Abatement Order on Consent

The issuance of this Abatement Order on Consent (AOC) No. 2026-WPCB-2023, by the Missouri Department of Natural Resources (Department), is a formal administrative action by the State of Missouri and is being issued because the City of Dixon (Respondent) violated the Missouri Clean Water Law (MCWL). This AOC is issued under the authorities of Sections 644.056, 644.076, and 644.079, Revised Statutes of Missouri (RSMo). Failure to comply with this AOC is, by itself, a violation of Section 644.076.1, RSMo. Litigation may occur without further notice if there is not compliance with the requirements of this AOC. This AOC does not constitute a waiver or a modification of any requirements for the MCWL, or its implementing regulations, all of which remain in full force and effect. Compliance with the terms of this AOC shall not relieve the Respondent of liability for, or preclude the Department from, initiating an administrative or judicial enforcement action to recover civil or administrative penalties for any future violations of the MCWL, or to seek injunctive relief, pursuant to Chapter 644, RSMo.

Findings of Fact

1. The Respondent is a fourth-class city with a population of approximately 1,232 residents. The Respondent owns and operates a wastewater treatment facility (WWTF) that consists of a mechanical plant with two equalization basins, a bar screen, grit removal, an oxidation ditch, final clarifiers, and sludge holding basins. The WWTF is located at 10171

Cottonwood Road, Dixon, Pulaski County. The WWTF has a design population equivalent of 3,624 and a design flow of 362,400 gallons per day. Treated effluent discharges through Outfall No. 001 of the WWTF to a gaining tributary to Maries River, subject to the conditions and requirements of Missouri State Operating Permit No. MO-0100129 (Permit).

2. Maries River and its tributaries are waters of the State as the term is defined by Section 644.016(31), RSMo.

3. Domestic wastewater is a water contaminant as the term is defined by Section 644.016(28), RSMo.

4. The Permit requires the Respondent to collect representative samples of the effluent discharged from Outfall No. 001 and analyze the sample for the contaminants listed in Part “A” of the Permit every month. The Permit requires the effluent to comply with the limitations contained in Part “A” of the Permit and requires the Respondent to submit the results of the analysis to the Department on monthly Discharge Monitoring Reports (DMRs) by the 28th day of the month following the reporting period.

5. The Permit establishes effluent limitations for *E. coli*, Biochemical Oxygen Demand (BOD)–Percent Removal, and Suspended Solids–Percent Removal. See Table “A-2” of the Permit.

6. Effluent discharged from Outfall No. 001 of the WWTF failed to comply with effluent limitations contained in the Permit. See Exhibit 1 of this AOC for a list of recent effluent limit violations.

7. On March 13, 2023, the Department received a Facility Plan from the Respondent for WWTF improvements. On May 15, 2023, the Department approved the Facility Plan.

8. On September 4, 2024, the Department received from the Respondent a Construction Permit application for Phase 1 improvements to the WWTF. Improvements included construction of an intermediate pump station, installation of Ultraviolet disinfection, and construction of a new aerobic digester. The estimated project costs were \$1,870,168 and the project was to be funded through the American Rescue Plan Act. On October 24, 2024, the Department issued Construction Permit No. CP0002508 to the Respondent.

9. On April 9, 2025, the Department received a Construction Permit application from the Respondent for Phase 2 improvements to the WWTF. Improvements included construction of a new wet weather pump station, construction of a new wet weather disinfection system, installation of new pump station components and installation of new secondary clarifier components. The estimated project cost was \$5,212,475 and the project was to be funded through Clean Water State Revolving Funds. The Respondent is also currently pursuing funding for Phase 2 Improvements through Community Development Block Grants.

10. On April 25, 2025, Department staff conducted a routine compliance inspection of the WWTF. During the inspection, Department staff reviewed the WWTF's DMRs and observed effluent limit exceedances for BOD-Percent Removal and Suspended Solids-Percent Removal and DMRs for August 2024 and January 2025 were submitted late. Department staff met with a WWTF representative and requested an updated Operation and Maintenance manual and a program for maintenance and repair for the collection system, which the WWTF representative explained they did not have. Department staff observed the equalization basins did not have adequate freeboard and domestic wastewater was overflowing over the berms. On May 30, 2025, the Department sent a Letter of Warning (LOW) to the Respondent based on the violations documented during the April 25, 2025, inspection. The LOW

required a response by June 30, 2025, and on August 25, 2025, the Department received a sufficient response.

