- Our Story -

Cali Costa is a family owned and family operated restaurant serving up great California Mexican food and killer margaritas in the heart of the lovely city of Dana Point CA. We make everything fresh and inhouse with unique flavors inspired by the foods of Mexico and California cuisine.

Cali Costa was opened by a local couple, Joshua and Niamh (Neve), who reside in Dana Point with their daughter Brightlee. They both ended up in Santa Barbara for a bit where they met and had their daughter, but have been back home in Dana Point since 2017.

Cali Costa was established in 2020, and as most of you know and may even remember, this was once the original Hobie Surf shop where Hobie Alter got his start back in the 1950's. Check out the story board on the front of our building.

The Cali Costa family has a love for sports. From soccer during the day, to baseball at night and of course all the fun football brings on the weekends. If you are looking for a game, we have it!

Cali Costa is here to serve you seven days a week. We offer killer deals all week long including our ever so popular Taco Tuesday. We open Saturday and Sunday for breakfast and have the best bloody mary's in Dana Point, and offer bottomless champagne with brunch.

Thank you for visiting Cali Costa and we hope you enjoyed your stay.

We are here for you, because you are here for us!
