

Pop Show Ads FAQ

Q: How do I pay?

A: Select the ad option of your choice in our TMHS Choir shop at the link [HERE](#)

Q: Where do I send my text and art?

A: You may respond to this email or send to colleenbraune@sbcglobal.net with attachments and message to include.

Q: Do I have to be a designer?

A: No! Provide the text you wish to include along with your photo, and we will do the placement and design based on your ad space selection. However, if you do have some design experience, providing your ad in print ready art is much appreciated!

Q: Who can be in the personal ad?

A: Any TMHS choir student! This is not limited to seniors or those performing solos. Anyone can have a cameo in the program! We encourage all students to take advantage of ad placement as it will be a great high school memory to look back on.

Q: What are business ads?

A: These are great opportunities for businesses to advertise while supporting and sponsoring our choir program! These are a tax write off! If you know any businesses that would be interested, please reach out to them, provide them with the ad rate sheet, shop link for payment, and where to send their art with the deadline.

Q: What is a one liner?

A: A quick shout out to show your support for your TMHS choir member. Wish them luck, let them know how awesome they are, or just send some love!

Attached is the rate sheet indicating cost per size.
