests, portfolio assessment, or special projects. The second recommendation from a school staff member may address, for example, involvement in community service or co-curricular activities, including tutoring other students and/or demonstration of creativity and achievement in the visual and performing arts.

- (2) State Tests and Nationally-Normed Achievement Tests:**

High achievement in reading or math on state tests or nationally-normed tests.

PROMOTIONS / RETENTIONS

We consider it an honor to be an alumnus of our school. For this reason, all students will need to have passing grades in academic subjects and also reflect, by their attitude, a Christian education. We are aware that all students have talents, although not all are able to excel academically. If a student fails to meet the academic standards of our school, a “Certificate of Attendance” will be granted in lieu of a “Certificate of Promotion.” Other criteria for promotions may include such things as completion of Student Service Hours, financial responsibilities for tuition and fees are current, and a minimum G.P.A. of 2.0, along with other requirements as determined by the school principal.

Students are promoted at the end of each year after they have satisfactorily completed their current grade. Parents will be notified if their child is not ready to enter the next grade. In that case, the parents are asked to meet with their child’s teacher and the Principal to determine the best course of action. Students may be retained or given a provisional promotion with certain requirements for entering the next grade.

USE OF STUDENT INFORMATION AND PICTURES

The school reserves the right to use student pictures in publications and on the school’s website. Any parent who does not wish their child’s picture to be used must notify the Principal in writing prior to the beginning of the school year. Students’ names and addresses are never shared with anyone other than the appropriate persons.

STUDENT ACTIVITY INFORMATION AND POLICIES

FIELD TRIPS

Field trips of educational or cultural value may be planned as an extension of or supplement to the programs at school. Students do not have an absolute right to a field trip. Students may be denied participation in a field trip if they fail to meet academic and/or behavior standards or if they fail to adhere to dress code requirements. Students are expected to follow the designated dress code and are always required to adhere to the non-uniform dress code policy. Students who will not be attending a field trip will be marked absent for the day and may have an alternative assignment.

The school's administration establishes and supervises local procedures for school field trips in accordance with diocesan and local regulations. Parents are expected to sign the permission form, which releases the school from liability. The cost of field trips is not included in tuition or fees; therefore, parents may be asked to assume the cost or participate in fundraisers for such activities. The cost of the field trip is non-refundable.

Parents may volunteer time to drive or attend field trips as needed. However, the Diocese of San Bernardino requires that ALL volunteers verify they have the minimum \$100,000/\$300,000 limits on their car insurance policy, along with proof of current car registration. Verifications must be on file in the school office. Further, ALL volunteers must have appropriate background clearances and training certificates on file in the school office.

Additionally, field trip parent chaperones are selected at the classroom teacher's discretion and the school principal. Chaperones are expected to follow the directions and dress code guidelines given by the classroom teacher at all times. Chaperones may not bring younger children. Chaperones MAY NOT make any unauthorized stops at any time during the trip. Parents who do not follow field trip guidelines will lose the privilege of attending future field trips.

PERSONAL BELONGINGS

Students are discouraged from bringing personal items to school. The school cannot take responsibility for lost or damaged personal belongings. If an item is brought to school without permission from their teacher, it may be taken from a student and turned in to the office. Such items include but are not limited to cell phones, iPads, mobile devices, jewelry, toys, makeup, etc. A good rule to follow is personal items stay at home, and school items stay at school.

RESOLUTION OF CONFLICT

It is important to resolve conflicts between students or parents in a positive and constructive manner. Constructive conflict may help people grow, learn, and make positive changes.

Our school has developed a Conflict Resolution Policy, and here are the most important points:

1. Cool down. Don't try to resolve a problem when you are angry.
2. Describe the conflict. Each person should give their side of the incident. No put-downs.
3. Describe what caused the conflict. What events led up to the problem?
4. Describe your feelings using your own words.
5. Listen carefully and respectfully while the other person is talking. Don't interrupt.
6. Brainstorm solutions to the problem.
7. Try a solution that everyone can agree on.
8. If one solution doesn't work, don't give up, try another.

If parents are having a problem with a teacher, they should employ the following steps:

1. Discuss the problem with the teacher.
2. If the problem continues, make an appointment with the school principal.

3. If the problem is still not resolved, make an appointment with the pastor/pastoral coordinator.

If a parent has a problem with another parent or the child of another family, the problem should be addressed with the teacher, then with the Principal.

SPECIAL CIRCUMSTANCES

In cases of special temporary health, physical, legal, or other circumstances, the school will consult with the Office of Catholic Schools, the policies of the Education and Welfare Corporation, and local school district and community resources to determine the best course of action to support the student and family, as well as the entire school population.

