Susan Wilson 817.267.0376

## Message from Kris McCorvey

Can you believe how fast the summer seems to be moving. I was so honored to represent our club in Anaheim for the 2003 Convention, "Values and Visions". If you have never been to a convention before, (this was my first), let me say, "WOW".

Emily Tarr was elected our new Grand President, and our own Jane Heiserman was elected to be Director of Fraternity Education.

Emily will be speaking at our Founder's Day celebration this year. What an exciting event for all of us. Pi Phi is changing with the times and this is a great opportunity for you to hear our visions for the future from our Grand President. A meeting not to miss.

This vision includes an opportunity for a literacy program that has been developed by the Houston TX Alumnae Club, and supported by the Fraternity. The new Champions are Readers (CAR) is partially funded through the Fraternity Foundation.

There is also a new "face" of Pi Beta Phi, with a newly developed logo, video, revamped website and collegiate programming. The official Pi Phi website is, [www.pibetaphi.org](http://www.pibetaphi.org). Check out our website if you have never done so, if nothing else it's a great way to locate your chapter sisters.

As a newly chartered club we will experience problems because our club is so young. We are growing and I hope this year we will have something on the

calendar that will motivate you to reconnect with Pi Phi. Even if you can only come to one event a year, it is by paying your local dues and national dues that Pi Beta Phi can continue to prosper. If you have not done so mail your dues, (\$45.00) to our Treasurer Kathy Gray in the enclosed envelope

I hope that you will join us and meet the women who make up the Southlake Area Alumnae Club. I feel we have a lot to offer. We have an exciting year ahead of us with lots of great activities. Join us this year for our kick-off meeting at Bent Creek Clubhouse in Timarron, Tuesday, September 9th at 7:00

Yours in Pi Phi - Kris

## Working with the Pi Phi's at UNT

We have been asked to help during Pi Phi Rush Work Week in Denton at the University of North Texas. On Tuesday, August 12th from 1:30—3:30 we will be doing a conversation skills "practice". Melanie Metzger 817.421.9335 and Leslie Hedlund 469.293.5012 are organizing this. If you are planning on attending this, we are meeting at the Tom Thumb, on the corner of White's Chapel at 12:30 p.m. We are also conducting a team building activity on Thursday, August 14 from 2:30—3:00. We are also providing dinner for the UNT girls one night during rush week.

## BOOKS BOOKS BOOKS

If you are cleaning out your books and magazines, don't throw them away! The Southlake Area Alumnae Club is establishing a giving library at the Tarrant County Women's Haven. We need all of your gently used books for this worthwhile cause. We have two bookcases that will always need books. Please bring them to the meetings and we will collect them there or call:
