I agree to pay the \$40 monthly fee plus any applicable state and local sales tax for B & K Recycling and understand that payment is due each month by automatic billing/draft on the 5th for services being provided that month.

If you do not already have a system for collection in place, we can sell you three bins and bags. You can pay for the bins and bags in full at the time of delivery or you can pay an initial setup fee at delivery and then pay the remaining balance in monthly installments for up to 6 months. Bins and bags are sold at our cost and can vary due to current pricing.

_____ Yes, please send me a quote for Bins and bags. You will own the bins after paid in full.

I understand that if I wish to cancel anytime that I must do so by the last day of the current month so you will not be billed for services the following month.
