Striker-Fired Subcompact Pistol Chambered in 9mm Luger. Check Price. Dimensions. Details. Capacity. Dimensions. Want to sell a firearm? Quick Cash Offer. Get Offer. G43X vs P365XL. When the 43x and 48 came out, I initially was drawn to the 48. I thought it looked better and felt more balanced. It also had a softer recoil. I absolutely liked the single stack over the double stack models. I ended up selling my 48 as I was hoping for Glock to come out with a MOS version. Low capacity. Hellcat. Best grip of the three. Accurate but snappier than the 365. Best capacity. Best sights. Can come ready for red dot sights. Sold my Sig. Bought a 43X complete lower And added my 43 slide and 15 round Shield Arms mags and metal mag release. I rotate with the bastardized 43X and the Hellcat. Glock G43X MOS vs Springfield Hellcat Pro. The Sig 365xl and the Glock 43x are two of the best 9mm pistols for concealed carry. Both of these two pistols are considered to be micro-compact firearms b. Chat. The SIG Sauer P365X and Glock 43X are two of the most popular concealed carry firearms on the market. Both are reliable, compact, and offer excellent performance, making them ideal choices for those who want a high-quality handgun for everyday carry. In this article, we will compare the SIG P365X vs Glock 43X to help y. Exploring the difference between apart-time MBA and part-time in business school? Learn more about the differences between the two programs. Updated May 23, 2023 thebestschools.org G43x is clearly much longer in the grip vs the G43, but here is how a SIG 365 (flush-fit magazine holds 10 rounds) compares to a G43 (flush fit magazine holds 6 rounds). A G43x matches the 10-round magazine of the 365, but it requires a much longer grip and is a larger gun. P365 (regular size) and Went with the G43x since the P365 handle is too short. While you can get a capacity advantage with the Glock 43x vs SIG P365, the SIG P365 also accepts 12- and 15-round magazines. Although the 12-round magazine is similar in length to the Glock 43x, you're still going to get a three-round capacity increase by going with the 43x with Shield mags. Weight. Though the Glock G43 is a bit longer than the P365 and certainly has less carrying capacity, weight is where the G43 can claw back a small piece of ground. Unloaded, the Glock weighs 17.99.
