### *Champions are Readers Literacy Initiative – Spring Program*

March 7-21-28, 2016

Morningside Elementary School

2601 Evans Ave

Fort Worth, TX 76104

From Kellee Casebeer:

On 3/7, we read a book Maxi the Taxi and then the children wrote letters to a friend or parent telling why they liked the book. When they finished their letter, they were each allowed to select three new books to take home for Spring Break. The books were made available from our 500 book grant to the school.

On 3/21, we made Cat in the Hat parfaits. First, we read the Cat in the Hat; and then, we made parfaits. The purpose was to have the children learn that reading has practical value. They had to read a recipe, make a shopping list, shop in our Cat in the Hat store, and then make their parfaits. The best part was that the word "parfait" was never before in their vocabulary. We added it as a word the following week as part of the Reading Carnival, and every one of them was able to read that word.

On 3/28, we did our Reading Carnival. This was the second time this group of 2nd graders had done the carnival, and it was clear that they had greatly improved from the Fall Read > Lead > Achieve event. One of the cutest aspects of Ms. Petry's students is that they panic when they find out that they don't need to be in special reading anymore. Their first question is always, but can I still go the library when the Pi Phis come???

From Jennifer Bohannon:

Our Spring CAR Program was a tremendous success. We worked with Mrs. Petry's Reading Class at Morningside Elementary School in Fort Worth. A dedicated group of Southlake Pi Beta Phi Alumni attended the program for three Mondays during the month of March. The program started with Jennifer and her reading buddy, Cassandra, reading "The Adventures of Taxi Dog," or as we refer to it, "Maxi the Taxi" to the class. The students then wrote letters to a friend telling them about this book.

Week Two was a real highlight with students using their reading skills to read a recipe and prepare a "Cat in the Hat" sundae using fresh strawberries and whipped cream. Many thanks to the librarian for allowing this activity to take place in her library!

The grand finale was the Reading Carnival! Students went through six stations, playing reading games. At this event, each student was allowed to select three books that had been given to the school as part of the Pi Beta Phi Book Grant. It was a day full of fun and excitement and the students were thrilled to have their own books as prizes.

*Reading Carnival – Champions are Readers and Fraternity Day of Service*  
September 28, 2016, 12:30pm-2:45pm  
Morningside Elementary School  
2601 Evans Ave  
Fort Worth, TX 76104

From Jennifer Bohannon:

The Fraternity Day of Service was held at Morningside Elementary, Wednesday, September 28th. Mrs. Petry's second grade readers were treated to a "Reading Carnival". Pi Phi alumni, along with two collegians from the UNT campus (Sarah Coffen and Amadi Taylor) and four academic leaders from Morningside's fifth grade class made bookmarks, played games and had a great time reading and interacting. We promised the students that we would return in the spring, if they listened to Mrs. Petry, worked hard and kept reading.

From Kellee Casebeer:

Our Reading Carnival was the Southlake Club's activity for September which is Read>Lead>Achieve Month for Pi Beta Phi.

I designed the carnival after the school carnival I attended when I was a kid, and then just retooled the games to be "literacy centric". Other game ideas I pulled off of Pinterest. I took my game proposals to Ms. Petry to see which she believed would work, and then just started making them. My adorable neighbor Sophia, who is 10 years old, drew the designs for me for the Go Fish game, after I sketched something she said looked like a five year old drew. Together, she and I then converted her drawings to scale, and made what you see now as our Go Fish backdrops. After all of the games were made, I tested them on Sophia, and her 7 year old sister Abigail. Then, tweaked them one more times based on their feedback.

The really impressive part was that the kids had a fantastic time. They had almost two full hours of carnival time and they were fully engaged. I don't think it ever crossed their minds that they were learning and improving their reading skills.

### **Pi Beta Phi Book Grant**

Each year Pi Phi offers 100 500 book grants to chapters and clubs. The SAAC has been awarded three book grants to date. Kellee Casebeer applied for Morningside Elementary School on behalf of Southlake Club in 2013 for our first grant which was awarded in 2014. She along with about 10 other Pi Phi's delivered the books to Morningside Elementary School as part of our CAR program. In 2015, Kellee Casebeer applied for a 2016 grant. Again, SAAC was selected, and we delivered the 500 free books from Pi Beta Phi and First Book. An additional 250+ books that had been collected and donated by Brandon Cantrell were also delivered. This year, Jennifer Bohannon applied for the grant and once again SAAC was selected. The books will be made available in February 2017 for delivery in March as part of Fraternity Day of Service 2017. Ms. Petry will be able to select from First Book exactly which books are appropriate for her readers, and the books will be used to facilitate home libraries for her students.

### **Tutoring at Morningside Elementary School and other local schools**

From Kellee Casebeer:

I have been tutoring the same little girl since March 2014. For me it is about utilizing the Power of Pi Phi to change one life. For nothing more than a couple hours a week, I may be able to make opportunities in this little girl's life happen because she can now read and enjoys school. Before my student transferred to another school (I followed her to the new school), I also truly enjoyed the

sisterhood time with Jenn and her student. The four of us were just a group of girls having fun while we studying together.