11. On July 15, 2025, the Respondent was voluntarily referred to the Department's Compliance and Enforcement Section to address effluent limitation violations for *E. coli*.

12. On October 9, 2025, the Department sent a letter to the Respondent informing them that the August 25, 2025, response addressed the completion of required actions stated in the May 30, 2025, LOW.

13. On December 16, 2025, the Department sent an LOW to the Respondent for significant non-compliance of permitted effluent limitation exceedances for *E. coli*, based on data reported to the Department in DMRs. The LOW required a response by January 31, 2026, and the Department received a response on January 28, 2026.

Statement of Violations

The Respondent has violated the MCWL and its implementing regulations as follows:

14. Failed to comply with the permitted effluent limitations for *E. coli*, BOD–Percent Removal, and Suspended Solids–Percent Removal, contained in Part “A” of the Permit, in violation of Sections 644.051.1(3) and 644.076.1, RSMo;

15. Caused pollution of waters of the State, or placed or caused or permitted to be placed a water contaminant, domestic wastewater, in a location where it was reasonably certain to cause pollution of waters of the State, in violation of Sections 644.051.1(1) and 644.076.1, RSMo;

16. Failed to submit complete, accurate, and timely DMRs as required in Part “A” of the Permit, in violation of Section 644.076.1, RSMo, and 10 CSR 20-7.015(9)(D)1; and

17. Failed to maintain a current Operation and Maintenance Manual in accordance

with Permit Special Conditions, in violation of Section 644.076.1, RSMo, and 10 CSR 20-6.010(8)(A)4.

Any changes in ownership or corporate status, including but not limited to any transfer of assets or real or personal property, shall not affect the responsibilities of the Respondent under this AOC.

20. Sections 644.076.1 and 644.079, RSMo, authorize the imposition of penalties for violations of the MCWL and establish monetary penalties of up to \$10,000 per day per violation. The penalty contained in this AOC was calculated using the Penalty Assessment Protocol described in 10 CSR 20-3.010.

21. The Respondent, in compromise and satisfaction of the Department's claims relating to the above-referenced violations, is ordered and agrees, without admitting liability or fault, to pay an administrative penalty in the amount of \$20,000. The Department and the Respondent further agree that the \$20,000 administrative penalty shall be fully suspended as described below.

22. The suspended penalty described in the paragraph above in the amount of \$20,000 shall be suspended while this AOC is in effect upon the condition that the Respondent does not violate any terms of this AOC. Upon determination by the Department that the Respondent has

failed to meet the terms of this AOC to the Department's satisfaction, including the requirements in Paragraphs 23 through 26, the Department may send a written demand for the suspended penalty to the Respondent within two years of the Department's discovery of the violation. The Respondent shall have 30 days from receipt of the written demand to submit the suspended penalty. The payment shall be in the form of a check made payable to "Pulaski County Treasurer, as custodian of the Pulaski County School Fund" and shall be delivered with a signed copy of the executed AOC to:

All units or components of the existing WWTF shall be maintained in an operable condition, even if this requires the purchase and installation of new parts or equipment, or repair of the WWTF.

24. The Respondent is ordered and agrees to submit to the Department complete DMRs as required in the Permit by the 28th day of the month following every reporting period.

25. - h.) **Section 3 of the Housing and Urban Development Act of 1968,** as amended, provides that, to the greatest extent feasible, opportunities for training and employment shall be given to recipients of public housing and lower-income residents of the unit of local government or the metropolitan area (or non-metropolitan county) in which the project is located; contract work in connection with such projects shall be awarded to business concerns which are owned in substantial part by persons residing in the same metropolitan area (or non-metropolitan county) as the project, employ Section 3 residents in full-time positions, or subcontract with businesses which provide economic opportunities to lower income persons.
- i.) **Illegal Immigrants.** Both the Client and MRPC understand and accept responsibility under the Revised Statutes of Missouri (RSMo) Sections 285.525 through 285.555 (illegal immigrants) to ensure that “no business entity or employer shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the state of Missouri.” Client and MRPC further certify that any contract awarded by them, related to this agreement, will require the contracted business entity to comply with the references mentioned above. Provided, however, that in the event MRPC becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, MRPC may request the United States to enter into such litigation to protect the interests of the United States.

