

# Southlake Area Alumnae Club

August 2011

## Awards 2011

Congratulations to the Southlake Area Alumnae Club for achieving the distinction of **Club of Excellence**. This again displays our commitment to the fraternity, our ability to set goals and with everyone's help, accomplishing them. Also congratulations to those board members who helped us achieve the **Excellence in Communication Award**.

Convention 2011, "The Magic of Sisterhood", was held in Orlando, Florida at Disney World. This was a magical event, confirming how much women can realize when they bond together for a common cause. Pi Phi continues its' emphasis on literacy, now titling this movement "Read, Lead, Achieve". Our own Paula Shepard lectured on the CARS program!!! And so much more.

If you would like to see a video or list of all awards that were given this year, check out the website at [www.pibetaphi.org](http://www.pibetaphi.org).

## President's Corner

Welcome back to another great year with the Southlake Area Alum Club (SAAC). We have some wonderful and FUN events planned this year and we all look forward to seeing you at the meetings. Please come join us and invite your Pi Phi friends as well. We are sure to bring back some wonderful memories as well as start some great new friendships. Our theme this year is "**The Ph Phactor**" and we are sure to find some special fun when we get together. So dust off that arrow pin and join us in a round of Ring Ching. We all have lots to share so plan on meeting us at Alice Bien's home on September 13<sup>th</sup>. Also, if you know any new Pi Phi Alums who may want to meet us at Happy Hour first, we are calling for all the Young and Young at Heart Pi Phi Women to meet us at Truluck's Restaurant in Southlake Town Square on Tuesday August 30<sup>st</sup> from 4:30-7 for Happy Hour.

## Friends and Leaders for Life!

### Recruitment 2011

Our ACRIC Sarah Mackay did a fabulous job this summer completing RIF's for over 140 (so far) girls in our area who will be attending different schools across the country. We met at Sarah's in June for our annual Recruitment Workshop. The process went so smoothly due to Sarah's organizational expertise and immeasurable effort behind the scenes. This ever-changing process takes a lot of time, effort, and organization. Thanks so much Sarah and to all who helped with this process! We can't wait to hear which one of our areas girls will become angels...

Is your contact information correct at Pi Beta Phi Headquarters? Update it today and stay connected for life!
