

Friends of Bandon Parks

August 2022

Message from Christine Hall

Hi Members, Supporters and Especially our Volunteers,

Summer brings picnics, travel, and outdoor activities. Our city and state parks are full of visitors and locals. Yeah!

This issue brings some of the highlights that are going on with our parks and community. And if you talk with a volunteer, any volunteer, anywhere, tell 'em thanks. Volunteers make a better world.

Our Newest Bike Rack Installation

Located at Farmers Market next to the recently added Recycled BIG fish by Washed Ashore, sits a masterpiece. The ground mural was designed by Vicki Affatati. Micky Franks and her volunteer crew supplied the labor of love. The Port of Bandon employees completed the installation.

NEWS YOU'LL WANT TO KNOW

Disc Golf Expansion

City of Bandon received funding from The Oregon Coast Visitor's Assoc. to expand the nine-hole course to 18 holes. In addition, they will provide new signage for all 18 holes and pads for 9 holes.

Disc Golf is very popular in City Park. If you want to learn, the players are always willing to help newbies.

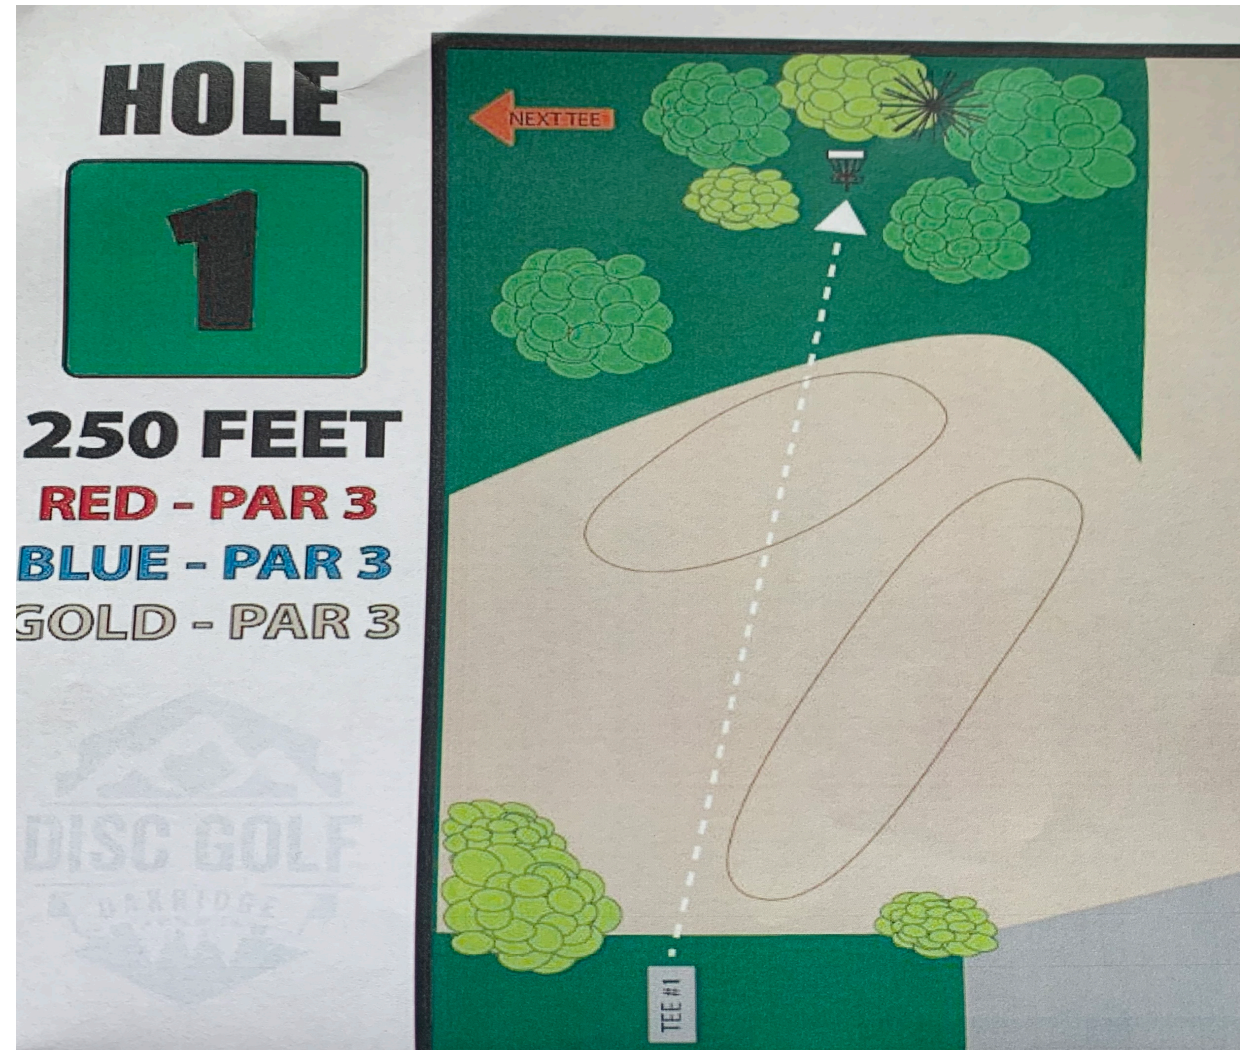

Disc Golf Part 2

New Signage Sample

Here is a sample of the new Signage for all 18 holes.

Pacific Upshot is the design firm for the new course.

Looks like fun and if you talk with the golfers, they'll agree.

And There's More News...

The City of Bandon received grant money from Oregon Community Foundation for the purchase of additional bike racks. Yahoo.

This photo is the bike rack at Ray's Market that was purchased by Friends with a grant from Cycle Oregon.

We are slowly becoming a Bike City!

Checking on Our City Park Trees

Several volunteers regularly check our 110 seedlings we planted this Spring. We are prepared to lose a few trees. A few trees look a little scruffy but we have confidence they will pull thru.
