LIVE IN CLARKSDALE

New Album & Video Release – April 18, 2025:

Formed as a studio band for their *Stuck in the Mud*, album debut, LIVE in CLARKSDALE captures the band's first live performance. It features eight of their radio-charting studio singles. Also includes two historic 1920s works made famous by Leroy Carr and Scrapper Blackwell. The CD/DVD set also features WYZE in CLARKSDALE – a 50-minute “all things Clarksdale” documentary filmed in the Delta and hosted and produced by Christopher Wyze.
