

Prepare for Direct Contact

Through thought & action. Raise your vibration, i.e. raise your consciousness

Step 1

Know Your Matrix to Dissolve Your Matrix

Re-Learning is Re-Awakening

Take particular note of your emotional reaction to all news, information & relationship dynamics

Discern with each reactive emotion, between fear & love

Observe & understand your matrix's architecture

Control Points (Food, Energy, Money)

Control Methods (Solution, Problem, Reaction, Solution)

Identify the architecture applied through a multitude of large & small scale events

Step 2

Critical Thinking

Natural Process, Most Often in Seconds

We've given others authority over our own common sense

To Re-learn is to Re-awaken

Key Elements: Analysis, Evaluation, Inference, Interpretation, Explanation, Self-Regulation

Process: Ask Questions, Gather & Evaluate Info, Consider Multiple Perspectives,

Be aware of algorithms that keep you in a self-imposed bubble

Step 3

Apply The Law of Human Condition & 100% to yourself

The LAW of the Human Condition is the road to 100/100 which is the foundation of Universal, Unconditional Love, the most powerful energy in the universe.

Everyone wants to feel LOVED

Everyone wants to feel ACCEPTED

Everyone wants to feel WORTHY of that love and acceptance...

...by you, for and within yourself

Then you are 100% yourself (complete). Absent of any void, which by its very nature cannot be filled by any outside source. Now you can see everyone & everything else as 100% them/itself, offering to all, Truth, Humility & Respect, which may lead to Trust & true unity.

Step 3

Become Universal, Unconditional Love

Choose Love over Fear

Choose Unconditional Love (be 100% You)

Be Unconditional Love (To be 100% You is to See All Others as 100% Them)

Marvel in the differences between all incarnate souls

Step 4

Accept Your Interstellar Kinship

Know that you are here & now by choice & are not alone as you are directly connected with your Intergalactic Kin.

Be open to direct contact through telepathy, the Intergalactic Language

Welcome Direct Contact (Your higher vibration resonates with like vibrations)

Listen to your higher self, your eternal soul, your direct connection to Source