SPORTS PROGRAM AND ELIGIBILITY

The St. Peter & St. Paul athletic program must not interfere with the school's regular academic program nor encourage practices contrary to good sportsmanship. The school's academic and conduct standards must be maintained in order to participate in the athletics program. The collective efforts of parents, student-athletes, and coaches contribute to the success and positive spirit of our school's athletic programs.

The purpose of our after-school sports program is:

- Strengthen the student's self-image, mind-body relationships, self-control, individual and group sportsmanship through competition.

The league fee for each sport will be determined based on the number of participants interested and will be posted/announced prior to the start of the season. The uniforms will be ordered once all payments have been submitted and orders will be based on parent size selections. Athletic uniforms are to be used for scheduled games only. Students will be allowed to keep the uniform at the end of the season. If the uniform is lost or damaged during the season, it must be replaced at the full cost by the parents.

*****Student-athletes may not start the season until the league & uniform fees are paid and all ICSL/School Athletic paperwork is turned in*****

Parent Expectations

Parents are expected to be supportive of coaches and administration of the St. Peter & St. Paul School athletics program. Parents are also required to give their child/children permission to participate in the athletics program. At the time of registration, parents will submit:

If you disagree with a coach or official, please make arrangements to meet with the coach on an individual basis to discuss your concerns.

*****Parents are encouraged to attend as many games as possible. However, be advised that the principal and/or athletic director will remove/require a parent to exit the facility if a complaint is received by the ICSL for not presenting a positive image. *****

Coaching

The general purpose of coaching is to instill skills and discipline in student-athletes and have the individual and the team set goals to achieve. Parent participation as coaches is key to the success of our school's athletics program. For an adult to coach a school athletics team, he/she must contact the school's Athletic Director to express interest and confirm with the school office that all required paperwork and information needed to volunteer is on file and up to date. Teams will have one designated head coach and a maximum of two assistant coaches, these are the only parents allowed on the field/court to coach during games. Additional assistant coaches may be added to the team at the discretion of the athletic director. Head Coaches will also have the responsibility to manage the sidelines to ensure proper conduct by student-athletes and parents to make sure to abide by ICSL rules. Student Council consists of students in 5th through 8th grades. Student council is considered a graded class. Student council officers will receive a grade for participation and conduct while on Student council. Student Council officers must maintain a “B” average or higher in Conduct and maintain at least a 2.5 (“C” average) in academic subjects. During their term in office, student council members are expected to fully participate in all Council activities and be involved in as many extra-curricular activities as possible. Students not adhering to the leadership requirements may be placed on probation for a period of time determined by the Principal. If a student Council member is put on probation more than twice, the student is asked to resign from Student Council.

Student Council elections are held in May. Students in 4th – 7th grades may submit a written request to be considered a candidate by their teacher. Upon approval and verification of grades by their teacher, a student’s name is placed on the ballot. The student body, faculty, and staff elect officers who will serve as their representatives for the following school year.

TESTING PROGRAM

The California Catholic Testing Program is administered each trimester in the form of the STAR Assessments. In addition, Assessment tests may be given to all new registrations and incoming Kindergarten students.

TECHNOLOGY AND INTERNET USAGE

The smooth operation of our school’s computer and technology program relies on the proper conduct of users who must adhere to strict guidelines. In general, this requires Christian, ethical, and legal utilization of the network resources, software, and hardware. If a student user violates any provision of the technology and internet usage policy, the student’s parents will be notified, and additional disciplinary actions may result.

PRESCHOOL PROGRAM

St. Peter and St. Paul Catholic Preschool, established in 1984, is an early learning educational experience within our parish school. We are licensed by the California Department of Social Services (license # 360907167).

Our preschool curriculum is theme-based and relevant to young students and follows the School's S.L.E.s (see page 3). Learning centers are consistent with diocesan preschool curriculum guidelines and designed for the abilities and developmental levels within each classroom. Our preschool students participate in school Masses and other liturgical celebrations throughout the year. Field trips are planned to correlate with the curriculum and the young student's interest.

GENERAL PRESCHOOL POLICIES

These policies are specific to St. Peter and St. Paul Catholic School's preschool program. Information not included in this section can be found by referring to the Table of Contents of this parent-student handbook.

ADMISSION

The admission process begins with a school tour and an introductory meeting with the school administration. Preschool students are admitted when it is determined their rights and needs can be met. A *Financial Agreement* with applicable fees secures placement; a complete registration packet must be submitted at least two weeks before the first day of attendance. Returning families have a priority registration period for each new school year.

AGE OF ACCEPTANCE

Children entering the preschool program *MUST* be toilet-trained and between the ages of 3 and 5 years.

ATTENDANCE

The preschool program begins at 8:30 am on the lower playground; when inclement weather conditions exist, the preschool day begins in the classroom. Students arriving after 8:40 am are considered tardy. Please notify the school when your child is absent for any reason through our school attendance email at attendance@stpeterstpaulschool.com. Please do not message the teacher on BAND app.