Client further acknowledges that failure to fulfill the requirements of 24 C.F.R. Part 1 through 5 shall subject the Client and any recipient of assistance, together with contractors, subcontractors, and vendors, to sanctions specified in any applicable grant or loan agreement or other contract through which federal assistance is provided, and to those sanctions which are specifically enumerated in 24 C.F.R. Part 1 through 5. Part 1 through 5.

AN ORDINANCE ESTABLISHING THE CITY OF DIXON'S HEALTH INSURANCE PREMIUM CONTRIBUTION POLICY; PERMANENTLY DISCONTINUING CITY PAYMENT OF HEALTH INSURANCE PREMIUMS FOR DEPENDENT COVERAGE; SUPERSEDING PRIOR TEMPORARY ACTION REGARDING DEPENDENT HEALTH INSURANCE PREMIUMS; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Dixon, Missouri ("City"), provides health insurance benefits to eligible City employees; and

WHEREAS, the Board of Aldermen previously voted to discontinue City payment of health insurance premiums attributable to dependent coverage for the remainder of the then-current year; and

WHEREAS, the Board of Aldermen now desires to establish a continuing policy regarding the City's contribution toward employee and dependent health insurance premiums; and

WHEREAS, the Board of Aldermen has determined that the City should continue providing authorized health insurance benefits for eligible City employees but should not pay the additional premiums associated with coverage of an employee's spouse, children, or other dependents;

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF DIXON, MISSOURI, AS FOLLOWS:

SECTION 1. EMPLOYEE HEALTH INSURANCE

Subject to the terms, eligibility requirements, limitations, and conditions of the City's applicable health insurance plan, the City shall provide a contribution toward health insurance coverage for eligible City employees in the amount authorized and budgeted by the Board of Aldermen.

Nothing herein shall require the City to provide or maintain any particular insurance carrier, policy, plan design, coverage level, or premium amount.

SECTION 2. CITY PAYMENT FOR DEPENDENT HEALTH INSURANCE DISCONTINUED

The City shall not pay any portion of the additional health insurance premium attributable to coverage of an employee's spouse, child, or other dependent.

The City's contribution toward an eligible employee's health insurance shall be limited to the amount authorized by the City for employee-only coverage.

This policy shall remain in effect unless and until amended or repealed by subsequent lawful action of the Board of Aldermen.

SECTION 3. EMPLOYEE-PAID DEPENDENT COVERAGE

Nothing in this Ordinance prohibits an eligible employee from electing health insurance coverage for a spouse, child, or other eligible dependent when such coverage is available under the terms of the City's health insurance plan.

An employee electing dependent coverage shall be responsible for one hundred percent (100%) of the additional premium attributable to such dependent coverage.

The employee's portion of the premium may be collected through payroll deduction or such other method as may be authorized by the City and permitted by the applicable health insurance plan.

SECTION 4. CONTINUATION OF PREVIOUS POLICY

The Board of Aldermen previously took action discontinuing City payment of dependent health insurance premiums for the remainder of the applicable year.

It is the intent of this Ordinance to continue that policy on an ongoing basis without expiration at the end of the year.

To the extent any prior motion, resolution, policy, or other action of the City provided that the discontinuation of City-paid dependent health insurance premiums was temporary or limited to a particular calendar or plan year, that limitation is hereby superseded.

SECTION 5. APPLICATION

This Ordinance shall apply uniformly to all City employees eligible to participate in the City's health insurance plan, except where otherwise required by law or by a valid and binding written agreement of the City.

No employee shall acquire a right to City-paid dependent health insurance coverage solely by virtue of prior receipt of such benefit.

SECTION 6. ADMINISTRATION

The Mayor, City Clerk, and other appropriate City officials are authorized and directed to take all reasonable administrative actions necessary to implement this Ordinance, including coordination with the City's insurance carrier, broker, or plan administrator and the administration of any necessary payroll deductions.

SECTION 7. INSURANCE PLAN REQUIREMENTS

Implementation of this Ordinance shall remain subject to the terms and requirements of the City's applicable health insurance policy or plan.

Nothing in this Ordinance shall require an action inconsistent with applicable law or the contractual requirements of the City's insurance carrier or plan administrator.

SECTION 8. CONFLICTING PROVISIONS

All ordinances, resolutions, motions, personnel policies, or other actions of the City inconsistent with this Ordinance are hereby superseded to the extent of such inconsistency.

SECTION 9. SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is determined to be invalid or unenforceable by a court of competent jurisdiction, such determination shall not affect the validity of the remaining portions of this Ordinance.

