

Fogo Island Partridgeberry Harvest Festival

October 8 & 9, 2022 at the Iceberg Arena
Saturday 11 AM to 6 PM
Sunday 1 PM to 6 PM

Vendor Space Reservation Form

The festival committee is gearing up for this year's 13th annual festival. We are hoping to bring everyone together this year and make it our most successful festival yet. The stadium layout has changed this year, which we believe will give all vendors the same visibility and foot traffic. Please keep in mind that electricity is limited at the arena so you will need to be efficient when planning your booths.

Don't forget to consider our '**BEST BOOTH AWARD**' when setting up your space. The winner will be awarded a **FREE** booth for next year's festival. As always, products must be locally made and from Fogo island/ Change Islands, or the local region.

Please keep in mind that this is a harvest festival and we would appreciate it if you would keep the harvest theme.

Please take the opportunity to return your application as early as possible.

Applications for rental space are now open to all Newfoundland residents, which we expect will create higher demand.

**Note that successful applicants must be present at the arena for both days of the festival in order to participate.*

Please indicate which type of space you prefer, and the number of tables you require to set up.

Application deadline: October 1, 2022
