iQFOiL

iQFOiL: an exciting fusion of traditional windsurfing and ultra modern hydrofoiling. It is the spectacular new future of Olympic windsurfing, making its entrance at Paris 2024.

Driven by innovative technology and captivating race formats, iQFOiL delivers spectacular, highly visible global competition, boosting windsurfing's presence worldwide.

REIGNITING OLYMPIC WINDSURFING

iQFOiL prioritizes the health of our environment through sustainable practices, responsible sourcing, and recycling. They champion clean oceans, reduce their carbon footprint, and support environmental education for a better future.

All iQFOiL events are 10x climate positive.

Over **49,000** Mangroves have been planted to offset emissions.

Meet Rory Meehan, a 16 year-old Queensland based sailing enthusiast who's been sailing since the age of 7.

Rory's dedication and hard work has already led to notable achievements, including 2023 Australian Youth Champion, and an outstanding **18th against** 145 seasoned competitors in his very first International championship in Italy last year. He recently achieved **3rd** at the 2023 Nationals and Oceanic Championships, an Olympic Qualifying event.

These experiences have fueled his ambition to compete against the world's best and to ultimately represent Australia at the Olympics.

2023 ACHIEVEMENTS

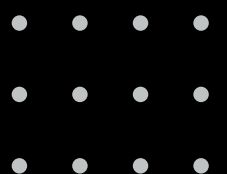

Rory Meehan is a member of the 2023 Australian Youth Squad and Queensland Academy of Sport.

His 2023 goal was to compete in the iQFOiL Youth European Championships and place in the top 20.

- ✓ He achieved 18th among 145 competitors in his first International regatta (U19 men)

After this regatta he transitioned from the youth to the senior board and competed at State & National regattas (Olympic class).

- ✓ 3rd at Sail Sydney - Nationals and Oceanic Championships, an Olympic Qualifying event
- ✓ 4th at Sail Melbourne
- ✓ 2nd at Queensland State Championship
