**Southlake Area Alumnae Club of Pi Beta Phi
Charter Meeting
November 5, 2002**

The meeting began with Jane Heiserman, Upsilon Alumnae Province President, leading the opening ritual.

After a quick greeting, Jane went over the requirements for chartering a new alumnae club, all of which we had fulfilled. Kris McCorvey motioned that we charter a new alumnae club and name it the Southlake Area Alumnae Club. The motion was seconded and a vote was passed to charter the new club.

With the vote decided, Jane then went on to explain the various officer and chairman positions and encouraged members to volunteer for whatever position that interested them.

After the installation, Kris took the podium to discuss the upcoming events for the rest of the year.

December 9, we will have an angel ornament exchange and "Anything Chocolate" gathering at the home of Susan Wilson.

We will have a Mother/Daughter Tea at the home of Kris McCorvey on December 15.

The Arlington Alumnae Club has invited other alumnae to join them at their Mother/Daughter Tea at the home of Nancy Barton on December 22.

In January, we will have a home accessory/fashion accessory exchange, which will serve as a fund raiser.

We will consider helping either the University of North Texas chapter or the Baylor University chapter with their initiation ceremony in February.

In March, we will either have a wine tasting at one of the local wineries or go to Lone Star Park, as a date night to include spouses and significant others.

On April 5th, we will celebrate Founder's Day with the Metrocrest Alumnae Club at Oakmont Country Club.

In May, we will have a scrapbook party to put together the club scrapbook.

Kris also discussed some goals for the club, which included developing a cart, shelf, or library at a local institution to help promote the national philanthropy of Links to Literacy. We also discussed contacting Headquarters to establish a national "letter day" in which all members, actives and alumnae, will be encouraged to wear the greek letters.

To close the meeting, door prizes were given out, which included coupons to Macaroni Grill, \$10 off coupons for a massage, a bath set from Ulta Cosmetics, and a pound of coffee from Starbucks Coffee.

The meeting was adjourned with the closing ritual.