CLASSROOM PLACEMENT

Classroom placement will be made in accordance with the child's "whole" development – his/her social, emotional, intellectual, physical, and adaptive behaviors. Children are not necessarily promoted in any pre-determined sequence. Year to year, the makeup of one specific classroom will vary based upon the developmental ages of that year's enrollment. A classroom placement change will be discussed with the parents as needed. The principal and teaching staff makes the final decision as to the child's appropriate placement.

DRESS CODE

Preschool students are required to wear the red school preschool t-shirt or uniform polo every day unless noted otherwise; these items must be purchased through **Red Dot Uniforms (www.RedDotUniforms.com)**. Bottoms should be solid navy pants (no leggings).

Preschool students should wear Velcro strap tennis shoes on a daily basis. Flip-flops and "western" type boots are considered unsafe footwear and not permitted. During water play, **TENNIS SHOES MUST BE WORN**. Our young students will *NOT* be permitted to participate unless this safety precaution is followed.

Parents must provide a complete change of clothing at school and brought to school in a large zip-lock type bag, each item needs to be labeled with your child's name.

DISCIPLINE POLICY

A child's self-esteem grows as he/she develops self-control. Positive re-enforcement and positive re-direction are used to help children learn acceptable social behaviors. Ideally, young students follow Christ-like ways of the adults in their life. This method encourages acceptable behavior versus "punishment."

Supporting young students in their socially acceptable behavior is a primary focus in preschool. This includes:

- develop confidence in themselves and their abilities
- increase their self-control
- have a positive self-concept
- develop an awareness of and empathy for others
- begin to understand how their behavior affects those around them
- have a positive experience in school

ANTI-BULLYING POLICY – see page 20

NAP / REST TIME

Pursuant to the California Administrative Code, provision are made for rest or relaxation time for those children staying after lunch. All children will rest. Parents must purchase the school approved bedding; bedding must be laundered weekly and returned by the school day.

PARENT - TEACHER CONFERENCES

Parent-Teacher Conferences are held once a year. The diocesan Preschool / Pre-Kindergarten Developmental Assessment tool is used to determine and gauge your child's progress throughout the year. Parents and/or teachers may determine if an additional conference is necessary later in the year. Children are not invited to be present during conferences.

Any person unfamiliar to staff will be asked for identification, please write down the person's full legal name.

Written and verbal notification must be given to school personnel (at time of drop off), EACH time an authorized person, other than the usual parent/guardian, picks up the child from school. Neither authorization nor notification will be accepted by telephone. The School Administration will handle emergency situations.

HEALTH AND SAFETY POLICIES

GENERAL SAFETY POLICIES

1. Toileting takes place under the supervision of a staff member. Because the school is a shared-use facility, we ask that parents/guardians NOT allow their children to use the restrooms unsupervised.
2. The playground gate must be kept closed at all times and handled by ADULTS only. All doors in the parish hall must only be handled by adults and remain closed at all times.
3. Children not enrolled in our school must remain with their parent or guardian at all times. Children should NOT be left unattended in cars. School and playground equipment is intended for the use of children enrolled in our program only.
4. Parent volunteers are prohibited from using cell phones in the classroom/playground and when they are responsible for the supervision and/or transportation of children during a field trip.
5. Criminal background checks, Virtus training, and proof of required vaccinations are required of all parent and/or guardian volunteers who have access to students enrolled in our school. This includes classroom volunteers, field trip drivers and chaperones, and other volunteering opportunities during school hours. This criminal background check is at the parents' expense and must be completed prior to volunteering at school or during a school outing/field trip.
6. Transportation for field trips may be parent-driven vehicles utilizing seat belts or in a private bus. Children MUST be secured in an appropriate child passenger restraint (safety seat or booster seat) in the back seat of a vehicle until they are at least 8 years old or 4'9" in height. It is the parents' responsibility to provide

the teacher or field trip driver with their child's safety seat on the day of the trip. If a car seat or booster seat is not provided, the child will not be allowed to participate in the field trip.

ACCIDENT REPORTS

Accident Reports are prepared for any accident occurring during the course of a child's school day. INJURIES ABOVE THE SHOULDER WILL BE REPORTED TO THE PARENT BY A TELEPHONE CALL. If the parent cannot be notified, persons listed on the Emergency Medical Form will be advised.

A parent signature is required on the prepared form pertaining to their child; parent receives their copy once all applicable parties have reviewed and signed the report.

CHILD ABUSE AND NEGLECT REPORTING

As required by Section 11166 of the Penal Code, all school personnel are required to report knowledge of, or observe a child in his/her professional capacity of within the scope of his/her employment whom he/she knows or reasonably suspects has been the victim of child abuse and/or neglect.

