

# GUARANTEED TERMINATION OF CONTRABAND - ASSISTED ESCAPES AND QUICKEST RECAPTURE OF ESCAPEES

- End smuggled key escapes
- Deploys live GPS surveillance
- Captures time stamp history for use by prosecutors
- Saves lives and agency resources while guaranteeing weapon retention
- Enhances a safer environment for the community at large
- Engage encrypted electronic weaponry in inmate tracking stop escapes

**WITH EYES™**  
They never get away

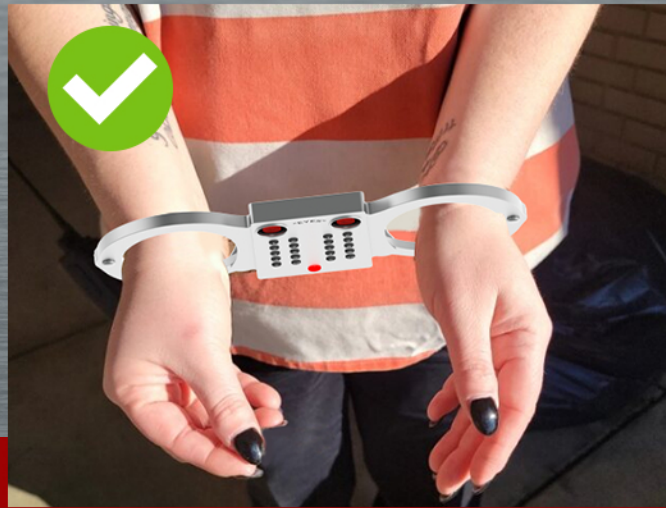

**Biometric GPS Tracked Handcuffs™**

Click here to  
**WATCH VIDEO**

Traditional handcuffs are easily opened with smuggled keys

**Biometric handcuffs are impossible to remove**
