

Southlake Area Alumnae Club

August 2010

Awards 2010

Congratulations to the Southlake Area Alumnae Club for achieving the distinction of Club of Excellence. This again displays what an awesome group of women we have. Also congratulations for Excellence in Communication Award. Thank you to all who helped us achieve these two feats.

SAAC's Pink Party was highlighted at the Region 4 Leadership Summit held this past June in St Louis at Pi Beta Phi Headquarters. We will be showing a slide show of Headquarters at our first meeting in September.

Convention 2011, "The Magic of Sisterhood", will be held in Orlando, Florida at Disney World so mark your calendars, June 24-28, 2011!

If you would like to see a video or list of all awards that were given this year, check out the website at www.pibetaphi.org.

President's Corner

Welcome back to another great year with the Southlake Area Alum Club (SAAC). We have some wonderful and FUN events planned this year and we all look forward to seeing you at the meetings. Please come join us and invite your Pi Phi friends as well. We are sure to bring back some wonderful memories as well as start some great new friendships. Our theme this year is "The Magic of Pi Phi" and we are sure to find some special magic when we get together. So dust off that arrow pin and join us in a round of Ring Ching. We all have lots to share with you so plan on meeting us at Melanie Metzger's on September 14th. Also, if you know any new Pi Phi Alums who may want to meet us at Happy Hour first, we are calling for all the Young and Young at Heart Pi Phi Women to meet us at Truluck's Restaurant in Southlake Town Square on Tuesday August 31st from 4:30-7 for Happy Hour. Should you have any questions, feel free to contact me at Landerscln@aol.com

Friends and Leaders for Life!

Recruitment 2010

Our ACRIC Jill Setzer and assistant Sarah Mackay have spent countless hours this summer completing RIF's for over 218 (so far) girls in our area who will be attending different schools across the country. We met at Jill's in June for our annual Recruitment Workshop. The process went so smoothly due to Jill's organizational expertise and immeasurable effort behind the scenes. This ever-changing process takes a lot of time, effort, and organization. Thanks so much Jill, her back-up Sarah and to all who helped with this process! We can't wait to hear which one of our areas girls will become angels...

Is your contact information correct at Pi Beta Phi Headquarters? Update it today and stay connected for life!

Texas Epsilon- University of North Texas

The girls are busy preparing for this year's recruitment, which starts on August 23rd and will last for 5 days. Work week is themed "Basic Training" and they will wear the cute camouflage t-shirts!! The girls are so excited about recruitment this year and are looking forward to bid day on August 28th. If you would like to help during recruitment or any other time, please contact BJ Landers @ Landerscln@aol.com. Look for upcoming emails about news from their recruitment.
