

Effective January 2026 the TCU/IAM monthly dues splits are broken down as follows:

TCU/IAM Dues Rate	\$118.21
IAM Per Capita Tax Rate	- \$44.63
TCU Education Fund	- \$ 1.00
TCU Convention Fund	- <u>\$ 2.00</u>
Amount to be split	\$70.58
Local Lodge (@ 31%)	\$21.88
National Union (@ 69%)	\$48.70

Regarding the above, lodges with Class 8 members are reminded that their portion of the dues split for those members is \$1.00.

Most dues check-off agreements require providing the employers with advance notice of any change in the due's deduction amount. Therefore, the National Secretary-Treasurer's office will be serving notice on such employers, advising them that the dues increase will be effective with the deductions made for January 2026, which in many cases means that members will see an increase when deductions are made in December 2025 for January 2026.

We will notify members of this dues increase via our website at TCUnion.org. The National Secretary-Treasurer's office will also notify those members not currently on payroll deduction of the dues increase via U.S. mail.

In solidarity,

Arthur Maratea
National President
