

Letter: Anselmo showed leadership in wake of Lake Street looting

June 18, 2020

To the editor:

Actions speak louder than words. I have a friend whose business on Lake Street was looted and destroyed. I know Dario Anselmo through many charitable gatherings and political events. I noticed he was very approachable and caring. I called him about my friend's business.

Without knowing my friend, Dario got to work and connected my friend with the help he needed. You get to know a true leader when you ask for help and they deliver. I want to publicly thank Dario for his help and leadership.