Hi Ladies!!

Renee O'Connor, Washington Alpha, reached out to me yesterday and has asked me to spread the word that Katie Lewis, TX Epsilon's House Corp Prez, is looking for someone who would be interested in being HC Treasurer. Renee's daughter is a Pi Phi at UNT and her oldest daughter was a Pi Phi with me at Utah Alpha! She is close with Katie and to the ladies on House Corp and they would love to have someone in the area to be involved in this position.

If anyone is interested in the position of House Corp Treasurer, please contact Katie Lewis.

### **Scholarships**

At the Founders' Day Celebration, collegians receive club scholarships based on their GPA. Collegians with a GPA between 3.75 and 4.0 receive gift cards.

### **Special Events**

#### *Founder's Day*

SAAC has a Joint Founders' Day with TX Epsilon. This year, it was held at Trophy Club Country Club.

Founders' Day has been a wonderful tradition as it is a joint celebration with TX Epsilon. We award our scholarship gift cards annually at this event. It has been held at the Mandalay Hotel, Trophy Club Country Club, Timmaron Country Club, and the TX Epsilon Chapter house. We have had fantastic speakers over the years beginning with 2 Grand Presidents (Emily Tarr and our own Paula Shepherd), Jane Porter, a wonderful and inspirational writer and a Pi Phi, and many others. The themes have been such fun over the years; and the collegians have loved the theme part of it and dressing the part. We have held this event at the TX Epsilon house as a brunch and one of our most elaborate and fun themes at the chapter house was "Breakfast At Tiffany's" with our little black dresses and all. Many fun times, memories, and shared sisterhood are what makes this event one of the highlights of the year.

## A Journey Through Time | UNT Homecoming

By Kelsey Bunnell

Here at UNT, Homecoming is a week of school pride and friendly competition between student organizations, residence hall associations, and Greek life. This year UNT Pi Phi was paired with Sigma Chi Fraternity and multicultural organizations, Omega Psi Phi, Delta Kappa Delta, and Omega Delta Phi. The theme for this year's Homecoming week was a "Journey Through Time" to celebrate 125 years of our favorite University! On Monday the hilarious Sigma Chi men dressed up in angel wings to cheer on our Pi Phi flag football team in the powder puff game. Our girls played their way to

victory in the Greek bracket taking home 1st place! We proudly displayed our team's banner in Library Mall. It was painted by some of our talented sisters to show highlights from UNT's 125 years of history. The following Wednesday we had our annual Construction competition. Teams raced to build sculptures, based on the theme, out of canned food. After the event was complete, all food was donated to a local food bank. This year, we constructed the infamous albino squirrel wearing Mean Joe Green's jersey. It was so much fun to work together with our Greek

partners and make our design a reality! For the Thursday night dance competition, Yell Like Hell, all Greek teams were given the 90s through back as our theme. Our Pi Phi and Sigma Chi dancers worked so hard to put together an energetic and fun dance that made the crowd go wild. The judges loved us so much we were afforded the opportunity to perform on Friday at Bonfire where they informed us we had taken second place! We were so lucky to have the amazing partners we did! All week you could find us working hard on our float for the parade! Saturday we finally got to show off our Disney themed float, a crowd favorite, and cheer on our Mean Green football team at the game. A perfect way to end Homecoming 2015!

## It's the LITTLE Things That Make BIG Memories

By Micayla Roach

Becoming a Big Sister is a huge responsibility that every fraternity woman dreams of taking on. Being a Big to a new member Little is all about mentoring and servant leadership. The women of the Texas Epsilon chapter of Pi Beta Phi were so excited as Bid Day arrived to meet the girls that would soon be called their Littles. Many of the new angels were welcomed by their future Bigs, neither of the two knowing what the future held! Active member Allie Farmer welcomed new member Christina Caisse and said, "from the moment she ran into my arms I knew she would be my perfect little bit." The week leading up to our Big Little Reveal event was full of clues for the excited new members. Finally the big day arrived and Littles would get to meet their new Pi Phi families. Families showed up dressed in every theme from cute matching t-shirts to star wars to tacky tourists! The new members arrived and began putting on their matching outfits. Many were confused why some of them were dressed in the same outfits, and that made them even more nervous. Hailey Bowles said, "I was so excited to find out who my Big was! When I saw the matching outfit and socks she laid out for me I knew I had been placed in the perfect family." Hailey was a part of the family dressed as tacky tourists, and was decked out in a Hawaiian shirt, visor, fanny pack, and the cutest socks to match her Bigs. With their outfits on, the girls began to file in the chapter room to find the feet dressed in socks that matched the ones they were wearing. Now only a single sheet stood between the Littles and their Bigs. As the curtain dropped screams of excitement filled the room as the Bigs tackled their Littles with love. The night was filled with candid pictures and late night snacks with the new members of everyone's families. This is one night that we will never forget.