COMMUNICABLE DISEASES

Please notify the office if your child has contacted any of the following communicable diseases. A physician's note for re-admittance is required.

Chickenpox	Impetigo	Mumps
Ringworm	Scabies	Measles (Rubella)
Strep Throat	Pinworm	Scarlet Fever
German Measles (Rubella)	Head Lice (Pediculosis)	Fifth Disease (Slap Cheek)
Pink Eye (Conjunctivitis)	Hand, Foot, and Mouth Disease	

DAILY HEALTH CHECK

A daily health check is conducted when preschool students arrive at school. For the well-being and protection of all students, the parent will be asked to remove their child from school when questionable illness or the following symptoms are observed:

watery, inflamed or crusty eyes/eyelids	rash/insect bites	frequent stumbling or falling
listlessness or extreme fatigue	open sores/cuts	unusual irritability
sneezing or coughing	unusual aggressiveness	mucus that is NOT clear
fever/chills	bruises	sleepiness
heavy nasal discharge	glazed appearance of eyes	clammy appearance
vomiting or gagging		

To attend school means well enough to participate with other preschool students in all daily activities, including outside play. Outdoor play may include activities that require hats, mittens, and/or boots. If, for some reason, a child is unable to contend with these elements, the child may not attend class.

A health concern may be observed during the day, which warrants parent communication. The child's name will be highlighted on the sign-in sheet that indicates further information is needed; see the classroom teacher for further details.

EMERGENCY DRILLS

Monthly practice drills are held for earthquake, disaster, and fire safety. In the event of a disaster, please do not call the school. It is advised that you attend to your safety. 48-hour nutritional food supply is kept as part of the school's Disaster Preparedness supplies.

When the initial emergency has passed, and you can travel, come to the school to pick up your child. We will release a child/ren only to those persons who have been authorized (IN WRITING) by you.

Children will be kept together until they are released to an authorized person. YOUR CHILD MUST BE SIGNED OUT. If it becomes necessary to leave the church grounds, a sign will be posted informing you of the whereabouts of your child/ren. If you are unable to get to the school, make every effort to return to your home so we can contact you.

When a prolonged loss of electrical power is experienced, the school will close. Parents, or the local emergency contact person, as indicated in each child's file, will be notified.

REMEMBER!!! We will keep our young students safe and comfortable.

FIRST AID

Staff members are trained in first aid and C.P.R. procedures as outlined by Medic First Aid. In the event of a serious injury, 911 will be called, and parents notified immediately. If you are not available, the child's physician will be contacted. If the injury warrants treatment – but not the urgency of a call to 911 – and you cannot be reached, the persons listed on the Emergency Medical form will be notified to act on your behalf.

MEDICATIONS

Parents must complete the required forms when requesting the possible administration of any medication, including an Inhaler or Epi-Pen. All medication MUST be accompanied by a physician's prescription and INCLUDE, specific dosage and frequency, expected response and/or potential side effects, action to be taken in the event of side effects, proper handling, storage, and physician contact information.

At the beginning of each new school year, the parent is to supply medication and forms and initially train the primary teacher according to the physician's instructions. Each time an Inhaler or Epi-Pen is used, it is recorded, and parent reviews and signs upon child pick up. At the end of the school year, unused medication will be returned to the parent. In the event an inhaler becomes empty during the year, it will be returned to the parent, and the parent must supply a new inhaler on the child's next day of attendance. In the event of the use of an Epi-Pen, 911 will be called, and the Epi-Pen will be given to the First Responders. Parents will need to supply a new Epi-Pen on the child's next day of attendance. The staff will notify parents of expiring medication no later than two weeks in advance; this will allow the parent time to replace the medication.

PANDEMIC FLU

The Centers for Disease Control and Prevention defines influenza common symptoms as: fever or feeling feverish, chills, cough, sore throat, runny or stuffy nose, vomiting, diarrhea, and headache. Young students exhibiting these symptoms must be excluded from school until they are symptom-free for 24 hours without being medicated.

1. Children will be requested to eat their sandwich or protein item and fresh fruit or vegetables before other nutritious snack-type foods.
2. Water or 100% fruit juice beverage.
3. Foods from the five food groups; dairy products, protein, fruits, vegetables, and grains.

7. Hot lunches can be purchase through CaterTots, Monday-Thursday, if your child is staying for lunch bunch.

MORNING AND AFTERNOON SNACKS

The school provides a balanced, nutritional snack each morning. The snack menu is posted in each classroom and the parish hall kitchen. Our young students are encouraged to try all the food.

Allergy lists are consulted before food is prepared and served. Parents of children with food allergies are provided a copy of the monthly snack menu. It is the parent's responsibility to provide alternate food(s) if their child is allergic to the planned snack.

The Principal and Administration reserve the right to amend, update or change any part of this Handbook at their discretion. Policy changes are highlighted on the website handbook.
