If you missed the Pink Party, you missed a PHabulous and PHun party, complete with Pi Phi ritual. Thanks to Sarah Mackay for coordinating, Gail Maz for running the meeting, Lisa Fox for hosting the meeting and for everyone who was involved. As you can see, it takes us all to make this work.

March 31 Recap Texas Epsilon (UNT) Spring Initiation

The Southlake Area Alumnae Club participated in Texas Epsilon's Spring Initiation ceremony and celebration. We're proud of our new Pi Phi sisters at UNT!

June 9 RIF Meeting

Shannon Myrick's Home
([603 Potomac Place](#), Southlake)

Working meeting to prepare Recruitment Information Forms (RIFs) for the Class of 2012. Come see Shannon's new home and help us get some local girls wings.

As always, it is an honor to be your President and I appreciate everyone's kindness as I continue my current phase of breast cancer. On March 2nd they were able to start reconstruction, one more surgery in 3 months and I will be PHABULOUS... (I hope). It is amazing what the love of your girls friends can do to help with these moments. Bless you all.

Champions are Readers (CAR)

Again, congratulations to Kimberly Bulls and Audrey Pennings for completing a wonderful job on the CAR Program. I know that you touched MANY young souls and it was very special for us to be involved. I am sure that anyone who participated would agree that we got more out of it then they did.