SECTION 10. EFFECTIVE DATE

This Ordinance shall be in full force and effect from and after its passage and approval according to law.

The City's policy of not paying the additional premium attributable to dependent health insurance coverage shall continue without interruption from the City's previously adopted temporary policy and shall remain in effect unless subsequently amended or repealed by lawful action of the Board of Aldermen.

AN ORDINANCE ADOPTING A PAY PROGRESSION SCHEDULE FOR EMPLOYEES OF THE CITY OF DIXON; ESTABLISHING PROCEDURES FOR PLACEMENT AND PROGRESSION WITHIN THE SCHEDULE; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, the City of Dixon, Missouri (the “City”), desires to establish a fair, consistent, and fiscally responsible system for employee compensation;

WHEREAS, the Board of Aldermen finds that a defined pay progression schedule will assist the City in recruiting and retaining qualified employees, recognizing experience and qualifications, maintaining consistency in compensation practices, and planning for personnel expenses; and

WHEREAS, the Board of Aldermen desires to adopt the Pay Progression Schedule attached hereto as Exhibit A for the City’s Public Works Department, Police Department, and Administration and Library positions.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF DIXON, MISSOURI, AS FOLLOWS:

SECTION 1. ADOPTION OF PAY PROGRESSION SCHEDULE

The City of Dixon hereby adopts the Pay Progression Schedule attached hereto as Exhibit A and incorporated herein by reference. Exhibit A establishes classifications, pay ranges, and typical qualifications and responsibilities for covered City positions.

SECTION 2. EMPLOYEE PLACEMENT

Employees shall be placed in the classification and within the pay range that corresponds to their assigned position, qualifications, experience, certifications, responsibilities, and other job-related factors. Initial placement of a newly hired employee may also take into consideration prior relevant service, education, specialized skills, internal pay considerations, recruitment needs, and available budgeted funds. Nothing in this Ordinance requires a newly hired employee to begin at the lowest rate within an applicable pay range.

SECTION 3. MOVEMENT WITHIN A PAY RANGE

Movement within an established pay range is not automatic solely because of the passage of time. In determining an employee’s rate of pay within an applicable range, the City may consider satisfactory job performance, length and quality of service, increased proficiency, additional responsibilities, training, certifications or licenses, and other job-related qualifications. Any increase shall be subject to authorization consistent with the City’s budget and applicable City procedures.

SECTION 4. PROGRESSION TO A HIGHER LEVEL OR CLASSIFICATION

Progression to a higher level or classification shall be based upon the employee meeting the qualifications and performing the responsibilities associated with that level or classification as set forth in Exhibit A. Placement at a higher level is not automatic based solely upon years of service. A change in classification or level shall be authorized in accordance with applicable City procedures and available appropriations.

SECTION 5. BUDGET AND APPROPRIATION

All compensation paid under the Pay Progression Schedule is subject to the City's duly adopted budget and the availability of lawfully appropriated funds. Adoption of the Schedule does not require the City to fund an increase that has not been budgeted or otherwise lawfully appropriated.

SECTION 6. NO CONTRACTUAL OR VESTED RIGHT

The Pay Progression Schedule is intended as a compensation and classification framework. It does not create a contract of employment, guarantee employment for any particular period, or create a vested right to a future wage increase, promotion, advancement, or particular classification, except as otherwise required by law or by a valid written agreement binding upon the City.

SECTION 7. ADMINISTRATION

The Mayor, City Clerk, and other appropriate City officials are authorized to take administrative actions reasonably necessary to implement this Ordinance and Exhibit A consistent with the City's adopted budget, personnel policies, and applicable law. The City Clerk shall maintain the current Pay Progression Schedule with the City's official records.

SECTION 8. AMENDMENTS

The Board of Aldermen may amend the classifications, pay ranges, qualifications, responsibilities, or other provisions of the Pay Progression Schedule by subsequent ordinance or other lawful action, as appropriate. No officer, supervisor, department head, or employee may authorize compensation outside the applicable pay range except pursuant to lawful authorization by the City.

SECTION 9. SEVERABILITY

If any section, subsection, sentence, clause, phrase, or portion of this Ordinance is held invalid or unenforceable by a court of competent jurisdiction, the remaining portions shall remain in full force and effect.

SECTION 10. EFFECTIVE DATE

This Ordinance shall be in full force and effect from and after its passage and approval according to law.
