shall cooperate in providing existing records and information necessary to complete such documentation.

Regulatory Approvals

Both parties agree to cooperate in obtaining all required approvals from applicable regulatory agencies, including but not limited to the Missouri Department of Natural Resources (DNR) and any other governmental entities with jurisdiction over the transfer of water utility service areas.

As-Is Infrastructure Condition

The City acknowledges that the infrastructure being transferred is accepted in its existing condition ("as-is"). The District makes no warranties or guarantees regarding the condition, capacity, or remaining service life of the infrastructure. The City assumes responsibility for inspection, repair, maintenance, or replacement of infrastructure after the effective date of transfer.

Indemnification

Public Water Supply District No. 3 ("District") agrees to indemnify, defend, and hold harmless the City of Dixon, Missouri ("City"), its officers, elected officials, employees, agents, and representatives from and against any and all claims, demands, damages, losses, liabilities, costs, and expenses, including reasonable attorney's fees, arising out of or related to any act, omission, or occurrence that took place prior to the effective date of the transfer; the ownership, operation, maintenance, or condition of the water distribution system prior to the transfer; any defects, failures, or deficiencies in the infrastructure existing prior to the transfer; and any injury, damage, or loss resulting from conditions originating before the transfer, even if such injury or damage is discovered after the effective date. This indemnification obligation shall survive the execution of this Agreement and the completion of the transfer. This obligation applies regardless of whether such claims are discovered before or after the transfer and regardless of whether the City had knowledge of such conditions at the time of transfer.

Service Area Description

The parties agree that the transfer shall apply only to the residential water customers and distribution infrastructure located within the agreed service area within or immediately adjacent to the City of Dixon. A final legal description and map of the transferred service area shall be prepared as required by the Missouri Department of Natural Resources (DNR) and incorporated into this Agreement as an attachment upon completion.

Transition of Operations

The parties agree to coordinate the transition to ensure uninterrupted water service to all affected customers. The specific effective date of operational transfer shall be mutually agreed upon after regulatory approvals are obtained and documentation is completed.

Appendix A

Records Transfer

The District agrees to provide the City with available records related to the transferred infrastructure and customer accounts necessary for continued operation of the system.

Effective Date

This Agreement shall become effective upon approval by the governing bodies of both the City of Dixon and Public Water Supply District No. 3 and upon execution by their authorized representatives.

AN ORDINANCE AMENDING ORDINANCE NO. 236, SECTION 10, OF THE CITY OF DIXON, MISSOURI, RELATING TO BUSINESS LICENSES AND DEFINING "MERCHANT".

NOW THEREFORE BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF DIXON:

SECTION 1. Amendment of Ordinance No. 236, Section 10.

Ordinance No. 236, Section 10, is hereby amended to include as follows:

A. Definition of Merchant.

For purposes of this Ordinance, the term "Merchant" shall mean and include any person, firm, partnership, corporation, limited liability company, contractor, subcontractor, association, or other business entity engaged in or conducting business, trade, occupation, profession, service, or commercial activity within the corporate limits of the City of Dixon, Missouri, whether on a permanent, temporary, seasonal, or intermittent basis.

The term "Merchant" shall specifically include, but not be limited to, the following classifications:

1. Brick and Mortar Retail Businesses

Any business operating from a fixed commercial location engaged in the sale of goods, merchandise, or products to consumers or other businesses.

2. Service Businesses

Any business providing labor, professional services, personal services, maintenance, repair, consulting, or other services for compensation.

3. General Contractors and Subcontractors (Seasonal or Permanent)

Any individual or entity engaged in construction, remodeling, repair, excavation, electrical, plumbing, HVAC, roofing, concrete, carpentry, landscaping, utility work, or other contracting services within the City, whether acting as a general contractor or subcontractor, and whether operating on a seasonal, temporary, or permanent basis.

A subcontractor shall not be exempt from business license requirements by virtue of working under or through a licensed general contractor. Each contractor and subcontractor conducting business within the City shall be required to obtain and maintain a separate valid City business license.

4. Construction Installation Businesses

Any business engaged in installation, construction, assembly, or placement of equipment, fixtures, structures, utilities, or improvements within the City.

5. Temporary Businesses and Vendors

Any temporary, transient, seasonal, carnival, festival, mobile, or event-based business, vendor, or merchant operating within the City limits.

6. Home-Based Businesses

Any business operated in whole or in part from a residential property within the City limits, regardless of whether customers visit the premises.

7. Liquor License Holders

Any business holding or required to hold a liquor license for the sale, service, distribution, or dispensing of alcoholic beverages within the City.

B. Business License Required.

No Merchant, as defined herein, shall engage in, operate, conduct, maintain, or carry on business within the City of Dixon without first obtaining and maintaining a valid business license issued by the City.

C. Separate License Requirement.

A separate business license shall be required for each business entity, contractor, subcontractor, or person conducting business within the City. Possession of a business license by a general contractor shall not authorize subcontractors or independent trades performing work under such contractor to operate without their own separate business licenses.

D. Violations.

Any person or entity operating without a required business license shall be subject to penalties, fines, suspension of operations, or other enforcement remedies authorized by the ordinances of the City of Dixon and applicable Missouri law.

SECTION 2. Repeal of Conflicting Provisions.

All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 3. Severability.

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is for any reason held invalid or unconstitutional by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance.

SECTION 4. Effective Date.

This Ordinance shall take effect and be in full force from and after its passage.
