## May 1 Recap - Phabulous Phinish Dinner

If you missed our Phabulous Phinish Dinner at Wildwood Grill, you missed a PHUN time. The food was wonderful and the friendships better. The board met beforehand and then presented a letter from a collegian at UNT who was having financial woes, for various reasons.

It was voted to put \$500 from SAAC into her Pi Phi account, and when the hat was passed, another \$400 was collected. This was a gracious and generous gift from our alums.

## Note from Gail Mazanowski President 2012-2014

The new Executive Board met on June 13th and planned the upcoming calendar. I believe that it is a nice balance of some of the old favorites along with some new and exciting ones. Thank you to all who answered the member survey. Your input helped plan our 2012-13 events.

We would love to have a volunteer to head up fundraising events. We have a list of great ideas, and are open to new ones. Please let me know if you are interested in serving on the committee.

Another interest that was mentioned was a couples event, so be thinking about what we might want to do and if you would be interested in heading up one event.

Remember that it takes a village to have a fun and a successful club.

You can attend as much or as little as you'd like. More details will follow in an upcoming eVite.

Please let [Gail Mazanowski](#) know if you are interested in joining us, so we can reserve the rooms soon!