### Recruitment

By Yesse Ramirez

This year the Texas Epsilon chapter of Pi Beta Phi worked closely together in order to recruit a phenomenal new pledge class. As the summer came to an end, the girls reunited at the house for Spirit Week. During the week, the chapter prepared for recruitment by learning chants, practicing conversation etiquette, preparing banners, as well as learning how recruitment would operate behind the scenes. However, Spirit Week was not just all about work. Sophomore, Haley Newbanks, says, "Spirit Week

was such a fun experience, it was more like a sisterhood event that lasted five days! It definitely brought me closer to all my sisters." Every day of Spirit Week was themed, and the girls would dress accordingly. Also, on one of the last days of Spirit Week, the executive board surprised the chapter with Steel City Pops and a water slide! Allie Farmer joyously states, "Steel City Pops was so refreshing after a long week of preparing for recruitment, and it was relaxing to play on the water slide with all my sisters." Once Spirit Week

ended, the chapter members anxiously waited for recruitment week to start.

Recruitment started on Thursday, August 27<sup>th</sup>, and came to an end on Tuesday, September 1<sup>st</sup>. During recruitment week, the TX Epsilon highlighted special aspects of their organization. Throughout this week, the Pi Phi members shared their amazing sisterhood with the amazing potential new members. On day two of recruitment week, potential new members toured the Pi Beta House, and on day three Pi Phi

*"Recruitment was a blast! The best part of recruitment was how strong our sisterhood became. We worked so hard as a team and with the help of our AAC to have a successful recruitment!"*

shared their passion for philanthropy, Read>Lead>Achieve. Finally, after the long awaited recruitment week was over, Pi Beta Phi gained 36 angels. Immediately after, the new girls began with their new member program lead by New Member Coordinator, Katie Clement. New Member Emily Ortiz says, "Katie was really encouraging while doing our New Member Modules, and she was always there for us for any question we had!" New Members enjoyed every minute of their pledge ship with Katie by their side, from the moment the new members got their bids until they became initiated members.

## Lemonade For Literacy

By Victoria Taylor

North Texas Pi Beta Phi believes reading always has been and always will be a necessary step towards living a successful and happy life. According to the National Assessment of Adult Literacy, one in four children will grow up without learning how to read. The more children read, the better they will read, which is why Pi Phi aims to provide positive reading experiences through Read > Lead > Achieve initiatives like our "Lemonade for Literacy" fundraiser! Our objective is to raise awareness about illiteracy and raise funds for our philanthropy each semester. This semester our sisters passed out lemonade bottles on campus in return for donations, raising \$750! Not only did they raise money for children's literacy, they had fun and made unforgettable memories with their Pi Phi sisters.

## Scholarship Banquet

By Madison Darling

Guided by our core value of personal and intellectual growth, Tx Epsilon prides itself on having high scholarship. This semester our Vice President of Event Planning Maddy Deaton put together a fabulous Scholarship Banquet to recognize all our hard work.

It was so much fun getting to spend the night eating and laughing with sisters. After dinner we spent time taking pictures with three backdrops with Pi Phi themed props! Each table had scrapbook bookmarks at the center for us to take. We wrote our semester goals on the middle to remind us each time we went to study. We also recognized the amazing ladies who made Pi Society from the previous semester. Being on Pi Society means that you made the GPA of 3.14 or above! This event so was special and we look forward to doing it again next semester to celebrate all that we achieved in 2015.

## A Letter From the President

Hello friends, family, and alumnae!

Thank you for taking the time to read our newsletter; my sisters worked hard on this project to let you know how your sweet angel is doing in college. I knew it was going to be a great semester when we added 36 virtuous women to our sisterhood! It's been a blast getting to know our New Members and I hope they're starting to see the personal reward that comes with being a member of Pi Beta Phi. We all came together and set semester goals for ourselves to make this the most productive semester yet! We developed an action plan to ensure all these goals are met and are so far making great progress. We've been improving our scholarship by taking advantage of all the resources UNT has to offer and making more time to study. By the end of the semester, we'll have the best grades on campus! Pi Phis have been very involved with UNT and the community this fall. We helped donate canned foods to local families in the Denton community, and donated clothes to the Denton County Friends of the Family. We've had a blast being more involved on campus and can't wait to make more memories together in the spring!

Calling All Angels!

This month we are celebrating the Fraternity Day of Service with a Reading Carnival at Morningside Elementary in Fort Worth. The Carnival will be held on Wednesday, September 28th from 12:45-2:45. We will have a car pool to Morningside which will leave our area at 11:45. Please check your calendar to see if you can volunteer. We need 12 Pi Phi's to make this event a success, we currently have 5 Angels signed up. It is lots of fun for the kids and for us.

Please let me know if you are able to volunteer.

Thanks so much.
