

Anselmo: Is a well Courageous Community Leader

October 15, 2018

My name is Bonnie Speer McGrath. I am a long-time resident of Edina where my husband and I have raised our four children. Our children have attended both public and private schools and have received an outstanding education. I also am active in helping children in North Minneapolis through the KIPP school achieve access to a great education.

This letter is to endorse Dario Anselmo who is running for re-election for the Minnesota House, Edina 49A.

I am the type of voter who parties do NOT appreciate because I vote on issues and people—not along party lines.

One of the areas of passion that I admire in Dario is improving educational outcomes for students in Edina and statewide. Not only has he been a longtime volunteer on the Edina Ed Fund and Edina Give & Go, he has always taken an active role in his own three children's educations. One of the measures he passed in the legislature this session was a bill for \$1.3 billion in new funding and money for school safety initiatives.

The other organizations he supports that are meaningful to me are Clean Water Action and Moms Demand Action for Gun Sense.

Please consider joining me in the re-election of State Rep. Dario Anselmo.

Sincerely,

Bonnie Speer McGrath
