NMB Case Number: A-14136, TTX Company/BRC-TCU

Mr. Howland and Mr. Grissom:

The National Mediation Board (NMB) is in receipt of an application filed on behalf of TTX Company (TTX) for the services of the Board under the provisions of Section 5 of the Railway Labor Act (RLA). A copy of the application and accompanying documents are enclosed. The applicant alleges a dispute involving the following employees of TTX Company as represented by the Brotherhood of Railway Carmen Division Transportation Communications Union (BRC-TCU).

Craft(s) or Class(es): Carmen

The applicant describes the issues in the dispute as follows:

"Wages, backpay and healthcare."

This application has been docketed as **Case No. A-14136** and will hereafter be referred to by that number. Mediator Connor Parker has been assigned to this case and will contact you to schedule meetings.

All future correspondence related to this case must be addressed to the assigned mediator and with a copy to the Director of Mediation Services. Any correspondence that does not comply with this requirement may not be considered.

As part of our customer service program, we have developed a form to facilitate communications. Please complete the enclosed "Notice of Contact" form and return to the NMB (preferably by email) within three business days. Those named should be the person(s) primarily responsible for handling the negotiations in the above-referenced case.

Sincerely,

A handwritten signature in black ink, appearing to read "CB", is positioned below the "Sincerely," text.

Christopher Beebe
Director, Office of Mediation Services
NMB
